EXPECT RECORD VOTE AT PRIMARY TUESDAY

Girl dies from injuries in Rte. 58-83 accident

Miss Jeanette Huebner, 16, of Blue Island, died Sunday in St. Francis hospital, Evanston, from injuries sustained in an auto accident March 16 at Golf and Elmhurst rds.

Miss Huebner was a passenger in a car driven by Charles Martino, 17, also of Blue Island. Martino's car collided with a car driven by Dick Dirks, 23, of Chicago.

An inquest was continued until April 7 pending further investigation.

LOUIS SAWISCH, McHenry, who was seriously injured in an accident March 16, which took the life of his father, Adolph, was released last week end from St. Francis hospital, Evanston.

The Sawisch station wagon, driven by Louis, Skided on an ice patch on Rand rd., just west of State rd., into the path of a truck loaded with steel. The station wagon was completely demolished.

DUDLEY McCULLEY, 23, of Evanston, was injured early Sunday morning when his automobile was sideswiped by a hit-run driver on Golf rd., just west of Elmhurst rd.

McCulley was taken to St. Francis hospital in Evanston.

He told police he was driving east on Golf rd. when the second car struck his left side causing him to lose control and drive off the highway.

NINE-YEAR-OLD Daniel Malloy of Prospect Heights escaped serious injury Sunday afternoon when he rode his bicycle in front of a passing auto on Willow rd. in Prospect Heights.

The driver of the car, Mr.s Ann Sohn, of Route 1, Mount Prospect, told police the youth struck the front of her car after riding out of Elm st. The boy was not hurt.

Theodore Smiley dies from burns sustained while burning weeds

Theodore Smiley, 72, died Thursday night at St. Joseph's hospital, Elgin, from burns sustained a few hours earlier while burning weeds near his home at 1815 E. Kensington rd., Arlington Heights.

Smiley's clothing caught fire as he attempted to stamp out the grass blaze when the wind changed directon and the fire started toward Smiley's small cottage.

It is believed that Smiley's clothing may have had gasoline on them. The elderly man had changed oil and gassed a tractor a short time before starting the grass fire.

Rose Bozen, housekeeper for Smiley, who was helping burn the weeds, helped extinguish the man's burning clothes.

The Arlington Heights firemen were called to extinguish the grass fire.

The accident occurred at 1:33 p. m.

Vandals break dishes in farm home

A group of teen-age boys broke into the home of John Gewocke, Kirchhoff and Wilke rds., Arlington Heights, Sunday and smashed all the dishes in the pantry.

The youths, whose identity was not known, were seen playing in the vicinity. Entrance to the home was gained through a window, police reported.

Find body in bog

Police continue probe in death of Arlington Heights housewife

A full-scale investigation by Cook and McHenry county authorities into the death of Mrs. Virginia Wing, 29, of Arlington Heights, continued this week as officers dug deeper into the three-month-old mystery.

The body of Mrs. Wing, mother of three children, was found Sunday in a slough off the old Algonquin rd. in McHenry county, two miles north of the spot where her car was found abandoned 24 hours after she disappeared Jan. 23 from her home at 618 N. Belmont in the northwest suburb.

Although a number of questions were still baffling investigators, Capt. Hugo Olsen of the Cook county sheriff's office said he believed that the woman died of exposure after wandering distraught through the area.

"Everything points that way," Olsen said.

"We've requestioned a number of friends who now say that prior to the woman's disappearance it was evident that she was becoming increasingly mentally ill," the chief investigator reported.

Olsen pointed out that the friends were reluctant to make the statement prior because they thought she might be found alive.

An autopsy revealed no marks of violence and ruled out the possibility of death by assault or strangulation. Toxicologists were to examine body tissues for drugs or poison. A date for an inquest has not been set.

Olsen along with Deputy Robert Small are collaborating their investigation with Sheriff Henry Nulle of McHenry county and his chief deputy, Harry Herendeen.

The officers are still puzzled as to how the woman got into the slough without tearing her wearing apparel.

Olsen claims that they have found a route that would have taken the woman over only one barb wire fence; however the officers are still mystified as to why the woman's coat was found beside the body. The temperature was below freezing the night she disappeared.

It was at first reported that a number of searchers had combed the spot where the body was found but the investigating officers who have questioned members of the posse say that unless you were very close to the slough the body would be well hidden.

Olsen says the farmer on whose land the body was found, reported that he walked within a dozen feet of the spot but told the officers that unless he was looking for the body would have been unable to see it.

Mrs. Wing left her home to pick up her husband, Robert, at the North Western depot and was never seen again. She left food still cooking on the stove and her three small children alone in the home.

Lay plans for Jaycee auxiliary

Wheeling Township Jaycees will inaugurate the formation of a Jaycee auxiliary at a special meeting to be held at 7:45 p. m. Thursday, April 3, in the Youth Center of the Arlington Heights field house.

The chapter wishes to extend a special invitation to all young men between the ages of 21 and 35 who are interested in a vigorous young men's group dedicated to civic improvement and opportunities for leadership training.

PRESIDENT Bruno Waara said, "We wish to extend a hearty welcome to all young men in the township who are interested in our group and its activities to be with us Thursday evening and to bring their wives. The primary purpose of this meeting is to lay the foundation for a Jaycee auxiliary which will actively support and cooperate with the chapter in carrying out both its civic activities and its social program."

One of the highlights of the evening will be the showing of a new and vital film on juvenile drug addiction. Since youth activity is the theme of Jaycee action throughout the state this year, the local chapter is sponsoring the showing of this film in all high schools of this area. Another phase of the youth activity program of the Wheeling Jaycees is the construction of a wooden respirator for temporary treatment of infantile paralysis. The first wooden lung is under construction now and will be unveiled at a benefit dance to be held May 16. The dance is expected to provide funds for the building of two more respirators for the township.

Ping pong, shuffle board and other recreational activities will take place during the meeting. Refreshments prepared by Jaycee wives will be served.

Film Athabaska Country to conclude lecture series

The sixth and final lecture of the Travel and Adventure course in the Adult Evening School at the Arlington Heights township high school will be held Monday, April 7. Norman R. Hallock, another newcomer to the lecture series, will present his film, "The Athabaska Country."

The Athabaska country is one of America's last frontiers. Since the days of the hardy band of frontiersmen who pioneered in the interests of fur trading until now, very little has changed in this "Roof of the World" area.

In this territory is found the largest sheet of ice south of the Arctic Circle, which frozen bed is estimated to be two thousand feet thick and covers an area of one hundred-fifty square miles. From this Columbia ice cap flow rivers into the Atlantic, to the frozen wastes of the Arctic, and to the sunny slopes of the Pacific. This region is the heart of the Canadian Rockies.

Hallock's kodachrome motion pictures take the audience from wooded valleys with their mirror lakes, up flower-carpeted alpine slopes interspersed with murmuring brooks and laughing waterfalls, to the very pinnacles of lofty mountains. From these vantage points one can count hundreds of similar peaks as they reach their snow-covered finger-like tops into the blue of heaven. The picture abounds with animal life and human interest.

The territory covered in this lecture extends northward from Lake Louise along the new Banff-Jasper highway and includes much of Jasper National Park. Special emphasis is placed upon its historical background.

Tax bills out; collections start

The township tax collectors of this area all made the deadline despite the late receipt of the tax books. All bills were in the mails before the March 31 deadline. With all bills mailed out, the collector's office opened in Palatine and Elk Grove townships this week; Wheeling township collections will start next Monday.

There have been a great many property transfers during the past year and many of these transfers have not yet reached the tax books, so many bills will go to the wrong people.

If for any reason a property owner has not received his tax bill, he should contact his local collector at once bringing along the legal description of his property in order that his tax bill may be located.

With all bills out on time, the penalty date for the first installment of the real estate tax and for the entire personal property bill will be May 1.

The township collectors ask the cooperation of their patrons in making their payments as early as possible.

Grade school music festival Friday night

The Arlington Heights public schools' band and chorus members are putting finishing touches to the program they will present to parents, friends and fellow students Friday evening in the gymnasium of the South school.

The concert will begin at 8 o'clock with several numbers by the public school band under the direction of Harold Brunt, and with solos given by Karen Bowen and David Catherwood of the eighth grade, and Alec Catherwood of the seventh grade. Following the band numbers, members of the chorus will present several numbers reminiscent of the Gay Nineties with short skits given by eighth grade girls. Narration accompanying the songs and skits will be done by Richard Christian of the eighth grade.

Tickets for the program will be sold by all band and chorus members with the proceeds being used to purchase added musical equipment for both groups. Adult tickets are selling for 50 cents each, while student admission will be 25 cents.

Firemen flooded with grass fire calls; ask relief

Firemen of Mt. Prospect, Prospect Heights, Arlington Heights and Palatine are asking relief from the unnecessary grass and rubbish fire calls. They are complaining that a second fire call sometimes arrives before the boys return from the first one.

AN ARLINGTON Heights man met his death last Thursday from his efforts to extinguish a small fire he had started. Arlington Heights department was called out six times in three days; Prospect Heights three times over the week end; Mt. Prospect six times since last Saturday. Wednesday afternoon the boys were called to Central road to save a garbage truck. The boys had not returned to the station before they were called to the airport. Palatine reports even more fires.

These firemen are busy men and can not afford to leave their places of business or employment at all hours. They are asking the public to use greater care in their efforts to give the home grounds a spring clean-up.

THE ILLINOIS statutes provide fines as high as $100 for a person who carelessly allows a fire to spread on land not his own or on a public highway. The liability extends to the man who leaves a fire not properly extinguished.

Grass fires are a spring time epidemic. The death of the Arlington Heights man is all the more reason why greater care should be exercised.

(B-4

SEEK PERMIT TO BUILD GAS STATION ON NW CORNER RTS. 83-58

Fred W. Meyer, Rand rd., Palatine, has applied for a building permit to erect a Sinclair Service station on the northwest corner of Rts. 83-58, Mount Prospect.

The application for the permit is now before the Mount Prospect building commissioner. The proposed building will be 48x30, and Carlson Construction company will be the general contractor.

Contracts for treatment plant, water works extension to be let April 7

Major construction upon the enlargement of the Arlington Heights sewage treatment plant and water works extension is expected to get underway within 30 days.

Bids were opened Thursday evening, upon both projects. Seven bidders were interested in the treatment plant and four in the water works project.

The low bids are $75,000 less than the estimate, which Engineer John Townsend says is a good omen for early construction. One bidder named 400 working days as the time that he would require to complete the job if he is awarded the contract.

The steel situation will hold up the water works improvement, which entails the construction of a standpipe holding a million gallons of water. It will be 32 feet high and 70 feet in diameter.

HIGH AND LOW bids on the water works improvement are $136,621 and $102,580. The treatment plant bids are between $595,950 and $774,799. Sewer construction prices were between $27,383 and $48,433.

The engineers have tabulated the bids and are prepared to make their recommendation for the letting of the contracts.

Basic bids on the sewage treatment plant are:

Northern States Co.	$595,950
Porter Contracting Co.	649,460
W. T. Mahoney & Son	774,799
Engineer's estimate	619,159

Bids for the sewer work are:

A&E Gen. Contractors	$ 27,333
Orfei Construction Co.	27,977
Pietro Scalgitti	35,008
Scully Bros.	35,244
John M. Scully	36,249
Mancini & Ventrella	38,680
Ranieri Contracting Co.	48,433
Engineer's estimate	36,300

Feeder mains and foundation for storage tank, booster station, etc.:

Ranieri Contract. Co.	$115,508
A&E Contractors	102,580
Gaskill & Walton Const. Co.	117,855
Orfei Construction Co.	136,621
W-M Corporation	129,377

Million gallon reservoir tank:

Chicago Bridge and Iron Co.	45,400
Graver Tank & Mfg. Co.	53,758
Pittsburgh Des Moines Steel Co.	49,900

New well and pump:

S. B. Geiger	66,000
Miller Artesian Well Co.	56,704
Milaeger Well Drill. Co.	47,420
Neely Schimelpfenig & Neely	59,461

Burfeind names NW area Cancer Crusade chairmen

Nat. T. Burfeind, 1130 N. Harvard, Arlington Heights, chairman of the Northwest Suburban chapter, announced this week the appointment of campaign chairmen:

Mrs. R. A. Schlarb, 315 S. Albert st., will conduct the 1952 Cancer Crusade in Mount Prospect.

Roy L. LaLonde, 3 N. Bothwell, Palatine, and Mrs. Gerald McElroy, 254 N. Hale st., Palatine, have accepted the co-chairmanship of the campaign in Palatine.

Co-CHAIRMEN of the Barrington Cancer Crusade: Mrs. Harold C. Lundgren, Sutton rd., Barrington, and Mrs. Howard R. Bringlinger, 400 Dundee, Barrington.

Mrs. Harold E. Olson, 1007 Chicago ave., Arlington Heights, will lead volunteer crusaders in Arlington Heights during April.

Byron L. Casey, 404 Vine, Park Ridge, will be chairman for the third consecutive year of the drive in Park Ridge.

The goals for each of these communities: Arlington Heights, $1,300; Barrington, $1,100; Mount Prospect, $600; Palatine, $450; Park Ridge, $2,750.

STOP THE ACCIDENTS

(An Editorial)

Does there have to be a "mass murder" at the intersection of Rt. 83 (Elmhurst rd.) and Rt. 58 (Golf rd.), just south of the village of Mount Prospect, before the state highway department will see fit to properly protect that crossing?

At least 12 accidents have occurred at that intersection during the past six months, resulting in the death of at least one person, and the injury of a dozen others.

The state may rightly place the blame on the carelessness of autoists, but this will not bring back the life lost, nor protect innocent drivers who become victims of another autoist's carelessness.

As citizens and taxpayers, drivers have a right to demand that the state properly guard a crossing known to be dangerous. At present there are stop signs only for north and south bound traffic on Rt. 83, giving the right-of-way to traffic on Rt. 58. A survey taken by the highway department in the summer of 1951 showed that 5,400 cars pass that intersection daily. East and west traffic on Rt. 58 is only 25% less than north and south traffic on Rt. 83.

According to those figures the cross traffic should warrant four-way stop signs, if not traffic lights. Perhaps the highway department is more concerned about too many stop signs slowing down traffic, than it is about the life and limb of persons having to travel the highways.

Perhaps the highway department reasons that if motorists don't obey one set of stop signs, what makes the public think they will obey additional signs placed at an intersection. With four-way stops two drivers are cautioned instead of one, therefore there is twice the chance an accident will be avoided.

Complaints of irate motorists who have to make a few more stops should be disregarded. If careless motorists hold little regard for the life of their fellow men, then it's the duty of the highway department to see that life is protected to the limit of its authority.

There have been three fatalities at this intersection since 1950.

Is starting gun for November national election next fall

A full page announcement by local township committeemen with marked sample ballots and the location of election precincts and polling places appears in this issue. To avoid confusion in the nine election precincts within the village of Arlington Heights, a precinct map is included on the page.

Republican ticket

Those who ask for a Republican ballot at the primaries next Tuesday will have plenty of "choices" in presidential candidates, governor and the majority of the state offices.

There are contests in only two of the county offices. They are recorder of deeds and coroner.

Marguerite Church, who represents the 13th congressional district in congress, has an opponent on the ballot. Her popularity among womanfolk and men who are acquainted with her record, insures her renomination for that office.

ANOTHER woman candidate for renomination is Bernice Van der Vries, whose name appears first on the ballot for the general assembly from the seventh senatorial district. Also endorsed by the organization is Arthur W. Sprague, who has the second position. Both of these, have an enviable record and have endorsement of the organization. There are four independent candidates.

Candidates for President in addition to Robert Taft, the popular candidate hereabouts, include Riley Bender and Harold E. Stassen. There is so much confusion in the national picture that it is claimed a vote for Stassen can be called a vote for Eisenhower. Write-in votes, however, are permissible, and a considerable support for the general may develop.

ALL CANDIDATES on the Republican primary ballot for delegates to the national convention are pledged for Senator Taft. There are only two to be elected. Robert Wood and James L. Garard, whose names appear first on the ballot, have the endorsement of the organization. James S. Kemper is the third candidate. The alternates are also pledged for Taft.

William G. Stratton's name appears in the fourth position of ballots being used in this area. Northwest Cook county is considered a strong Stratton camp, although some of the adjoining areas are supporting other candidates, who are Park Livingston, Anthony A. Polley, and Richard Yates Rowe. Although the name of William N. Erickson appears on the ballot, he is not a candidate.

The office of auditor of public accounts is so popular that there are seven candidates. Louis E. Nelson, who has the recommendation of the organization, is last on the list.

SOME EXCELLENT men are candidates for attorney general. Latham Castle has the local endorsement and his name appears first. Lee Daniels, the capable state's attorney of DuPage county, is candidate number two. Daniels has many friends in this area and is a next door neighbor to Cook county.

J. Roy Browning, the last candidate, has strong support along the north shore. Other candidates are Conrad Noll and Edward P. Saltiel.

County offices for which there is no opposition are state's attorney and clerks of the superior and circuit courts.

Dr. Richard H. Mangold is opposing Walter E. McCarron for coroner. Philip H. Mitchel, candidate for recorder of deeds, and who has the endorsement of the organization, is opposed by Thomas J. Godfrey and Mario Tonelli.

Democratic ticket

In the Democratic primary the story is just the reverse of the Republican. There is practically no opposition for the nomination for state offices, except for attorney general.

THE NAME of Estes Kefauver is alone on the ballot as a presidential candidate. With the withdrawal of Truman, anything can happen, and a write-in campaign may develop by Tuesday for Adlai E. Stevenson, who is candidate to succeed himself as governor.

There is no opposition to any of the candidates for county offices on the Democratic ticket.

The village of Mt. Prospect votes for sanitary district candidates. There are three to be nominated by both parties, but there are seven candidates on each.

OTHER STATE officers who have no opposition are Sherwood Dixon for lieutenant governor; Edward J. Barrett for secretary of state; Benjamin O. Cooper for state auditor, and Fred A. Cain for state treasurer.

The only real Democratic fight in the county ticket is for state's attorney. John Gutknecht has the endorsement of the Democratic organization. He is opposed by the present holder, John T. Boyle.

Wheeling Republican women are ready for primary campaign

If organization by the women folk means anything Wheeling township will poll the largest primary vote in its history next Tuesday. The credit will go to the Wheeling Township Regular Republican Woman's Club.

As a club it is ready for the campaign this April as well as the November election.

All the precinct captains are assured of plenty of help. They have been given lists of club members who reside in the respective districts. The women offer to serve as checkers, telephone contacts, baby sitters and car crews.

A number of meetings have been held and prominent speakers brought to Arlington Heights. This club is active 12 months of every year, says its president, Mrs. Q. Ford.

APPROVE BOND ISSUE FOR FOREST VIEW SCHOOL

School patrons of Forest View, S. State rd., Elk Grove, voted four to one last Saturday in favor of the new school addition. This district is faced with an increased enrollment that could not be accommodated in the building that was erected 30 years ago.

The new addition will comprise two class rooms, heating plant and toilets. The present building will be used for physical education and as a social hall for the area.

Jury verdict calls Coleman's death accidental

Thomas J. Coleman, 26, died Tuesday morning in Sherman hospital, Elgin, from injuries sustained early Saturday morning when pinned beneath his wrecked auto at Rt. 53 and Northwest highway in Palatine.

Coleman, son of Mr. and Mrs. Thomas F. Coleman of 1516 Mayfair rd., Arlington Heights, sustained chest and internal injuries when thrown beneath his car which apparently turned over a number of times.

A Kane county coroner's jury directed by Coroner Victor Petersen ruled the death as accidental after hearing testimony that showed Coleman's wallet and a reported $150 was missing.

ACCORDING to testimony at the inquest, Coleman's auto, traveling west on Northwest highway, overturned after striking a highway sign. The car, a 1949 model convertible, was demolished.

Officer Leo Lynch of Palatine police told the jury he found Coleman lying beneath his upright car and with the assistance of passing motorists succeeded in extricating him.

Lynch testified that Coleman's wallet and a reported $150 were missing. The injured man was identified from business cards carried in the lapel of his suit coat.

Coleman's father, an insurance broker, told the jury that he had investigated and found out that his son had been playing poker with three friends at a tavern south of Arlington Heights.

THE POKER players told him that his son had at least $150 on his person when he left the tavern at nearly 3 a. m.

The accident occurred at approximately 30 minutes later as Coleman was traveling away from Arlington Heights, apparently after driving very close to his Stonegate home.

Police Chief Frank Meyer testified that he thought Coleman, a resident of this vicinity for a number of years, became confused in his directions.

It was definitely established at the inquest that Coleman was not intoxicated.

Officer Lynch testified that he smelled no liquor on the injured man's breath. Coleman's father said Dr. Carl Stark who gave the man first-aid corroborated the officer's statement

CORONER PETERSEN when queried about the missing money claims that it is the duty of Cook county officers to investigate.

As of noon Wednesday, sheriff's police had not been asked to start an investigation or even informed about the missing money.

District 214 to elect 4 board members April 12

Arlington Heights township high school District 214, will hold its annual election Saturday, April 12, to elect four members to the board of education. Candidates to be selected include three incumbents.

Elmer F. Laurin, president of the board, is a candidate for a three year term as is Arthur Skelton of Mount Prospect. A. C. Haake is a candidate for a two year term to fill the unexpired term of Walter Kroeber (resigned).

KENNETH F. DOUGAN is a candidate for member, three year term, representing the non-incorporated area.

The new election law, affecting township high school districts allows a board to elect its own president after seven members have been elected by the people. This same law defines the "urban" and "rural" area as to number of representative board members. Two of the seven members for School District 214 will come from unincorporated areas.

Sen'or Scouts offer to baby sit so mothers can get out and vote April 8

The Senior Girl Scouts of Arlington Heights and Mount Prospect are offering their services as baby sitters so that mothers can get out and vote in the April 8 primary election.

The scouts are offering this as a free service and will be available from 3 p. m., until the polls close. Further information can be had by calling Marilyn Behrens, Arlington Heights 995-W, or Norma Turpin, Mount Prospect 804. Advance reservations can be made by calling either of the above numbers.

Grade and high schools to begin Easter vacation next week

Students attending parochial and public grade and high schools in Arlington Heights, will all begin Easter vacations next week.

St. Peter Lutheran school will be the first to begin its vacation, starting Monday, April 7, and resuming classes April 14.

St. James Catholic school is the next to begin, starting its vacation April 9, returning to school April 15.

The public grade and high schools will all start their vacations April 10, resuming classes April 21. Teachers of the North, South and Junior high schools will have a released time cooperative planning meeting at the South school April 10. Teachers, therefore, will not begin their Easter vacation until April 11.

'Primary dark horse' to speak in Heights Saturday; plan parade

Arlington Heights residents will have an opportunity Saturday to witness a real old fashioned political parade and rally. This colorful spectacle will serve a two-fold purpose. 1.—Introduce Grant Matthews, a local primary dark horse running for presidential nomination on the primary ballot. 2.—To remind citizens that Tuesday, April 8, is Primary Election Day, and all citizens should "Get Out and Vote!"

Matthews has been visiting cities and towns in Illinois for the past month. He wants to meet the people and he wants the people to meet him. Matthews is concerned about the troubles between labor and big business, and high prices, and high profits ,and he aims to do something about the "State of the Union."

A PARADE, complete with band, twirlers, color guard, and a mass of citizens all backing Matthews, will precede his campaign speech, which will be given in the railroad park, opposite the bank at 2:30 p.m. The parade will assemble at Belmont and Miner avenues, at 1:30 p.m., with stepoff promptly at 2 p.m.

The line of march will be west on Miner to Vail; south on Vail to Davis; east on Davis to Evergreen; north on Evergreen to the south railroad park drive; entering the park where Matthews will address citizens.

Matthews will be accompanied by his charming wife, Mary; his campaign advisor, James Conover; and his special press agent, Spike MacManus.

Students from Arlington Heights high school, though too young to vote, want to help Matthews gain his nomination, so members of the band and baton twirlers have volunteered their services for the parade.

Citizens who want to know more about Matthews are urged to come out and hear him speak, to see and hear for themselves what this "dark horse" has to offer for the good of the country.

New sewer-use rates are low; water rates go up 50 per cent

Arlington Heights homeowners who are feeling happy because the increase in their tax bill is not as great as they had reason to expect, are due for a bit of a shock.

Commencing May 1 new water rates will go into effect, to which will be added a sewer use tax of 10c a thousand gallons of water used.

The sewer use tax is only a fraction of what is being charged in neighboring towns. Palatine is charging three times that amount. However, the "nigger in the wood pile" is the increase in water rates, which are jumped 50 per cent.

ARLINGTON water users have enjoyed much lower rates than paid in other towns. The big users practically got away with "murder." The new ordinance places the water department on a business basis. It is admitted that the new rates may smell of inflation, but its operating costs have been inflated a long time.

The present minimum water rate for a 3-month period is $1.50. The new rate will be $2.25 and $1.50 added as a minimum for sewer use, or a total of $3.75.

A present $3 bill will be raised to a total of $5.50; $5.50 bill to $11.50; $7.50 bill to $16. In all cases the sewer use rate is stationary—10c a thousand gallons.

Water has been sold at a graduated price from 30 cents down to 12 cents. The new scale is 45 cents down to 20 cents.

THOSE WHO desire to learn exact size of their bills can read the enacting ordinance which appears in this issue.

Hereafter water bills will be mailed out to a third of the users every month, which will stagger the bookkeeping load. One third of the water users receiving bills June 1, will be charged for one month under the new rate; July 1, two months, and by August 1, the new system will be in full swing.

Air reserve training group sets record for 100% attendance

The 9140th volunteer air reserve training group in Des Plaines points with justifiable pride to the recent 100% attendance record of its 9646th squadron at Elgin. During the past month every reservist assigned to the squadron attended meetings, with a squadron average of 3½ points earned for attendance at the four training sessions held. The 9646th commanded by Major Brad Chase, has had consistently high records, but this one will be difficult to beat. They were also host to a number of visiting reservists during the month, boosting the actual attendance percentage to 115%.

The secret of the Elgin squadron's enviable record, according to Lt. Col. R. S. Hinds, group commander, and Capt. William Conwill, liaison officer, is the quality of the training program and the friendships built during the social period following.

Vacationers

The Norman Hall family returned a week ago Wednesday after spending an enjoyable ten day vacation in Sarasota, Fla., with side trips to St. Petersburg and Pensacola, where they visited friends.

Friday, Mrs. A. R. Campbell returned from a week's stay in Minneapolis, Minn., where she visited her daughter and son-in-law, Mr. and Mrs. Norman Busse.

The Alfred Utts returned Saturday evening after having left March 6 for an intended one week vacation to Gulfport, Miss. While there, their daughter, Mary Jo, contracted measles and was confined at the Community hospital in Corinth, Miss., for two weeks. The Utts appreciated the hospitality and thoughtfulness of the people there, who heard of their misfortune.

Birthday celebration

Bobbie Skallerup, son of Mr. and Mrs. R. M. Skallerup, had a cowboy party Saturday afternoon. The guests who came dressed in their cowboy and cowgirl best were Jackie and Jimmie Buckley, Jimmie Loughman, Stephen Hookum, Kelly Konchar, Crissy Thackery, Donnie Russell, Jackie Lindstrom, Patty and Jimmie Cronin, Terry and Patty Ann Ritter, Kenny Miller, Jimmy Mueller, Tommy Sheets, Charles and Joe White, David Robson and Bobbie's younger brother, Johnny. All joined in the fun of playing games and winning prizes.

Brownie troop 23

Brownie troop 23 went on a field trip of educational and civic affairs recently. They were conducted through the police department, fire department, public library and the council room in the village hall. The Brownies, who took in the informative tour, were Judy Johnson, Pat Hall, Lynn Weber, Florence Palmer, Beth Wood, Judy Smith, Patricia Loechle, Jeanne Bluberg, Rita Schumacher, Sandra Nelson, Lynn Lemmerhirt, Dale Goebel and Patty McGrath.

Celebrate anniversaries

The following couples celebrated their tenth wedding anniversaries Saturday evening. They were Mr. and Mrs. Melvin Lemmerhirt and Mr. and Mrs. Walter Aronson of Arlington Heights, Mr. and Mrs. William Kohler and Mr. and Mrs. Otto Liebich of Chicago and Mr. and Mrs. John Nelson of Glen Ellyn. They marked the occasion by dining at the Ivanhoe.

Week end trip

Mr. and Mrs. Frank Golle and family motored to Fort Atkinson, Wis., over the week end where they were the guests of Mr. and Mrs. George Hagens.

Visitors at the Wayne Sarvana home Tuesday were Mr. and Mrs. Al Beauchamp and daughter, Judy, of Westfield, Wis. The Beauchamps stopped off on their return trip from Detroit where they visited relatives.

Saturday evening Mr. and Mrs. Forrest Terry attended the Daily News Chicago relay, an annual athletic event, held at the Chicago stadium. The Terrys were accompanied by her brother and sister-in-law, Mr. and Mrs. Harry Libby of Chicago.

Entertained

Mr. and Mrs. Bernard Colvin enjoyed the stage play, "Bell, Book and Candle," recently as guests of the James Colvins.

Mr. and Mrs. Wilber Haupt of Chicago, parents of Mrs. Alfred Meuser, spent Saturday with the Meuser family.

Mr. and Mrs. Fred Allen of Chicago were the guests of Mr. and Mrs. C. W. Buren Saturday evening.

Friday evening Mr. and Mrs. Jack Le Beau entertained Mr. and Mrs. Richard Eckstrand for dinner. The Eckstrands, who are former Chicago residents, recently moved into their new home at 914 N. Princeton ave.

Mr. and Mrs. Joseph Steiber of Chicago were guests of the Richard Olstas Saturday for dinner and cards.

The Joseph Valvos entertained long time friends, Mr. and Mrs. Ted Bierchen of Chicago, for dinner Saturday.

CIRCLING THE TOWN

BY PHYLLIS KNIGHT

Men are definitely invited to this Friday evening's meeting of the Arlington Heights Woman's club. In fact, the program for this, the year's only Men's Night, has been planned with husbands in mind.

The evening of fun, which will take place at the field house, will be highlighted by one of the most popular of local pastimes, square dancing. Bob Bishop, perpetually in demand as a caller, will perform his specialty. He is particularly helpful with beginning dancers, so no one need worry about lack of experience in square dancing. Les Griffith and his orchestra will provide the music.

For those who choose a less strenuous form of entertainment, card tables will be set up in other sections of the field house.

Refreshments will be on the man-pleasing hearty side, according to Mrs. Donald Thompson, foods chairman. Mrs. John Shanklin is general chairman of Men's night.

What's more, all this is "for free" to club members, and reservations may still be made with members of the committee, which includes, besides Mrs. Shanklin, Mrs. J. D. Crittenden, Mrs. Floyd Burns and Mrs. Edward Christens.

Music in the air

The climax of the music season for grade school children in Arlington Heights comes this Friday evening when the band, vocal department and members of dramatics classes combine their talents in a spring festival of music.

Starting at 8 p. m., the concert will feature Harold Brunt's 125-piece band and Miss Vivian Erwin's choral group. The latter will present a Gay Nineties program with members of the Junior high dramatics classes participating in skits of the era.

There is an admission charge for this concert, and with good reason. Proceeds will be used to buy additional equipment for the department and help spread the benefits of musical training even further. Tickets are 50 cents for adults and 25 cents for students. Other concerts given throughout the school year are free, but the young musicians feel this is something special and hope a large number of villagers will come and see for themselves.

Double hurray

Two items of good news came this way last week, one concerning the hopes for a new post office and the other the condition of the new library building.

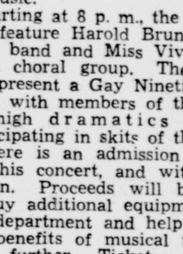

It begins to look like hopes for an adequate post office building will become a reality before next holiday rush with completion of the building, to be located behind the Farm bureau offices on the north side, due November 1.

And the dream of an adequate library building is nearly realized, too. With the plastering completed, inside trim can be installed. Then the actual work of arranging shelves, books and desk space can begin.

With these two projects well beyond the hope and wish stage, the third major problem is the only one remaining to be solved —the question of the "when" of a new depot.

Sidelights of Arlington Heights

Vacationers

Mrs. Margaret Bradshaw flew to California where she will spend two weeks visiting relatives and friends.

Mr. and Mrs. Elmer Crane have returned from a vacation in Florida. They visited Miami, Fort Lauderdale and principally Palm Beach. Cypress Gardens, Bok Tower and Silver Springs were among the most interesting highlights of their trip.

Miss Laura McElhose and Miss Lillian Klehm have returned home from a seven week vacation in California.

Guests

Sunday Mr. and Mrs. Louis Pedersen were supper guests at the home of their son and daughter-in-law, Mr. and Mrs. Alfred Pedersen and daughters, Donna and Susan, of Edgebrook.

Miss Mary Toohey and Miss Laura Grothe were dinner guests at the home of Mr. and Mrs. Joseph Brandt and twin daughters, Nancy and Susan, last Wednesday evening.

Mr. and Mrs. William Grismer Jr. and family were Sunday dinner guests of Mr. and Mrs. Edgar Kirchhoff of Harvard.

Entertain

Mr. and Mrs. James Murphy and family entertained Mr. and Mrs. Howard Murphy and daughter, Kathy, of Evanston, and Robert Murphy of New Jersey Sunday.

Home for week end

Bill Utterback, son of Fred Utterback, was home on a four day pass from Brooklyn Navy Yard last week end. Bill, who is in the navy, is stationed aboard the Orikany and will probably leave for the Pacific area in May. Also visiting the Utterbacks this week end were Mr. and Mrs. Don Benson of Davenport, Iowa. Mrs. Benson, daughter of Mrs. Fred Utterback, is the former Laurel Lawbaugh of Arlington Heights.

Celebrate birthdays

Ruth Ann Stine, daughter of Mr. and Mrs. E. Stine, celebrated her eighth birthday March 31.

Mr. and Mrs. Julius Fuhr entertained Mr. and Mrs. Robert Gabel and family of Arlington Heights and Mr. and Mrs. John Gabel of Chicago in honor of their daughter, Mrs. John Gabel's birthday Sunday.

Mr. and Mrs. William Luehring and family and Keach Hayden spent Sunday in Ivanhoe where they helped Mrs. Luehring's niece, Miss Nina Shepherd, celebrate her sixteenth birthday.

Attend shows

Saturday afternoon and evening Miss June Pfingsten enjoyed the twelfth annual dog show at the International Amphitheatre and had dinner at the Sirloin room of the Stock Yard Inn in Chicago.

Monday evening Mrs. George Pfingsten, Miss Ellen Wilke and Mrs. Erna Siemro and daughter, Donna, had dinner at Kungsholm restaurant and later attended the ice show at the Arena in Chicago.

Retirement party

Mrs. Lenore Snook was guest of honor last Thursday afternoon at a luncheon at the home of Mrs. Larry Schwartz attended by her friends and neighbors in Arlington Heights. The luncheon was given to celebrate Mrs. Snook's retirement from the Clifton Paint Co. of Chicago, where she had been employed for more than 35 years. Mrs. Snook has been a resident of Arlington Heights for about 12 years. Guests at the luncheon included Mrs. Henry Tholen, Mrs. Fred Walter, Mrs. James Brown, Mrs. Myron Kuhlman and Mrs. Lester Bennett.

Sports enthusiasts

Fifteen members of Arlington Heights elementary schools and the Junior high school enjoyed indoor sports, such as volley ball, badminton and shuffleboard, at the South school gym Thursday evening.

Move away

Mr. and Mrs. Sears and family left Arlington Heights Monday to make their home in Elkhorn, Wis.

Well again

Donna Hartmann, daughter of Mr and Mrs. Donald Hartmann, returned to school after recuperating from the measles recently.

Stephanie Leth, daughter of Mr. and Mrs. Frank Leth, returned to school this week after recuperating from measles.

Miss June Pfingsten recuperated after being confined to bed with a high fever for several days.

Recuperating

Miss Lucille Hagman left St. Francis hospital in Evanston recently after undergoing an emergency appendectomy and is now recuperating at her home in DeKalb, Ill.

Ill

Donnie Kirchhoff, son of Mr. and Mrs. Herbert Kirchhoff, is confined to his home with measles at the present time.

Sympathy

Sincere sympathy is extended to Mrs. Neva B. McArdell whose brother died recently, and to Mrs. Harry Hoppe of Chicago, popular book reviewer in this area, whose mother died Monday.

Weekly recipe

Lemon Crumb Crunch is a dessert special! It is an out-of-this-world goody to please the most particular tastes. After you read the recipe, my guess is you will make it at once.

Lemon Crumb Crunch
Crumb Mixture

½ cup butter
1 cup light brown sugar
1 cup all-purpose flour
½ teaspoon salt
1 cup corn flakes or whole wheat flakes
½ cup shredded coconut

Cream butter and brown sugar together. Add remaining ingredients and mix well. Press 2/3 of mixture into 8-inch square cake pan. Cover with cooled lemon filling, top with remaining crumbs, and bake in moderate oven (350 degrees F.) for 30 to 35 minutes. Serve chilled, plain or topped with unsweetened whipped cream. Yield: 8 servings.

Filling

½ cup sugar
2 tablespoons flour
1/8 teapsoon salt
2 eggs, well beaten
1½ teapsoons grated lemon rind
1/3 cup lemon juice
1 cup hot water

Mix together thoroughly sugar, flour and salt; add hot water and mix well. Cook in double boiler, stirring constantly until thickened slightly. Stir small amount of hot mixture into eggs, return to remaining hot mixture, and cook 2 minutes longer, stirring constantly. Add lemon rind and juice; cool.

Bats in a building

According to zoologists, bats do not make nests. You can get rid of the bats in buildings by blocking all entrances and exits through which they may get in or out of the building. The nests may have been made by swifts or swallows, or they may be mud nests, made by some large insects.

To hold family style show tonight at high school

A family fashion review will be sponsored Thursday, April 3, by the Mothers' club of St. Peter Lutheran school in the old auditorium of Arlington Heights high school at 8 p. m.

Several of the fathers have been enlisted as models as well as the more traditional mothers and children.

The Emerald shop is providing the fashions for the ladies, with Arlington Bootery and Men's Wear showing the men's styles and men's and women's footwear. The Emerald shop will also feature its line of costume jewelry. Flaherty Jewelers will show their better jewelry.

Music will be included in the program, some of it offered by children from St. Peter Lutheran school, while the opening flag ceremony will be in charge of Explorer, Boy and Cub Scouts.

The mothers' home-baked cakes will be a feature of the refreshment hour following the showings.

Mrs. Ralph Moehling is chairman of the show with Mrs. Thomas Vidrick as co-chairman and Mrs. Eber Cline as ticket chairman. Tickets at $1 for adults and 35 cents for children may be purchased at the door or from any member. Proceeds will be used for the new activity building.

DRESSES for EASTER very low in price!

Diamond Dust
PURE WORSTEDS by CLIPPER CRAFT

Easy to see why the price is such a surprise! Clipper Craft's Diamond Dust Worsted really looks like more, *much* more. And "Diamond Dust" *makes you* look brighter and younger, thanks to the sparkling, contrasting tones woven right into the fabric. If you're weary of dreary worsteds, this is it. The Clipper Craft plan combines the buying power of over 1200 stores to keep the quality up and the price down!... That's why there's never a sale on a Clipper Craft suit. No doubt about it—dollar for dollar, this is the greatest suit value in America. Other worsteds $55.

FFA boys visit Wisconsin Allis Chalmers plant

The Future Farmers of America of Arlington Heights township high school with their instructor, J. D. Bryson, and the Koelper brothers, local Allis Chalmers dealers, took a trip to the Allis Chalmers plant at West Allis, Wis., March 19.

Here the boys saw the different steps in the manufacture of tractors, turbines and generators, and mill grinders for flour manufacturing. They were especially interested in seeing how tractors are made, starting with the rough pig iron and scrap and following right along with molding, dressing, machining, and assembling until the tractor was complete with a paint job.

The boys were surprised at the large size of some of the castings which are made for generating electricity. They learned that some of the equipment for Boulder Dam was manufactured in this plant and that equipment for other large projects was in the process of manufacture.

A trip of this sort is an annual project for the Future Farmers of America.

Scouts demonstrating techniques of first aid at District meeting held at South school, Arlington Heights March 21.

Artificial respiration is being demonstrated by Norb Sargent, Explorer Post 36, Prospect Heights, on patient, Larry Wilson, Troop 23, Mount Prospect, while, left to right, Robert Wikstrom, Troop 23, John Sheppard, Troop 36, and William Palmer, Troop 23, watch.

How to apply a splint to an injured leg is demonstrated by Joe Charles, Explorer Post Troop 53, Mount Prospect, while Dean Hedberg, Troop 36, Prospect Heights, applies a bandage for a head injury. Assisting are Alan Hutchinson, left, Troop 32, Arlington Heights, and Chuck Petersen, Troop 36. The patient is William Bradford, Troop 7, Arlington Heights. Community Camera

Area teachers hold dinner meeting

Area teachers held a curriculum dinner meeting March 31 at Arlington Heights high school. The meeting began at 5 p. m. with a special kindergarten teachers and area curriculum committee meeting in the library.

Dinner was served in the high school cafeteria at 6 p. m. Following the dinner teachers from various schools gave brief talks on how spelling should be taught at various grade levels. Russell Savage, principal of the Junior high school, served as chairman.

The lower grade level point of view was given by Miss Marjorie Lawrence, South school, Mrs. Sarah Frazier, Mount Prospect, and Mrs. Charlotte Anning, Prospect Heights.

The middle grade level was discussed by K. L. Busse, St. Peter Lutheran school, Mrs. Mabel Hinneberg, Elk Grove, and Jack Norris, Wheeling.

Spelling in the upper grades was discussed by Miss Mary Gaskins, Junior high, Martin Hasz, St. Pau Lutheran, Mount Prospect, and Robert Morgan, Mount Prospect.

The high school spelling techniques were pointed out by Mrs. Hazel Faulkner, of the commercial department, and Miss Hazel Beverly of the English department.

The April dinner meeting of the area teachers will be held Thursday, April 3, at the Junior high school. Officers for the coming year will be nominated.

Cold Month

January is normally the biggest coal-consuming month.

Water Sources

There are 2,300 lakes, ponds or reservoirs in New York state.

WSCS Lenten breakfast to feature noted speaker

A reading of "A Letter From Pontius Pilate's Wife," will be presented by Mrs. Eldon R. Kerner of St. Charles at a 9:30 a. m. Lenten breakfast April 8 at the Methodist church of Arlington Heights.

Before the Women's Society of that church, Mrs. Kerner will read this letter which was rewritten by Catherine Van Dyke from an old manuscript first found in a monastary at Bruges, where it had lain for centuries.

THE CONSORT of Louis XVI of France had this letter read every Good Friday before the court assembled at Versailles. In some of the communities of Europe, its reading follows the washing of the feet of the poor on Good Friday, in resemblance of Christ's washing of the feet of his disciples. A copy of the original letter was also found among the private papers of the late Tsarina of Russia and was given by her in trust to a friend to keep until the Tzarina expected to return from the fateful last journey to Tsarakoe, Selo.

Mrs. Kerner is known for her book reviews and monologues. She has been active in Little Theater work, particularly children's theater, having organized children's groups in Houston, Texas, and in Glenview, Ill. She will be introduced by Mrs. H. J. Gregg, soprano, program program.

Mrs. Elizabeth Frye Carr of Barrington will sing a group of vocal numbers.

HOSTESS chairmen will be Mrs. Francis Sweet and Mrs. Gloria Nelson.

Mrs. Maynard W. Whitelaw, president of the WSCS will preside at the business session of the organization.

Mrs. R. Robert Ismay will lead the devotions.

37 students initiated into National Honor Society

Thirteen juniors and 24 seniors were initiated into the James Scott chapter of the National Honor Society of Arlington Heights township high school in an impressive candlelight ceremony in the high school auditorium April 1. Parents of the honored students were invited to be present at the ceremony and to remain for a tea afterwards.

MEMBERSHIP in the National Honor Society is based on a record of outstanding scholarship, character, leadership, and service. Membership is limited to ten per cent of the senior class and five per cent of the junior class. To be elected to membership is regarded as one of the highest honors which a student may receive.

Newly elected members of the junior class are: Neil Barr, Bob Cummisford, Eunice Ewert, Judy Gregg, Paul Gustufson, Carrie Kadoyama, Norman Laubenheimer, Garwood Leckband, Barbara Maher, Dick McAuliffe, Bob Pearson, Patricia Ryan, and Ellen Weaver.

Newly elected members of the senior class are: Louis Barkhausen, Lois Blaschke, Audrey Hartwig, Gordon Iverson, Betsey Jarrett, Irene Kun, Mary Ann Luempert, Joan Lundstrom, Barbara Martin, Joan Mette, Lorraine Meyer, Marlene Modjeske, Lenore Paulmeyer, Diane Perry, Anita Petersen, Leigh Peterson, Barbara Ransdell, Julia Roche, James Stenborg, Joan Timmerman, Robert Virgil, Anita von der Fehr, Patricia Watkins, and Frances Zollner.

FORMER MEMBERS of the National Honor Society who, with their faculty adviser, Miss Ann Cox, had charge of the initiation ceremony, are Tom Cleaver, president; Joan Groth, vice-president; Frances Hubbard, secretary; Julie Hinds, treasurer; Barbara Arnold, Joan Bernthal, Erica Jung, Charles Knapp, Jay Vawter, Joan Winterbauer, Norma Whittington, and Martha Zepp.

Committee chairmen for the installation were Frances Hubbard, tea; Martha Zepp, faculty invitations; Barbara Arnold, invitations to new members; Joan Groth, invitations to parents, and Joan Bernthal, robes.

NEW VERSATILITY comes to the fashion fore for Spring '52. Here it is represented by a three-piece suit that includes a reversible vest which can be mixed or matched to other suits or even sports ensembles . . . checked rayon gabardine.

Red Cross starts aid to tornado victims

As the period of emergency mass care for victims of last week's southern tornadoes neared its close, the American Red Cross moved into high gear to rebuild the shattered lives and homes of the disaster sufferers.

For about three months more than 150 trained disaster workers now in the stricken region will help the hurt and the homeless, the orphaned, the aged, the widowed, and the ill.

Two categories of victims will receive special attention. One group will be survivors of the dead. Among these will be many dependent children for whose support and education the Red Cross will make plans where other resources are not available.

The other category is the seriously injured. This disaster has caused an extremely large number of injuries—1,281 persons—of whom 731 are hospitalized. In spite of expert care, a number will be physically handicapped, needing medical treatment for months or years, and assistance not only for their injuries but for their livelihood as well.

Schedule Christian Science lecture April 20

"Christian Science: The Principle and Practice of Divine Metaphysics" is the title of the free lecture on Christian Science to be given at Arlington Heights township high school auditorium April 20 at 3:30 p. m.

Robert Stanley Ross, C. S. B., the lecturer, comes from New York, N. Y., and is a member of the Board of Lectureship of The Mother Church, the First Church of Christ, Scientist, in Boston, Mass. Mr. Ross is speaking in Arlington Heights for First Church of Christ, Scientist, here.

In arranging for the lecture, the members of First Church of Christ, Scientist, Arlington Hts., believe they are providing a means for reaching many people with answers to frequent questions about Christian Science—what it teaches, how it heals, why thousands have become its adherents. An invitation is extended to the public to attend.

Presenting the Younger Generation

FRIDAY, APRIL 4, 1952

Little shadow

With this big smile and a request for a game of cops and robbers, we might well find young Joan Branson off with the gang for a rousing time.

Joan is a peppy 2½ year old, the daughter of Mr. and Mrs. L. M. Branson of 1005 N. Harvard, Arlington Heights. She has reddish brown hair, blue eyes and a desire to be one "of the boys." "She's hardly a girl," laughed Mrs. Branson "loves to be with and play all the boys' sports." Her favorite companion is Lynn, her 8 year old brother. When he is not attending the second grade at North school, Joan is sure to be near, ready for anything. Shooting guns has a much greater appeal than playing with dolls for this young lady.

Serafine sisters

Pictured next are two little members of Lullaby lane, officially known as Ridge st. This street acquired its nick-name because of its abundance of little folks. These little girls are Karen and Janice Serafine, daughters of Mr. and Mrs. J. Serafine of 37 S. Ridge, Arlington Heights.

Karen is 4½ years old and has dark brown hair and light blue eyes. Ice skating is the favorite sport of this young lady. She has been taking lessons at the Arena for one year, and is progressing nicely. Next fall the family will be residing in Mount Prospect where Karen will enter kindergarten.

Sister Janice with light brown hair and blue eyes, recently celebrated her second birthday. Playing with Karen is her favorite pastime.

Mrs. C. Serafine and Mr. and Mrs. John Strobel of Chicago are the grandparents of these youngsters.

Youngest of three

This pretty blonde and blue-eyed girl is Lynn Bradle. She is the 3½ year old daughter of Mr. and Mrs. Robert A. Bradle of 606 S. Dryden pl., Arlington Heights.

Lynn is the youngest of three children in her family. Barbara is 10 years old and in the fourth grade at the South school. Eddy is 7 years old and a first grader at the St. James school. With a sister and brother, Lynn finds there is never a dirth of playmates for her. Riding her bicycle is a favorite sport.

Mr. and Mrs. John Nofsinger of Washington, Ill., and Mr. and Mrs. J. D. Sutfine of Chicago are the grandparents.

Little lady

Pictured in today's representation of the younger folks is Deborah Dill, 3 year old daughter of Mr. and Mrs. Walter Dill of 526 S. Evergreen ave., Arlington Heights.

Deborah, who has light brown hair and blue eyes, like to play with dolls according to her mother. Betty, whose hair can be combed and brushed, is her favorite.

Highlight of Deborah's week is going to Sunday school. This little lady has two sisters, Barbara, who is 12, and Kathleen, 3 months old.

Mr. and Mrs. C. Townsend Allen and Mrs. Frederick Dill, both of Camden, N. J., are her grandparents.

Art League open house Sunday

The public is invited to an open house being held in connection with the Palatine Art League's third annual art show at the Oak street school, Palatine. The event will take place Sunday from 2 to 4 p. m.

The league is displaying paintings, drawings, and craft work done by professionals and amateurs from the entire area. The exhibit may be viewed any time during school hours, as well as at the open house.

Awards for the best entries will be made Sunday. Judging will be done by Miss Mary Lilien of the Art Institute, Chicago; Mrs. James Dow, art teacher at Barrington, and Dean Chipman, director of the Elgin Academy art gallery.

Dance to end season for ballroom students

Delores Eiler and her students, the seventh and eighth graders of Mt. Prospect, will culminate a season of ballroom dancing classes with a final dance April 4 at the Mt. Prospect grade school.

The theme of the dance will be centered around a night club, and special entertainment, floor-show-style, will be furnished by a few of the pupils of the Delores Eiler School of Dancing.

Kay Rask is scheduled to do a specialty surprise solo. Barbara Smith and Wanda Eakins will render their version of a "Flirtation" in modern ballet. Juanita Graves will present an acrobatic and baton twirling routine, and Ricky and Rusty Hurlburt, a sister and brother team, will end the show with "Blue Tango."

The seventh and eighth grades of Mount Prospect grade school have been meeting with Delores Eiler every two weeks for the past two years for this instruction in ballroom dancing.

Reservations available for Republican brunch

Reservations are still being accepted for the Easter Monday brunch of the Women's Republican club of the 13th Congrerssional District to be held April 14 at 11 a. m. in the Marine dining room at the Edgewater Beach hotel.

Mrs. Marguerite Stitt Church, congresswoman of the district, will be guest speaker; her topic, "The Word Today."

Reservations in Cook county may be made by written request to Mrs. Melvin Z. Bennett, 2234 Sherman ave., Evanston. Tickets are $2 per person.

Re-elect officers

At the last meeting of the Women's Auxiliary of St. John's Episcopal church, Mt. Prospect, officers were re-elected for another year.

The officers are: Mrs. Charles L. Johnson, president; Mrs. Arthur Skelton, treasurer, and Mrs. Alfred M. Hall, secretary.

Favorites for Flavor

By LOIS SEILER

Looking for something new, easy and inexpensive to make for your family's dinner tonight?

A delectable pork chop and corn casserole, followed by a fluffy refrigerator cake, is suggested by Mrs. Merle Holtz of 315 Park pl., Arlington Heights.

Mrs. Holtz concocted the casserole recipe herself. A finely chopped green pepper, cracker crumbs and one beaten egg are combined with a can of creamed-style corn. This mixture is spread over pork chops, and the casserole is placed in the oven and baked for an hour.

A seasoned bread dressing may also be baked under the crops, and you'll find that the pork chops will give the dressing a delicious flavor.

This dish is a meal in one — with its meat, dressing and corn —and certainly one that an economy-wise housewife will appreciate.

Another favorite recipe of Mrs. Holtz, who is a past-president of the local American Legion Auxiliary, is a refrigerator cake.

A spring form tin is lined with vanilla wafers, and a mixture of whipped jello and Milnot is poured into the tin. The tin is placed in the refrigerator overnight. When the cake is removed from the tin, it is frosted with whipped cream and sprinkled with vanilla wafer crumbs.

This light and delicate dessert is perfect to serve following a heavy meal and is wonderful party fare.

Pork Chops and Corn Casserole

1 No. 2 can of cream-style corn
1 beaten egg
1 green pepper chopped fine
Cracker crumbs

Combine the corn, egg, pepper and enough cracker crumbs to hold the mixture together. Spread on top of pork chops and bake one hour or until pork chops are done.

Refrigerator Cake

1 pkg. cherry jello
1 cup hot water
1 cup sugar
1 can Milnot
Dash of lemon juice
Vanilla wafers
Whipping cream

Combine the jello, sugar and hot water and let congeal, but not set. Whip the Milnot and the congealed jello, and beat them together. Add dash of lemon juice.

Line bottom and sides of spring form tin with vanilla wafers. Pour the above mixture into tin. Let stand in the referigerator over night.

Remove from tin, frost with whipping cream and sprinkle with vanilla wafer crumbs.

Station WMAQ hails 30th birthday; tower in Bloomingdale in '35

Hurrying pedestrians on State street back in April 1922, probably didn't even notice something new had been added to the skyline of the Fair store. Between the smokestack and the water tower on the roof was stretched a flimsy device of wire that swayed and flapped in the wind.

It's probable that even fewer Chicagoans were tuned in on broadcasting history when Station WGU's first infant holler went out from that makeshift antenna atop the Fair store, April 12, 1922. WGU, later to become WMAQ, Chicago's oldest radio station, officially went on the air the following evening, April 13, with a special musical program featuring a galaxy of entertainment stars of the day.

THE STATION, then owned by the Fair store, began operations with a modified radio transmitter originally designed for ship to shore code work on a frequency of 833 kilocycles and supposedly 250 watts power. Actually, about 100 watts was the loudest the infant could shout until several months later when its power was upped to a whopping 500 watts. It was about this time that the call letters became WMAQ, because of similarity between WGU and WBU, a station owned by the city of Chicago.

WMAQ first was owned jointly by the Fair store and the Chicago Daily News, then in 1923, the newspaper became sole owner and the studios and transmitter were moved to the LaSalle hotel and the station was assigned its present spot on the dial—670. At first this frequency was shared with WQJ, operated by the Calumet baking powder company, but in 1927 the Daily News purchased WQJ and consolidated the operation, giving WMAQ a clear channel.

IN 1928 WMAQ's transmitter was moved outside the city to Elmhurst, and its power increased to 5,000 watts. A year later new studios were opened in the Daily News building where the station's headquarters remained until it was acquired by the National Broadcasting Company in 1931. Chicago's first network broadcast was President Harding's address from San Francisco in 1923 aired by WMAQ from the lines of a network set up by the American Telephone and Telegraph company. Two years later WMAQ aired commercial programs as part of a 22-station network for the Victor phonograph company.

In 1927 WMAQ carried programs originated by NBC and for a short time also was affiliated with CBS. November 1, 1931, the station was purchased by NBC, and several months later studios and offices were moved to the 19th and 20th floor of the Merchandise Mart.

In 1935, WMAQ's transmitter was established at its present location, on Army Trail road near Bloomingdale, and the station's power was increased to the maximum 50,000 watts.

Television is old stuff to WMAQ. The station got in its first licks in this new medium 'way back on August 27, 1930, with an experimental telecast to about a dozen receivers in Chicago.

Baptisms

Marshall Blum

Marshall Keith Blum, son of Mr. and Mrs. Myron Blum of 615 S. Evergreen ave., Arlington Heights, was baptized March 23 at St. Peter Evangelical Lutheran church, Arlington Heights. Rev. Luther V. Stephan officiated.

Mrs. Melvin Moehling of Huntley, Mr. and Mrs. Clarence Moldenhauer of Palatine and Mrs. Henry W. Moehling of Arlington Heights were the baby's sponsors.

In honor of the occasion 24 relatives and friends were served dinner at the Blum home.

Barbara Starke

Barbara Janet Starke, daughter of Mr. and Mrs. Wolf Starke of N. State rd., Arlington Heights, was baptized Sunday at St. Peter Evangelical Lutheran church. Rev. Luther V. Stephan officiated.

Mr. and Mrs. John Starke of Evanston were the little girl's sponsors. A family dinner was served following the ceremony.

Widens Field

The extension of radio engineering, with its application in radar, television and control units, has increased the wide field of uses for malleable nickel.

Elk Grove Home Bureau

The Elk Grove unit of Cook County Home Bureau met March 26 at the home of Mrs. Embert Wille. Co-hostesses were Mrs. J. Oltrogge, Mrs. L. Pohlman and Mrs. V. Pohlman.

The lesson on planning good meals when meat is high or scarce was given by Mrs. Claradehl Upham, home adviser.

Fifteen members of this unit attended the eleventh annual meeting of the Cook County Home Bureau March 5 at the Congregational church in LaGrange. After the meeting and a ham luncheon, interesting "Topper Talk" was given by Mrs. Lloyd White of Kansas City, Mo.

The next get-together will be a "come-as-you-are" breakfast in April.

Easter Monday is date of annual card party

The annual Easter Monday card party sponsored by St. James Catholic Women's Guild of Arlington Heights will be held in the basement of the new church April 14 at 8 p.m.

Social highlight of the year for this organization, the card party will feature entertainment by the Four Hoarsemen, a male quartet, and other attractions. Refreshments will also be served.

Tickets at $1 may be secured from any member or at the door the evening of the card party.

Stork Feathers

Mr. and Mrs. Thomas Knaack of Arlington Airport, Arlington Heights, are parents of a daughter, Catherine Alta, born March 26 at St. Joseph hospital, Elgin, weighing 9 pounds 12 ounces. The baby has a sister, Susan Lynn. Mrs. Catherine Daven of Arlington Airport, Mrs. Herman Schaeffer and Peter Knaack, both of Des Plaines, are the grandparents.

Mr. and Mrs. Loy White of Rand rd., Arlington Heights, are parents of their first child, Teri Jean, born March 23 at St. rFancis hospital, Evanston, weighing 6 pounds 14 ounces. Her grandparents are Mr. and Mrs. Clark White, also of Rand rd., Arlington Heights.

Mr. and Mrs. James Henning of Madison, Wis., became the parents of a son March 16. The baby has been named James Henry. His paternal grandmother is Mrs. Ethel Henning of Arlington Heights, who is a third grade teacher at the North school.

Parents of their first child, a son, Clark Edward, are Mr. and Mrs. Henry Bending of Des Plaines. The baby was born March 13 at St. Francis hospital, Evanston, and weighed 7 pounds. Mrs. Bending is the former Lois Clark of Arlington Heights. Mr. and Mrs. Louis Clark of Arlington Heights and Mr. and Mrs. Henry Bending Sr. of Des Plaines are the grandparents.

Mr. and Mrs. Paul Kreft of S. Plum Grove rd., Palatine, are parents of a son, James Allan, born March 30 at Sherman hospital, Elgin, weighing 7 pounds 9½ ounces. The baby has a brother, Donald. Mrs. Herman Kreft and Mr. and Mrs. Herman Peterson, all of Palatine, are the grandparents.

Parents of their second son are Mr. and Mrs. Robert MacKnight of 609 Oriole lane, Prospect Meadows. The baby, who has been named John, was born March 28 at Evanston hospital. He has a brother, David. Mrs. MacKnight writes a column from Prospect Meadows for this publication.

MANY LITTLE capelets on spring dresses remind one of fashions plucked from old albums. One of these new spring suit-dresses is made of crisp suiting fabric of Celanese acetate with a flared skirt and snugly fitted jacket that has three-quarter length sleeves. A bright red petticoat accompanies the skirt to match the red lining of the cape. Note, too, the pussycat bow—it's a spring fashion.

Tell betrothal

Mrs. Anna Stoeckel of Arlington Heights announces the engagement of her daughter, Marjorie, to Charles Gilly, son of Mr. and Mrs. Dan Gilly of Barrington.

The wedding will take place May 31.

The bride-elect is employed at the Jewel Food Store in Arlington Heights, and Mr. Gilly is an employee of the Dean Milk Co.

Doloris Funk becomes bride of Richard Scheer

Bak photo

Immanuel Lutheran church, Palatine, was the scene March 29 of the wedding of Miss Doloris A. Funk and Richard J. Scheer, son of Mr. and Mrs. Raymond Scheer of Palatine. The bride is the daughter of Herbert C. Funk and Mrs. Lillian E. Gieseke, both of Palatine.

Rev. Hilmar Th. Rosenberg officiated at the 7 p. m. ceremony. Miss Ruth E. Hayford sang "Because" and "The Lord's Prayer," accompanied by Mr. Leimer at the organ. White snapdragons decorated the altar.

The bride, given in marriage by her uncle, Alfred Zuelsdorf, wore a white ballerina length gown and carried a bouquet of red roses outlined with white carnations. Her fingertip length veil was held in place by a lace coronet headpiece.

Mrs. DaraLeen Severson, sister of the bride, was the matron of honor. She wore a ballerina length lavender gown and carried a bouquet of yellow carnations.

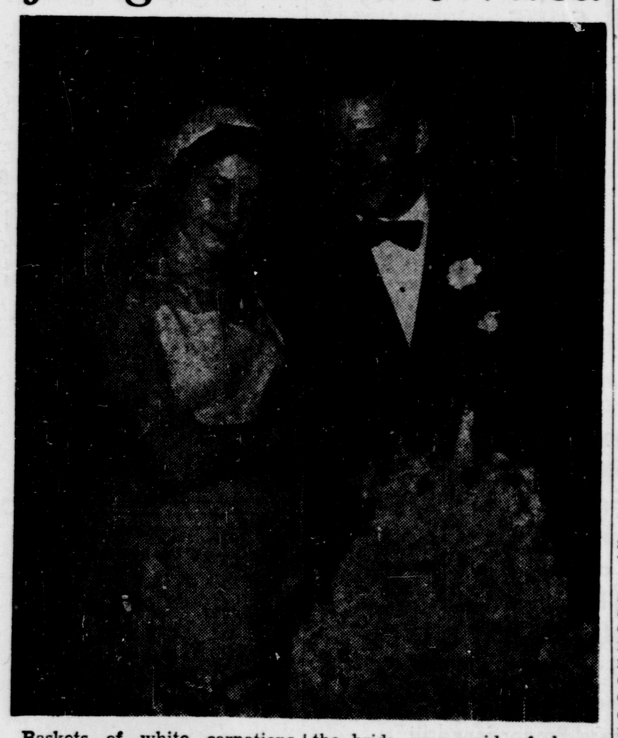

Miss Dolores M. Scharringhausen and Miss Joan Blanco were the bridesmaids. They wore yellow and blue ballerina length gowns respectively and carried bouquets of red carnations.

Lester Johnson was best man. Donald Kincaid and Robert Cole were the ushers.

A reception for 300 guests was held at the Palatine Legion hall following the ceremony.

Following a two week honeymoon in Florida the couple will stay with the groom's parents until their apartment is ready for occupancy.

Suzanne Schuett and George Schuman Jr. wed

Baskets of white carnations, snapdragons and candelabra decorated the sanctuary of St. Paul Lutheran church, Mount Prospect, when Miss Suzanne M. Schuett became the bride of George F. Schuman Jr. March 22.

The bride is the daughter of Mr. and Mrs. Henry C. Schuett of Wheeling, and the groom is the son of Mr. and Mrs. George F. Schuman of Arlington Heights.

Rev. J. E. A. Mueller officiated at the 7:30 p.m. double ring ceremony. Mrs. Ruth Kirchhoff sang "Because" and "The Lord's Prayer" accompanied by E. Jackisch at the organ.

For her candlelight wedding the bride wore a ballerina length gown of white chantilly lace over nylon net. Her tulle fingertip veil was held in place by a cap of white chantilly lace embroidered with seed pearls. She carried a white orchid surrounded by ruffled carnations and stephanotis.

Miss Elizabeth Schuett, sister of the bride, was maid of honor. She wore a ballerina length gown of champagne taffeta and carried a bouquet of tea roses. Her sequin cap was also fashioned of champagne net.

Miss Donna Phillips, cousin of the bride, Miss Virginia Long and Miss Carol Dempsey were the bridesmaids. They wore ballerina length gowns of dusty blue taffeta and dusty blue net caps trimmed with sequins. They carried bouquets of yellow roses.

Joseph Olles was best man. John Ballog, Albert Henderson, Charles Ringstrand and Jim Lee, all fraternity brothers of the groom, who is a student at Northwestern university, were ushers.

Immediately following the ceremony a reception and buffet supper for 350 guests was held at the Mount Prospect VFW hall.

Following a short honeymoon at Norfolk Reservoir, Ark., the couple are now making their home with the bride's parents on Milwaukee ave., Wheeling.

HOME OWNERS' QUESTION BOX

Q—What kind of shingles should be used on a roof with a very steep pitch?

A—All styles of asphalt shingles are suitable for a roof with a rise of 4 inches or more to each horizontal foot. Strip and individual asphalt shingles are made in a variety of shapes and colors. The variety of shapes enables the home-owner to pick out the pattern that will add most to the attractiveness of his dwelling. Attractiveness can also be increased by judicious choice from among the many solid and blended colors available.

Q—What makes a plaster ceiling fall?

A—Plaster falls because it gets wet. Water softens plaster, and soft plaster loses its grip on the lath. The water can come from a leaking roof or a leaking pipe. Because water can work its way unseen through the walls, its source is often far from where it appears.

Q—What is the best way to repair the crack where a concrete basement floor has pulled away from the wall?

A—Widen the crack to form a wedge-shaped groove. Pack the groove with a stiff mortar made of one part cement and three parts sand.

Q—How can a crack in cast iron be repaired?

A—With iron cement, which is sold in hardware stores. This comes as a powder and is mixed with water to form a thick paste.

Church choir to present Lenten Cantata

The choir of the First Presbyterian church of Arlington Hts. will present DuBois' Lenten Cantata, "The Seven Last Words of Christ," at 8 p. m. April 9 in the sanctuary of the church.

Soloists of the evening will be Walter Daube, tenor, John McComb, baritone, W. R. Pownall, tenor, Ernest Robb, baritone, and Mrs. J. A. H. Zimmerman, soprano. Mrs. Richard Lull will be at the organ and Mrs. Harold Gore, at the piano. The choir is under the direction of Miss Roberta King.

The seven last words of Christ, which are sentences spoken, are: "Father, forgive them, for they know not what they do. Verily, thou shalt be in Paradise today with me. See, O woman! here behold thy Son beloved. God, my Father, why hast Thou forsaken me? I am athirst! Father, into Thy hands I commend my soul. It is finished!"

The public is invited to attend this hour of worship through music as a part of personal spiritual preparation for the celebration of Easter.

Shoo with Blue

Blue window frames ward off flies, according to a Spanish superstition.

In the Shadow of + + + The Steeple

by William O. McGill

"Strike up the band! See the conquering hero comes!" True, he comes as a peaceful overlord; but see his subjects as they go to meet him with song and shout.

What matter the condition of the city he enters? What matter if the hearts of his subject have been full of deceit and disloyalty? The king is coming and we shall make every demonstration possible to let him know that he is welcome.

"There are moneychangers in the temple." Theirs is a respected and honorable business. They pay their taxes; they take part in the Temple worship. There isn't anything wrong with those fellows, they're fine men.

"THERE IS corruption in the government?" Oh no, not really. True, the governor is a weak soul who jumps for any pressure group that presses him. You might think that there was corruption when you see the way in which one man in government helps another. Sometimes there seems to be some minor injustice, but—do you know—the only people who ever suffer are those who would not recognize fair treatment when they get it. Like that screwball who lived in the desert, until he was arrested, and then happened to get himself killed in jail.

"There is no real desire to serve this leader we welcome?" How can you say that? Have we not taken the time to come here, to sing and shout for him? What more should he expect. He's getting a lot more than we give to some of these political appointees. He has a popular following. This is the largest affair we've thrown in the streets since we had that little civil war in the dictators. We're putting on a show for this boy!!

"He doesn't appreciate having a show put on!" Well, believe you me, brother, if that little guy from the north doesn't know how to appreciate the plush carpet and ticker tape reception we give here in the big city—HE CAN GO TO GOLGOTHA!

Auto producer

Michigan leads the world in production of automobiles.

Eastwood spring dance

Obviously pleased with Eastwood's first annual spring dance plans, member of the ticket committee collectively sigh with relief as Henry A. Wallace, dance general chairman, right, points out that sales are rapidly approaching the limit. Committee members include, left to right, Mrs. Dorothy Raasch, Del Berrick, Ticket Chairman Mrs. David Shaughnessy and Mrs. Grace Hollinger. The Northside Arlington Heighters' dance will be held Saturday night at the Mt. Prospect Country club.

Woman's club to close year with luncheon, style show

The climax of the year's activities of the Arlington Heights Woman's club is the annual spring luncheon, which this year will be held April 29 at the Medinah Country club in Itasca at 1 p. m.

With spring already so apparent, feminine minds just naturally turn to thoughts of clothes. so the logical and papular form of entertainment on this occasion will be a fashion show. The latest fashions in millinery will be presented from the shop of Betty-Lu Hoskins, Marshall Field Annex, Suite 814, 25 E. Washington st., Chicago. The newest in co-ordinated ensembles will be from the Martha Dress shop, 1031 Lawrence ave., Chicago. Woman's club members will be the models.

MEDINAH COUNTRY club, which is under new management and has recently been undergoing some refurbishing, is an appropriate setting for this function. Mrs. Joseph Miller, general chairman of the luncheon, has announced that the decorations in the ballroom, where the luncheon and fashion show will be staged, will be carried out in the springlike official colors of the Woman's club, pink and green.

The country club is easily accessible by car and may be reached by going south on State rd., Arlington Heights, to Irving Park rd., turning right and continuing west for about a mile and three-quarters to the main entrance. There are ample parking facilities on the beautiful club grounds.

This is the one Woman's club function in the entire year's program which is open to non-members. Tickets are $2.75, and may be purchased from the following members:

Mrs. R. E. Drechsel, 205 W. Willow rd., Prospect Heights, telephone 3279; Mrs. Frank Kroll, 326 Derbyshire lane, 414-W; Mrs. John Lindstrom, 824 S. Beverly lane, 2226; Mrs. Frank Menzel, 834 Harvard ave., 1409-R; Mrs. Joseph Miller, 402 S. Belmont ave., 187-J; Mrs. Stanley Myers, 805 N. Dunton ave., 654-M, and Mrs. William Trude, 801 S. Dunton ave., 1941-J.

All reservations must be in by April 25.

Kappa Kappa Gamma alumnae to meet

Alumnae of Kappa Kappa Gamma in the northwest suburban area will meet April 8 at 1:30 p.m. at the home of Mrs. Albert M. Meyer, 101 Hillside ave., Prospect Heights.

An alumna, Mrs. Walter W. Meyer of Arlington Heights, will talk on her experiences while serving with the women's army corps.

Mrs. Philip S. Harper, president of the Chicago Intercollegiate association of Kappa Kappa Gamma, will be a guest at the meeting.

Delta Gamma alumnae

Delta Gamma alumnae of the northwest suburban area will meet April 7 at the home of Mrs. Donald F. Reed, 118 Gerald ave., Park Ridge, at 8 p. m. Those interested in attending are asked to contact Mrs. Samuel Farone at Mt. Prospect 916-M.

(AM

Modern Etiquette

Q. Is it proper for women to shake hands with each other when being introduced?

A. Women may or may not shake hands with each other, as they prefer. Unless the one who is about to offer her hand is certain that it will be agreeable, she will do well not to be too hasty about making this advance.

Q. If individual salt and pepper shakers are not used on the dinner table, how many should be provided?

A. Salt and pepper shakers should be placed between every two covers.

Q. When a girl is introducing the man she is to marry, should she speak of him as her fiance?

A. Yes.

Q. Are postscripts to letters considered in good taste?

A. Only when absolutely necessary. Usually they indicate haste and carelessness in the composition of the original letter. To be in best taste, one should take pains to include everything he wishes to say in the body of the letter.

Q. We have a son who is named for his grandfather. My husband is not a "junior." Does my son bear the name of John Robert Smith II or III?

A. Your son is John Robert Smith, Jr., and he retains the "Jr." only so long as his grandfather is living, dropping it thereafter.

Q. Is it the duty of the person who is pouring tea to put the sugar into the guest's cup?

A. Yes; but she should ask how much sugar is desired.

Q. Does good form demand that an announcement of an engagement be made promptly?

A. Yes. This may be done by sending a notice to the newspaper, or by issuing engraved announcements to friends and relatives, or by means of an announcement party for the close friends and relatives.

Q. How does a married woman identify herself over the telephone to a woman acquaintance, as, "Mrs. Johnson" or as "Mary Johnson?"

A. Usually as "Mary Johnson," unless you feel that the other person cannot properly identify you as other than "Mrs. Johnson."

Q. My father has a heart ailment, and we don't want to risk any emotional excitement of having him walk up the aisle with me at my wedding and standing up in front to give me away. If someone else were to do this, wouldn't it look strange to some of the guests who don't know the circumstances?

A. You can walk alone,as many brides do, and have your father merely rise in the front pew to give you away.

About Your Health

The birth of a child into a family should mean great happiness and usually it does. Frequently, however, the child will bear some blemish that brings heartache and grief to the family. Parents blame themselves and this is wrong.

Just why these blemishes or birthmarks occur is not known, but, as the late Dr. William Allen Pusey observed: This is just a part of the skin that does not build according to specifications.

Frights or other fears belong in the old "wives tales" handed down through the years. That they are responsible for any marking of the baby before birth cannot be proved in any medical experience. Perhaps the myth could be exploded, if one realized that if these birthmarks resulted from any such beginning, few children would be born today without some such sign of strain or stress. Indeed, instead of showing such fancied signs as spiders or strawberries, they would reveal cowcatchers, airplane wings or automobile wheels.

Today, there is no need for children to carry these so-called birthmarks. In the hands of a competent physician the removal of the blamishes is assured, particularly when the child is young. When treatment is begun early, there is usually less scarring and less disfigurement.

SINCE THE blemishes appear in different forms such as growths, with dark and roughened surfaces and excessive hair patches, the treatment is an individual problem. The location of the mark is also a consideration. For example, if it is near the eye, care must be taken not to impair the sight.

Cauterization, radium and carbon dioxide snow are some of the procedures that may be utilized in the treatment of birthmarks.

Surgery is frequently employed and special methods may be needed according to the individual problem

Parents should be alert to the care of birthmarks. Frequently, some are of tne type that disappear in time without treatment, but it is not wise for a parent to make this decision himself.

A CHILD, who is otherwise normal, is unfortunately and through ignorance of others, apt to develop certain emotional problems, if the mark is not removed. A child should be given every opportunity to meet competition on a sound basis. Again there is the danger of some blemishes, such as certain types of moles, developing into malignant growths.

Parents of children born with so-called birthmarks should remember that they are not at fault. This is a theory based on superstition and conjecture and has no scientific basis.

They should, however, make every attempt to seek competent medical advice so that the treatment for the removal of the blemish can be started early. Marked improvement can be effected by the proper choice of treatment. This is true particularly today, regardless of the extent or location of the birthmark, whether it be an unusual distribution of skin pigment or whether it be an abnormal growth of blood vessels which cause the disfigurement.

Gems of thought

GENEROSITY

He who is afraid of being too generous has lost the power of being magnanimous. The best man or woman is the most unselfed. —Mary Baker Eddy

If there be any truer measure of a man than by what he does, it must be by what he gives. —Robert South

Generosity invents even a cause for giving. —Publilius Syrus

JUST DOGS

by DAVE TERRILL

International show

When the great International Kennel Club ended its 12th annual all-breed show last Sunday evening it was found that not only was the record for the greatest number of dogs entered surpassed but also from a local standpoint there were more Best of Breed winners than ever before.

From over Northbrook way the champion bulldog "Samson's Souvenir," owned by Mr. and Mrs. A. R. Glass of Dundee road, went on to win top honors for the breed by bringing home one of those "Best of Breed" ribbons.

ANOTHER BB winner was the great dane "Evanger's Tigress of Regnave" owned by the Fred Evangers of Wheeling, who by the way have been raising some of the top Great Danes in the country. Still another best of breed was won by the perky little Cairn Terrier, "Tam Glen of Killybracken" owned by Jean McConnell of Northfield, Ill.

To the Weimaraner champion "Dorn V. Haimberg," owned by Mrs. Gladys L. Desort of Quintens rd., Palatine, also went one of the coveted ribbons as "Best of Breed."

Mr. and Mrs. John D. Minton of Arlington Heights also walked off with a best of breed ribbon with their Irish Setter, "Ch. Capt. Redcoat of Devon." He won over "King Size," winner the previous week in the Madison Square Garden show in New York.

THE SHOW itself had over 2000 entries with around 78 of those entries coming from this area which in itself was also a rather fine showing. The Carrvale Kennels of Palatine, owned by Dr. H. J. Carr, had 6 dogs entered, the largest entry by any one owner in the area. Also of note was the fact that all of the six groups of dogs recognized by the American Kennel Club had entries from here, something which has very seldom occurred.

The "Best Dog In Show" award was made to a two and a half year old Scottish Terrier "Ch. Edgerstoune Troubadour," owned by Dr. and Mrs. W. Stewart Carter of Buechel, Ky.

One thing of interest to all and which really brought down the house was the exhibition of sheep dog herding put on Sunday afternoon and evening by Mr. Arthur Allen, who came up from southern Illinois with two of his top sheep herding dogs and gave many a spectator a good lesson on just how well a dog can be trained to do some useful thing. One of the dogs has been a national sheep-herding champion for many years winning the award at the yearly trials held in the west for this event.

OTHER THINGS of interest were, of course, the indoor field trials which this year brought a record entry of over 60 dogs and which saw some mighty fine sporting dogs competing for honors in the event. The obedience trials of course held the interest of many and also proved of value to those who had never seen obedience dogs being worked in such an event.

When the show ended Sunday evening around 11 p. m., after running for two days, Saturday, March 29, and Sunday, March 30, it was found that somewhere between 28 and 30,000 people had attended the event all of whom were interested in one thing and that was pure-bred dogs.

Waves seek college graduates for duty

Navy is now accepting applications for commissions from women who will graduate from college in June. This is being done in order that the processing of application may be started before the students graduate from college. Lt. Staub further announced that applications are being accepted from women who have graduated from college and are between the ages of 21 and 27.

Application forms and further information may be obtained by calling or writing Lt. Helen Staub at the navy recruiting station and office of naval officer procurement, 844 N. Rush St., Chicago.

ARE YOU IN A COLOR RUT?

Many folks are. They've lived with the same color scheme for years, wary of changing it for fear of making a mistake. Fashions in color scheming change frequently, and a room that's left always the same is apt to become dated. You can give your room an entirely new personality if you . . .

USE COLOR IN SHARP CONTRAST . . .

or in a muted monotone—whichever your personal taste dictates. One way to make your room distinctively YOUR OWN is to use color unexpectedly. Like painting the inside of the entrance door and ceiling the exact color of the sofa. Choose a color that contrasts sharply with walls and plays up furnishings.

If you have a color problem, or any decorating problem for that matter, we'll be most happy to help you any way we can. So come in and let's have a chat about YOUR home planning . . . anytime.

It's a good idea to select your basic pieces first, then build your color scheme around them. We have a wide selection of sofas in today's wanted colors . . . that will "key" distinctive color schemes.

Introduce a color contrast into your home with one of our new lounge chairs. Modern or Traditional designs in a variety of rich vibrant colors.

We are constantly adding to our stocks of carefully chosen furnishings . . . each piece selected to fit into today's scheme of living. Lovely, easy-to-live-with pieces that will give years of wear and service. Select your new pieces and replacements from our wide selection of sizes and styles.

AS FEATURED IN VOGUE

WEAR IT rain or shine is the theme of newest storm fashions. And the large checked coat, above, is typical . . . a blend of orlon and wool.

Nursery catalogues can be a big help to home owners

Don't let those new spring nursery catalogs, with all their attractive pictures, sell you plants you don't really want or need!

H. R. Kemmerer, extension landscape specialist at the Illinois college of agriculture, says nursery catalogs can be a big help in planning your spring landscape improvements and selecting the right plants. But they have to be used wisely.

Here are some ways in which you can make the catalogs work for you:

Order catalogs from several nurseries, including a local one, to get a good cross-section of the many ornamental plants available.

BE SURE each plant you order will grow in your locality. Before you select any plants, decide where you want them and what purpose they will serve.

After you have selected the locations for the various plants, check the soil, exposure, or other growing conditions in these spots. Most catalogs include lists of plants adapted to certain conditions. Or you may find the information you need in the description of the plant itself.

Finally, check the descriptions of height, shape and season of bloom of each plant to make sure it is adapted to the use you want it to serve. Cross off your list the ones which will not suit the location or the purpose you have planned. From there on, choosing the right plants for the right places is easy.

Jesuit Explorer

Rev. Anderson Bakewell, S. J., of St. Louis, was one of the first white men ever to explore the south side of Mount Everest, Nepal-Tibet, highest peak on earth.

SHE'S ALL DRESSED UP for a spring birthday party in her beruffled and lace trimmed dress of eyelet imported batiste and cotton broadcloth. The round collar and full skirt are accented by a standing ruffle.

Fill out-of-way places with closed-in cabinets

Out-of-the-way corners make excellent locations for closed-in storage cabinets. They are readily planned by fitting the cabinet to the space available and then making a simple framework of 1 by 2-inch lumber, spaced not more than 16 inches apart. To the framework nail some Masonite tempered hardboard, a smooth-surfaced panel 3/16" thick which is long-wearing and moisture resistant. Close the cabinet by installing swinging doors, made in the same manner. Doors not over two feet high may be the sliding type, set in channels above and below. For these, use unframed pieces of the tempered hardboard. Bore holes for door pulls or bolt on the conventional kind. Prime and enamel or paint the cabinet to suit the surroundings. Leading manufacturers of kitchen cabinets use masonite hardboards, too.

Snow shoveling is made easier when a coat of paraffin is rubbed on the shovel to keep the snow from sticking.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

I was talking with a high ranking officer in the army who's job it is to inspect government weapons in a number of army camps, and he told me a horror story that literally scared me to peace! It was an awful thing to hear him tell what our armed forces could do to an enemy in another all out war. It was even more awful to hear what the enemy could do to us, assuming that they had the same or equal weapons, which is the only safe thing to assume. Among other things, he told me that cannons were becoming obsolete and radar controlled rocket shells which will be used in another war, will always strike a target if it comes into the relatively large field of the radar beam sent out from the rocket's sensitive radar controlled nose. And that is only one of the things he told me that made the hair on the back of my neck stand up like that of a dog smelling a skunk!

I have decided that I want no more war. And I have decided that no matter how much it costs in billions of dollars to buy friendship of other nations, or strengthen the economies and military force of our allies, brother it is worth it!

For the first time in the history of the human race, mankind is trying to build up a feeling of love and friendship between the nations of the world. The leaders of enlightened nations of the globe have at long last realized that it is only a matter of time before nations will be able to destroy themselves in case of war. They are willing to start practicing the doctrine of love laid down by Jesus nearly 2,000 years ago, and for you and me, even though we do not have to foot the bill, it is the most fortunate thing that could have happened to us. It seems strange and puzzling indeed that out of hatred and fear, love is being born, even forced upon us, for our own self preservation. Enlightened mankind, driven through hate and fear to find new and more terrible weapons of defense and attack, has reached a blind alley. We must go on, perhaps for many decades, preparing to destroy other nations and building up defenses against our own destruction, but here, today and now, we must choose between eventual destruction—or love!

It is no longer a question of whether we want to do it or not. It is a must! Nations suffering from starvation and disease, must be put on the road to plenty through teaching and material aid. Insane oportunists such as Stalin and Hitler must be destroyed, and the nations of the world carefully and continually scrutinized, lest others arise in their place to scourge the world. Love, generosity, mutual trust and understanding between nations must triumph, or we die.

A man starts out to make his
own from infancy, it seems—
He's different from womenfolks,
and when he's in his 'teens,
He struts and talks with screaming voice, he shouts and makes
it known
That soon he will be twenty-one,
and strictly on his own!

He goes through school, and has
his dreams of wife, and his
own home—
And how he'll lay the law down,
like an emperor in Rome;
But when he takes the girl out
to a movie or a dance,
She only has to look at him to
make him bow, or prance!

And after he is married, he will boast of what he'll do—
But, unless his wife O.K.s it, he will seldom see it through;
So, although the man's accepted as the legal house's head,
He's really just provider of his wife and children's bread!

You can't beat the combination of a mother and a wife—
The first one rules him early, and the other all through life.
So after all is said and done, you really have to say,
Yes, "the hand that rocks the cradle," still "rules the world" today!

IT'S A MORE FEMININE outlook for casual wear this spring. Take, for example, the slim all-around plaited skirt and short sleeve cardigan sweater ornamented with an embroidered crest on the pocket and gold buttons, shown above. The skirt is rayon and nylon, and the sweater, spun nylon.

Circus at Stadium

The Cole brothers circus—with an all new show—is coming to town. The famous show will open at the Chicago Stadium April 18 and play through Sunday May 4, with two performances daily except Monday.

At present the great Cole Brothers show is in winter quarters in Peru, Ind., where the elephants, horses, lions, and other animals of circus lore have spent their winter. Chicago will be the first stop on their nation wide tour.

Joseph SPIESS Company

ELGIN'S LEADING DEPARTMENT STORE

Bright Outlook: Navy for Spring

. . . . in FROCKS with a Dashing Air!

$19.95 and up

Churches hold confirmation services Palm Sunday

Three Arlington Heights churches, Faith Lutheran, St. John Evangelical and Reformed and St. Peter Evangelical Lutheran church, will hold confirmation services Palm Sunday, April 6.

The solemn rite of confirmation will be administered by Rev. Edgar H. Behrens at Faith Lutheran church at 10:45 a.m. The solemn vow will be made by the following: Judith Ahmer, Margaret Anderson, Earl Behrens, Robert Behrens, Ann Carlson, David Catherwood, Joan Fischer, David Kaspar, Bruce Kilbury, Leonard Piotter and Leanne Witt.

CONFIRMATION services will be held at St. John Evangelical and Reformed church at 10:30 a.m. The following children will confirm their faith in Christ and be received into the membership of the church by the solemn rite of confirmation: Dennis Alten, Harry Alten, Roger Boeger, Michael Moudry, Roger Simon, Jane Elizabeth Bray, Margaret Ann Duenn, Mavis Louise Prehn and Carol Ann Trost. Parents, sponsors, relatives and friends are invited to attend the service.

Thirty-two children will be confirmed Sunday at St. Peter Evangelical Lutheran church by Rev. Luther V. Stephan, pastor, at 10:45 a.m. Members of the class will sing three selections, the processional, the recessional and the class confirmation song. The girls will be robed in white, and the boys in black. Donald Hermann, director of music, will be organist.

THOSE WHO will be confirmed are: Irene Wanda Aurnhammer, Margaret Susanna Berg, Anita Alma Beyer, Evelyn Geraldine Blume, Dennis Owen Brockmann, Robert Busse, Dale Theodore Clausing, Donald Dennis Drewes, Beverly Jean Engelking, Roger Earl Engelking, Carolyn Inez Fick, Wayne Haemker, Barbara Jane Hamann, Nona Mae Heidorn, Gerald Harry Holznagel, Robert Leroy Johnson, Reinhold William Krambeer, Roger Lawrence Kreft, Karen Lacina, Terry Wyatt Luster, Wayne Robert Malzahn, Norman Mell, Mary Lou Adeline Mittelsteadt, Kenneth Neal Niebuhr, John Pfingsten, Joel Eugene Pollard, Doris Alice Rudolph, Howard Kenneth Schnell, James Wayne Service, Gloria Marie Stephan, Richard Stocking and Judith Lynne Tubbs.

Arlington man new board chairman of mangement firm

Leo J. Sheridan was elected chairman of the board of directors of the real estate, management and financing firm of L. J. Sheridan & Co. Thursday, and Raymond M. Sheridan was named to succeed him as president of the company.

The relinquishment of certain administrative responsibilities will enable him to devote more time to personnel consulting and advisory activities, to the initiation and development of new projects, and to a more intensive body of industry and real estate conditions in other cities throughout the country, Leo J. Sheridan said.

There is an opportunity to bring to Chicago the main or regional headquarters of many large companies not adequately represented here now, Sheridan said. He said he will devote a greater amount of time to the development of the 80 acre area owned by the Illinois Central railroad east of Michigan ave., and north of Randolph st.

Sheridan represented the Prudential insurance company of America in negotiating the purchase of land and air rights from the Illinois Central for the new Prudential Mid-America home office building for which plans are nearly complete. This was the first negotiation brought to a successful conclusion for commercial development in this lake front area, regarded as one of the most valuable underdeveloped tracts in the downtown district of any American city.

Mr. Sheridan resides at 1130 Patton ave., Arlington Heights.

Dr. Macy to speak at union service Good Friday

Featured speaker at the Good Friday union services at St. John's Evangelical and Reformed church, Arlington Heights, will be Rev. Paul Griswold Macy, D. D., well-known instructor, speaker and theologian.

This union service, sponsored by the First Methodist, the Presbyterian and St. John's Evangelical and Reformed churches of Arlington Heights, will be held at 8 p. m.

Dr. Macy, a leader in the ecumenical movement for Protestant unity, will speak on "The Church Confronts the Cross." Dr. Macy was on the staff of the American Committee for the World Council of Churches from 1939 to 1948, first as secretary for education and promotion throughout the United States, then as director of the midwest region.

He was also director of ecumenical education for the International Council of Religious Education. He originated and edited the World Council Courier from 1942 to 1948.

In 1948 he served as consultant at the first assembly of the World Council of Churches at Amsterdam. He offers courses on the ecumenical movement for theological seminaries at more than five leading religious institutions.

Lutherans hold Good Friday services in loop

Missouri Synod Lutheran church will hold services from noon to 3 p. m. Good Friday in the Grand Ballroom of the LaSalle hotel, LaSalle and Madison sts., Chicago.

These services are held every year on Good Friday

Mrs. Faulkner attending business education confab

Mrs. Hazel Faulkner, head of the business education department of Arlington Heights Township high school, will attend the convention of the Illinois Business Education association to be held at the Congress hotel April 3, 4, and 5.

Mrs. Faulkner, who is the president of the Chicago Business Education association, will be hostess at the Thursday afternoon session. A panel discussion will be held on "Today's Problems in the Teaching of Business Subjects."

Friday morning's panel will be composed of six business teachers from various high schools in Illinois who will discuss "What I Am Doing in My Class." An afternoon panel will discuss the pros and cons of "Are the Youth of Illinois Prepared for Their Business Life?"

Obituaries

Mary Lorden

Funeral services were held April 1 for Mrs. Mary Lorden, nee McNulty, late of 169 S. Bothwell, Palatine, at St. Theresa Catholic church, Palatine, at 10 a. m. Interment All Saints cemetery. Tharps funeral home was in charge of arrangements.

Mrs. Lorden died March 29.

Surviving are four children, Mary, James, Robert and Raymond, and a sister, Miss Francis McNulty. Her husband, Jeremiah, preceded her in death.

Theodore Smiley

Theodore Smiley, 71, late of Kensington rd., Arlington Hts., died March 27 at St. Joseph hospital, Elgin. Funeral services were held Sunday, March 30, at Black's Memorial Home at 2:30 p. m. Rev. R. Robert Ismay officiated. Interment Memory Gardens.

Mr. Smiley was born May 7, 1880, in North Dakota. He married the late Mrs. Smiley December 18, 1906, in the Baptist church in DeKalb, Ill. Following their marriage they made their home in DeKalb, where they resided for 22 years. They moved to Arlington Heights in 1928.

He leaves four children, Mrs. Julia Skelley of Chicago, Percy of Palatine, Willard of Arlington Heights and Le LaMoth of Libertyville, and two grandchildren. His wife preceded him in death in 1948.

Carl J. Kerber

Carl J. Kerber, 61, late of 408 S. Mitchell ave., Arlington Hts., died March 27 at Women's and Children's hospital, Chicago.

Mr. Kerber was born December 25, 1890, in Germany. He married Edith Hoyt October 12, 1939. He was a sewer contractor.

Surviving are his wife, Edith; a brother, Max Kerber, and two sisters, Mrs. Alma Kuecker and Mrs. Bertha Kufke, both of Des Plaines.

Funeral services were held March 29 at 3 p. m. at Lauterburg and Oehler funeral chapel in Arlington Heights. Rev. William F. Kamphenkel officiated. Interment Randhill Park.

Thomas Coleman

Funeral services will be held Thursday, April 3, for Thomas John Randal Coleman, 26, late of 1916 Mayfair rd., Arlington Hts., at St. James Catholic church, Arlington Heights, at 10 a. m. Rev. Richard Rosemeyer will officiate. Interment All Saints cemetery. Lauterburg and Oehler funeral home, Arlington Heights, is in charge of arrangements.

Born April 25, 1925, in Cork, Ireland, Mr. Coleman was a veteran of World War II and served as an ensign in the navy. He attended Notre Dame university, the University of Pennsylvania and Harvard university. A member of the American Legion, Merle Guild Post, he was office manager of the Precise Tool and Dye Co. in Chicago. He died in Sherman hospital April 1 as the result of injuries sustained in an automobile accident.

Surviving are his parents, Thomas F. and Florence M. Coleman of Arlington Heights; a sister, Mrs. Florence Muskat, and a brother, John Randal Coleman.

CARD OF THANKS

With deepest gratitude we extend this word of thanks for the many kind acts of sympathy expressed by thoughtful friends and neighbors. These kindnesses have meant much to us.

Mr. and Mrs.
Harry G. Tharp
Mr. Karl S. Putnam
and family

CARD OF THANKS

May we take this method of thanking our neighbors and friends for their kind expressions of sympathy in our bereavement. These expressions have been deeply appreciated.

The family of
Ted Smiley.

(A*

IN MEMORIAM

In memory of our dear husband and father who died a year ago April 3.
He bid no one a last farewell
He said good-bye to none.
His loving heart had ceased to beat,
Before we knew it, he was gone.
He did not fail to do his best;
His heart was true and tender,
He worked hard for those he left.
And ever will be remembered.

Loving wife,
Mary Ann Waznik
and son John.

Mildred Martin

Mrs. Mildred Martin, nee Burgess, late of 827 Kasper ave., Arlington Heights, died March 28 at St. Francis hospital, Evanston.

Mrs. Martin, 42, was born November 22, 1909, in Minooka, Ill. She married Robert Martin in Chicago. She was a member of the First Presbyterian church of Arlington Heights.

She leaves her husband, Robert; a daughter, Gail; her father, Irving Burgess of Minooka; three brothers, Maurice of Joliet, Harvey of Chicago and Willard of Morris, and one sister, Mrs. Martha Horton of Minooka.

Funeral services were held Sunday at 4 p. m. at Black's Memorial Home. Services were also conducted at 2 p. m. Monday in Joliet. Rev. C. Victor Brown officiated. Interment Plattville Lutheran cemetery, Kendall county.

John Martin

Funeral services for John "Jack" Martin, late of 818 Lakeside pl., Chicago, will be held Friday at 9 a. m. from St. Thomas of Canterbury church, Lawrence ave., just off Sheridan rd., Chicago. The body will lie in state until time of services at Lain Brothers funeral chapel, 5501 N. Ashland. Interment will be in All Saints cemetery.

Jack was born March 12, 1922, in Chicago. Prior to his marriage seven years ago he resided with his parents, Mr. and Mrs. John E. Martin, 1305 N. Dunton, Arlington Heights. He was a graduate of Arlington Heights high school and was employed at the time of his death as a radio technician with WGN. He died suddenly Monday at Michael Reese hospital.

Survivors include his wife, Helen; parents, Mr. and Mrs. John E. Martin, two brothers, Robert and Donald, and one sister, Marilyn, all of 1305 N. Dunton, Arlington Heights.

In Pacific

The early birds always catch the worms, and carrier air group five has always made it a point to be early, having been the first navy air group to fly against the North Koreans, with such men as Lt. (jg) Joseph C. Mayer, USN, of 1305 N. Dunton ave., Arlington Heights, and husband of the former Miss Vesta M. Lawson of Canon City, Colo.

Members of carrier air group five, currently serving aboard the aircraft carrier USS Essex, recently arrived in Hawaii on their way home to San Diego after nine months in Korean waters on their latest tour of action in the Far East.

At the outbreak of the Korean war, carrier air group five was based aboard the aircraft carrier USS Valley Forge, and was the first navy air group to fly against the North Koreans. They were also the first air group to initiate the Navy Panther jet in combat.

In Korea

In Korea since November 26 is Earl Kerschke of Arlington Heights. He entered service May 25, 1951. His address is Sgt. Earl L. Kerschke, US 55167330, Btry C, 936th FA Bn, APO 301, % PM, San Francisco, Calif.

In Virginia

Now stationed at Fort Lee, Va., is Cpl. James Rowader of Prospect Heights, a member of the quartermaster corps honor guard. Jim is shown above saluting the Mt. Prospect Herald, which he receives regularly, enabling him to keep up with the home town news.

In Connecticut

Gordon D. Pate, 22, son of Mr. and Mrs. Willard H. Pate, of 411 E. Rockwell st., Arlington Hts., was one of 76 commissioned Friday with the rank of ensign, U. S. coast guard reserve, after successful completion of an intensive four month course at the coast guard academy at New London, Conn.

A graduate of Arlington Hts. township high school and Iowa State college, Ames, where he received a bachelor of science degree and was elected to Delta Upsilon fraternity, the young officer enlisted Nov. 27, 1951, and qualified immediately for admission to reserve officer candidate school.

Following a short leave, Ens. Pate will report for his initial assignment to active duty.

Home from Korea

Cpl. Herbert Luehring, son of Mrs. Albert Schumacher of 17 N. Dwyer, Arlington Heights, is home on a 30-day furlough after spending 10 months in the army in Korea. At the end of his furlough, April 23, he will report for duty in the states.

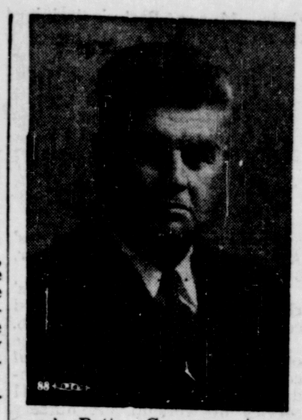

Enlists

Enlisting in the air corps from the Elgin recruiting station at 98 S. Grove ave., is Leo H. Herbst, 512 W. Campbell, Arlington Hts.

State Treasure Hoffman Strong Candidate For

Elmer J. Hoffman, Wheaton, is one of three men seeking the Republican nomination for state treasurer in the primary election Tuesday. He has been able to secure the support of many groups who seek to evaluate political candidates objectively.

AMONG THESE ARE: Chicago's Better Government association, the Chicago Daily News, the New Trier township Republican Women's club, the Evanston Young Republicans, Illinois Republican Women Volunteers and the Northfield township Republican organization.

Hoffman, who served with the heavy artillery in France during World War I, was elected sheriff of DuPage county in 1938 and again in 1946. One of the founders of Little league baseball in the county, he assumed the duties of chairman of the DuPage Republican Central committee in 1949.

HE HELPED ORGANIZE the Illinois Sheriff's association in 1938 and has been president of the second appellate court district organization of county chairman since 1950. He is also currently second vice-president of the Illinois Republican County Chairmen's association.

Secretary of State candidate a friend of suburban towns

Senator Charles F. Carpentier, candidate for the nomination for Secretary of State, is generally conceded to be far in the lead for the office, but he isn't getting overconfident, and is concluding his speechmaking with at least 3 meetings a day in Cook and Lake counties.

Throughout the 84 counties that the aggressive legislator has appeared he has impressed the voting folks with his splendid record in the Senate the past 14 years, and as Mayor of East Moline for 5 terms. Not only that, he is a successful businessman.

Cook county taxpayers are indebted to him for the great cooperation he gives our own Senator Arthur J. Bidwell. The two are affectionately known by their colleagues in the legislature as Mr. and Mrs. Senate, for both carry on an aggressive campaign for constructive legislation without regard for personal interests.

Fighting prosecutor Republican candidate for attorney general

J. Roy Browning of Evanston, who seeks the Republican nomination for attorney general of Illinois in the coming primary election is campaigning on a platform of stamping out the corruption and scandal now rampant in the state government.

"The laws are adequate and can be enforced," Browning says, "to stop this corruption and to punish the guilty."

Browning is an experienced lawyer, successful prosecutor and successful businessman. He was graduated from the University of Illinois and admitted to the bar in 1920, when he became legal secretary to Supreme Court Justice Warren W. Duncan.

Joined Senator in 1932

He practiced law in Marion, Williamson county, until 1932, when he joined Otis F. Glenn, then U. S. senator from Illinois, in a law firm in Chicago. He later established the firm of Browning and Parkin, of which he is now senior partner.

Browning was elected state's attorney of coal-mining Williamson county, known as "Bloody Williamson," in 1928.

Climaxing a long series of lawless episodes involving the rival Birger and Shelton gangs and the Ku Klux Klan, a state highway policeman and his wife were kidnapped and murdered. Browning assembled the evidence and prepared the indictments.

Estimated reserves

The nation's recoverable lignite reserves are estimated at 356 billion tons.

Refuse to sign peace pact with Japan

Three nations—the Soviet Union, Poland and Czechoslovakia—refused to sign the Treaty of Peace with Japan, Sept. 8, 1951.

Statement to the Voters

Corruption and scandal in the State Government are now rampant. Some corrupt state officers have been exposed, but few have been punished.

New scandals are coming to light every day.

Failure to enforce the laws has brought tragedy in the coal mines, dangerous health conditions in the food rackets and millions of dollars of revenue loss in tax forgeries. This corruption should be stopped. The guilty should be punished.

The laws are adequate and can be enforced. This will not be done until the people elect an Attorney General who has the experience and ability to do the job — and the unshackled desire to do it.

If elected, I shall recruit a task force of honest young lawyers to assist me in administering this important office of Attorney General. I will vigorously enforce this state's laws and protect the rights of its citizens. I will see to it that there is no treachery in high places.

I believe that my record as a state prosecutor, attorney, businessman and lifelong Republican merits your consideration.

CHRISTIAN SCIENCE CHURCHES

That freedom from bondage, mental, moral and physical, is man's inalienable and divine right, will be explained in all Churches of Christ, Scientist, on Sunday, April 6. The title of the Lesson-Sermon is UNREALITY.

The Golden Text is from Ecclesiastes (5: 7) "In the multitude of dreams and many words there are also divers vanities: but fear thou God."

Bible selections (King James Version) in the Lesson-Sermon, include these passages:

"Woe unto them that call evil good, and good evil; . . . Woe unto them that are wise in their own eyes, and prudent in their own sight! . . . But speak thou the things which become sound doctrine . . . In all things shewing thyself a pattern of good works" (Isa. 5: 20, 21; Titus 2: 1, 7).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"God is not the creator of an evil mind. Indeed, evil is not Mind. We must learn that evil is the awful deception and unreality of existence. Evil is not supreme; good is not helpless; nor are the so-called laws of matter primary, and the law of Spirit secondary . . . The Christianly scientific man reflects the divine Law, thus becoming a law unto himself" (pp. 207, 458).

Next Sunday the youth's class will be confirmed. There will be but this service and it begins at 10 o'clock.

Sunday school will be omitted that all may attend the church service.

Choir rehearsal Monday evening.

Adult confirmation class will meet Wednesday instead of Tuesday; this week only.

On Tuesday, announcements for Holy Communion will be received at parsonage. The celebration of Communion will be held in German on Maundy Thursday evening at 8 o'clock and on Good Friday evening also at 8 in English. Preparatory service will begin at 7:45 each of those evenings.

Easter services at 6 and 10:45 in English and at 9:30 in German.

Easter breakfast will be served in the school by the Walther Leaguers and the PAD club after the sunrise service. All invited.

COMMUNITY PRESBYTERIAN CHURCH
Mount Prospect
Meeting in the Prospect theatre, N. Main st.
Marshall R. Olsen, minister
509 S. Main, telephone 1283-J

Sunday:

9:45 a. m.—Church of Youth, juniors and junior high.

11 a.m.—Kindergarten-primary and nursery. Both sessions in the Band room of Central school across the street from the theater.

11 a. m.—Palm Sunday worship service in the theatre. The sermon theme, "The Increasing Procession." Scripture lesson: John 12:9-19. "The Palms" will be sung by the choir. New members will be received into the church. Children will be presented for Christian baptism. The communion of the Lord's Supper will be celebrated for the first time in this congregation, and the Elders will serve for the first time at the Lord's table. The new communion service vessels will be dedicated. At this significant service all members are expected to be present, and all people who desire to worship are invited.

The Presbytery of Chicago met at the Ravenswood church where Elder Louis Nye was the representative from the church.

Thursday, April 3, 8 p. m., at the home of Mrs. D. P. Finney, members of the afternoon circles will hold a business meeting. At 9 p. m. the executive committee of the Women's association will have its meeting.

The Easter worship service at 11 a. m. will feature an anthem by the choir, and a special musical feature to be announced next week. "Easter Splendor" will be the Easter sermon theme. The floral decorations will give an excellent background for the service. The Church of Youth will join in the service in place of their 9:45 a. m. study period. Provision for the care of young children will be provided.

Friendly call

One of the friendliest towns on Australian air routes is Deniliquin, in New South Wales. As soon as the regular aircraft approaches the airport, the local radio station gives a good-morning call to the aircrew. As it takes off again, the announcer plays any recording that may be asked for by the air hostess in a call back to the studio.

What to look for if you want a better 1½-or 2-ton truck

"Our Dodge 2-ton models have done a remarkable job for us."
. . . says S. W. TANNER
Veteran's Gas and Service Co., Pueblo, Colorado

"In all-'round satisfactory performance, dependability and economy, our Dodge 'Job-Rated' 2-ton trucks have done a remarkable job for us.

"In fact, one truck has 80,000 miles on it, and the only replacement has been a new jet in the carburetor. That's economical maintenance you just can't beat!

"My partner, Eric Samuelson, swears by Dodge, too . . . says our 2-ton trucks handle just like a passenger car."

Look first for the truck that best fits your job!

Look for strong, rugged load-*carrying* units—frame, springs, axles, wheels, and others—engineered to provide the strength and capacity you need. Look for load-*moving* units—engine, clutch, transmission, and others—engineered to meet the most severe operating conditions.

Look, too, for a powerful engine, easy steering, short turning ability, and extra payload capacity.

You'll get all these advantages when you choose a Dodge "*Job-Rated*" 1½- or 2-ton truck.

Yes, look for the best in a 1½- or 2-ton truck, and you'll find it in a Dodge. Come in today.

Big Power at a Saving. Dodge "*Job-Rated*" 1½- and 2-ton trucks feature a high-compression 109-h.p. engine. For outstanding economy, you get 4-ring pistons, chrome-plated top rings, and other advantages.

Exceptional Handling Ease. Champion Truck Roadeo contestants choose Dodge "*Job-Rated*" trucks because you can cut sharper, maneuver easier, park faster—thanks to wide front tread and short wheelbase.

Fast Delivery Work. There's a 5-speed transmission available on most models for higher road speeds—greater pulling power. And low loading height simplifies the job of loading and unloading.

See us today for the best buy in low-cost transportation...

Arlington Heights Combined Waterworks and Sewerage System Ordinance Effective May 1, 1952

AN ORDINANCE PROVIDING FOR THE MANAGEMENT AND REGULATION OF THE COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE VILLAGE OF ARLINGTON HEIGHTS AND ESTABLISHING RULES AND REGULATIONS FOR THE GOVERNMENT OF WATER CONSUMERS AND SEWERAGE SYSTEM USERS AND OTHERS AND ESTABLISHING RATES AND CHARGES AND LICENSE FEES FOR PLUMBERS.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ARLINGTON HEIGHTS IN THE COUNTY OF COOK AND STATE OF ILLINOIS AS FOLLOWS:

Section 1. That all consumers of water furnished by the Village of Arlington Heights shall pay for same according to the following rates and charges where meters can be permanently set:

For the first 5000 gallons, 45c per thousand gallons;
For the next 5000 gallons, 45c per thousand gallons;
For the next 10,000 gallons, 40c per thousand gallons;
For the next 10,000 gallons, 35c per thousand gallons;
For the next 10,000 gallons, 30c per thousand gallons;
For the next 10,000 gallons, 25c per thousand gallons;
For all over 50,000 gallons, 20c per thousand gallons.

The foregoing rates are for water consumed during a period of three months or a fraction thereof for each individual consumer and in no case shall the charge be less than $2.25 per quarter or fraction thereof.

The President and Board of Trustees shall appoint or designate a water and sewer rental collector, referred to in this ordinance as the Collector, who shall perform the duties imposed upon such Collector by this ordinance and such other duties as may from time to time be delegated to him by the President and Board of Trustees, such Collector so appointed or designated may be an officer or appointee of the Village performing other duties as an officer or appointee of the Village. The term of office of such Collector shall be fixed by said President and Board of Trustees and said President and Board of Trustees may by resolution provide for a salary or compensation of such Collector.

In case any meter fails to register properly, the Collector shall make an estimate of the water used during the period of such failure based upon the average quantity registered by such meter during the preceding like periods. No allowance shall be made for leakage.

All water rates, assessments and rents shall be due and payable quarterly and the Collector may divide the Village into three districts of approximately equal water consumption, staggering the quarterly collection periods for the three districts in order to spread or equalize the billing and other work connected therewith over each annual or twelve-month period. The boundaries of such districts may be changed from time to time as population or water consumption therein may change.

If the water rates, assessment or rents and the sewer rentals or charges hereinafter provided for are not paid within ten days after the date when the same are due, there shall be added thereto as penalty and collected with the amount due, ten per cent of the amount so due. If the entire amounts so due, whether for water rates or sewer rentals or both, including the said penalty, are not paid within twenty days after same are due, the Collector shall at once order the water shut off and the meter taken out of the premises of the person so delinquent and the water shall not be turned on again until all arrearages, together with a charge of Five Dollars ($5.00) for shutting off and turning on the water and resetting the meter are paid. Where the water is shut off temporarily at the request of any consumer and the meter is not removed, the consumer shall pay the regular minimum rate of $2.25 per quarter.

All water used for which rates and methods of measurement are not specifically provided for shall be estimated by the Superintendent of Water Works, if one shall have been appointed separately or by the Superintendent of the combined water works and sewerage system of the Village, and assessed at the rate of Sixty Cents per thousand gallons or fraction thereof with a minimum charge of not less than $3.00. Whenever practicable, a meter shall be used as a basis of estimate.

Section 2. That there be and there is hereby established a system of rates or charges for the use and service of the sewerage system of the Village of Arlington Heights. Such rates or charges shall be based upon the amount of water supplied to the user by the municipal water works system as shown by the quarterly water meter readings. All users of such sewerage system shall pay a minimum charge of $1.50 per quarter or fraction thereof and in addition thereto 10c per thousand gallons upon the amount of water supplied by the municipal water works system to the user during such quarter.

All water rates and sewerage charges or rentals shall be billed on the same quarterly statement but as separate items.

In the event a lot, parcel of land, building or premises discharges into the sewerage system sewage or other wastes which, in the opinion of the president and Board of Trustees contains unduly high concentrations or any substances which add to the operating cost of the sewerage disposal works, then the President and Board of Trustees may elect to establish special rates or charges for such premises based on the quantity and character of these substances, which rate or charge may be established in such a manner as the President and Board of Trustees may determine.

Sewer rental charges for properties and premises having private water supplies shall be fixed by the President and Board of Trustees by resolution or resolutions adopted by the Board of Trustees when application is made for such service. Such rate or charge shall be a flat charge unless the owner or occupant of the premises served shall install a suitable water meter in which event the rate shall be as fixed in the first paragraph of this section. The owner or occupant of any such property and premises presently connected to the sewage system of the Village shall upon the taking effect of this ordinance, make application to the Collector for a permit for the use of such connection, which permit shall be issued without any charge. If such owner or occupant shall not make application for such permit within thirty days of the effective date of this ordinance or if after making such permit shall fail to pay the sewer rental charges in the manner prescribed by this ordinance, it shall be the duty of the Superintendent in charge of the sewerage system to disconnect such service.

In the event a lot, parcel of land, building or premises located outside of the Village limits discharges into the sewerage system, the President and Board of Trustees shall establish special rates or charges based on the quantity and character of the effluent from such premises.

All special rates herein authorized to be established by the President and Board of Trustees shall be established by resolution or resolutions adopted by said President and Board of Trustees.

In the event the charges for water and for sewerage service are not paid within the time provided by this ordinance, such charges shall be deemed and are hereby declared to be delinquent and thereafter such delinquency shall constitute a lien upon the real estate for which such service is supplied, and the Village Clerk of the Village of Arlington Heights be and he is hereby authorized and directed to file sworn statements showing such delinquency in the office of the Recorder of Deeds of Cook County and in the office of the Registrar of Titles of Cook County in such cases where the property involved is registered under the Torrens System, and the filing of such statement shall be deemed notice of the lien of such charges for such services.

When this ordinance becomes effective, a copy thereof properly certified by the Village Clerk shall be filed in the office of the Recorder of Deeds of Cook County and in the office of the Registrar of Titles of Cook County, and it shall be deemed notice to all owners of real estate within the Village and owners of real estate outside of the Village served by said system, of their liability for water and sewerage service supplied to any occupant or user of such service of their property.

Section 3. The President and Board of Trustees at the beginning of each fiscal year shall appoint a Superintendent of Water Works and a Superintendent of the Sewerage System or they may combine the duties of both such offices and appoint a Superintendent of the combined water and sewerage system of the Village. Such appointees or appointee shall hold office for one year from the date of appointment and until his successor is appointed and qualified. He may be removed at any time by the Board of Trustees with or without cause. He shall give bond in the sum of $1,000 conditioned for the faithful discharge of his duties. The compensation shall be fixed by the Board of Trustees from time to time. He shall preserve and protect the property of the Village falling under his jurisdiction and shall be the general executive officer of the office to which he is appointed. He shall supervise and direct the laying of all pipes and facilities in the streets, alleys and public grounds of said Village; inspect all plumbing in any way connected with the system; have charge of the making of all connections for private use; he shall keep a complete and accurate record of all taps and connections made with the system under his jurisdiction, their exact location, number and size, the length and size of service pipes and extensions and the location of shut-off boxes and other fixtures falling within the jurisdiction of his office and coming under his supervision. He shall furnish to the Collector a true copy of said records and shall at all times keep the Collector informed of all work done in connection with the water system or sewerage system or the combination thereof as soon as said work is completed. He shall make and submit to the President and Board of Trustees at the end of each year or whenever directed so to do by said Board, a report in writing showing the condition of the system under his jurisdiction and such other information as may be proper or ordered by the Board of Trustees. If directed by the Board of Trustees so to do he shall act as engineer of said water system or said sewerage system, as the case may be, or of the combined water and sewerage system and perform such other duties as said Board may prescribe from time to time. He shall furnish to the Collector quarterly readings of all meters within the several collection districts connected with said system, and when so directed by the Board of Trustees or the Collector shall turn on or shut off the water and shall perform such other duties as may be required of him by the President and Board of Trustees.

Section 4. The President and Board of Trustees may appoint an engineer or engineers who shall have direct charge of all the machinery, appliances and appurtenances of the water system and sewerage system and make all necessary repairs in connection with the same.

Section 5. All applications for connections with the water system and sewerage system shall be presented in writing to the Collector who shall issue permits as hereinafter provided. He shall keep an accurate account with each consumer of all water used. He shall also keep an accurate record of all taps and connections made with such systems and shall submit to the President and Board of Trustees, monthly or oftener if requested so to do, a statement in writing of all taps and connections made since his last report. It shall be his duty to collect all water and sewer rates or rentals and other money due the Village on account of said combined water and sewerage systems, and on the last business day of each month he shall pay to the Village Treasurer all moneys in his hands received by him on account of said water and sewerage system. He shall keep such books and records as are necessary clearly and correctly to show all moneys received by him on account of said water and sewerage system and from whom received and when, and the disposition that is made of the same, taking a receipt which shall be kept on file as part of the record of his office for all moneys paid out by him. At each first regular meeting of each month he shall submit to said Trustees a written report of all moneys received and paid over by him for and on account of said water and sewerage system which said report shall be filed by the Village Clerk. All records, books, papers and memoranda specified by the ordinances of this Village to be kept by the said Collector shall be the property of the Village and shall at all times be open and subject to inspection and examination by the President and Board of Trustees and it shall be the duty of said Collector to submit the same and all of them to the Board of Trustees at any time upon request. Said Collector shall instruct the Superintendent to shut off the water supply from any consumers who are for any reason delinquent or who have violated any of the rules, regulations or provisions of any ordinance that may be at any time adopted relating to said water and sewerage system. It shall be the duty of the Village Treasurer to receive all moneys paid to him by the Collector on account of said water and sewerage system and deposit that part of such receipts representing revenue derived from the operation of the combined water works and sewerage system in the "Water Works and Sewerage Fund" created by an ordinance entitled "An ordinance authorizing and providing for the issue of $730,000 water works and sewerage revenue bonds of the Village of Arlington Heights, Cook County, Illinois, for the purpose of defraying the cost of improving and extending the combined water works and sewerage system of said Village, prescribing all the details of said bonds and providing for the collection, segregation and distribution of the revenue of the combined water works and sewerage system of said Village for the purpose of paying the cost of the operation and maintenance thereof, providing for an adequate depreciation fund therefor and paying the principal and interest of said water works and sewerage revenue bonds," passed and approved by the President and Board of Trustees on the 5th day of November, 1951 and shall administer said water works and sewerage fund in accordinace with the provisions of said ordinance.

Section 6. All applications to connect service or supply pipes and house connection sewers with the system shall be made to the Collector upon forms to be furnished by said Village and shall be signed by the applicant. Said applicant shall state the size and the location of the tap required, the size of the service pipe to be used or the size of the sewer connection to be made, and a description of the property to which said pipe or pipes are to be laid and the location where the meter is to be placed. Said application shall contain an agreement on the part of the applicant that he or she will fully comply with all the rules and regulations, conditions and provisions of any ordinances or resolutions relating to the water system and sewerage system and will pay and discharge when due all water rates, sewer rates, assessments and rentals and all fines and penalties assessed, charged or imposed against said applicant on the property described in said application. If said applicant shall fully conform to the provisions of all ordinances relating to said combined water works and sewerage system or any part thereof and the applicant shall have paid all fees and charges required to be paid, then the Collector shall issue a written or printed permit granting the applicant the right of connection with the distributing mains or the sewerage system in accordance with the terms set forth in the application. No water shall be turned into any service or supply pipe nor into any premises nor shall any sewer connection be made to any premises without the written permit of the Collector and no such permit shall be issued until all fees have been paid which the ordinances of the Village shall require. Such permit shall be presented to the Superintendent in charge of the work to be done under such permit who shall, where such permit relates to water, turn on the water to the premises therein described.

Section 7. No consumer shall be supplied with water from the Village system until a meter shall be set and ready for use except in cases where it is impractical to set a meter and in such cases the use and consumption of water shall be governed by the ordinances of the Village. All meters used in connection with said water system shall be supplied and installed by the Village and shall be and remain the property of the Village. The actual cost to the Village of furnishing and installing each meter shall be paid by the person ordering the same immediately upon the installation and before the water is turned on and the actual cost of keeping such meter in repair shall be paid by the person upon whose application such meter was installed or by the owner or occupant of the premises as soon as the billing therefor is presented. The person upon whose application any meter is installed or the occupant and owner of the premises where installed shall be liable for any breakage by freezing or otherwise or any loss or damage to said meter in any way except by ordinary use and wear, and the cost of making good such damage or loss shall be paid by the person upon whose application such meter was installed or by the occupant or owner of the premises where installed as soon as a bill therefor is presented, and the amount thereof shall be a lien against the premises upon which said meter is located to the same extent and with the same effect as water and sewer rates.

Section 8. Before a permit for the use of water shall be issued where meters cannot be conveniently used, the person applying for the same shall deposit the sum of $10.00 with the Collector as payment on account of water to be used by him. On or before 30 days from the date of the permit, the person to whom such permit is issued shall file with the Collector a statement in writing verified by his affidavit showing fully the purpose for which the water was used by him for that time and the amount and location of all work done by him during said time in connection with which any water was used or required. The Collector shall ascertain from said statement and other information the amount due for the water so used. If the amount so found to be due, together with all other fees and costs chargeable against such person is less than the sum deposited, then the surplus shall be paid to the depositor. If the amount due for water so used is more than the sum deposited, then the excess shall be paid at once to the Collector by such person. If such person desires to continue to use the water after he shall have filed his statement, he shall again deposit $10.00 with the Collector and shall continue to make such deposits thereafter and in the same manner as is provided herein with respect to the first deposit, and the method of determining the amount of water used and the charge for same and the other provisions respecting the first deposit shall be as hereinbefore provided.

Section 9. Water consumers, users of the sewerage system, licensed plumbers and others shall be governed by the following rules and regulations, which are hereby established.

1. All work done in the streets and alleys or public places of said Village, in connection with the water and sewerage system shall be done in a thorough and workmanlike manner and under the supervision and direction of the Superintendent and subject to his approval.

2. No connections shall be made with the said system without proper permit from the Collector.

3. A fee to be fixed from time to time by resolution of the Board of Trustees duly adopted, shall be paid in advance by each applicant for each separate water service required to be placed, for which the Village will furnish the necessary pipes, cocks and valves and a cast iron service box. All service pipes shall be of lead of at least three-fourths (3/4) inches internal diameter, and shall be laid by the Village to a point inside the curb line. Where larger service pipes are required, increased cost shall be paid by the applicant.

4. All water service pipes shall be of lead and all lead pipes used in connection with said water system shall be of the following size and weight:

3/4 inch internal diameter, weight per foot, 3 lbs.
1 inch internal diameter, weight per foot, 4 lbs. 12 ounces.
1¼ inch internal diameter, weight per foot, 6 lbs.
1½ inch internal diameter, weight per foot 9 lbs.

5. All service pipes shall be so laid as to prevent freezing breaking or rupture by settling.

6. Each water service pipe shall be connected with a stop or waste cock for each consumer, easily accessible, placed beyond damage by frosts and so situated that the water can be conveniently shut off and drained from the pipes.

7. All boilers connected with the water system shall be provided with a tank of sufficient capacity to hold at least six hours supply, and in case the supply is shut off for the purpose of repair or any other purpose, the Village will not be responsible for any damage that may result. Consumers and other persons are prohibited from connecting pipes direct with the Village pressure to supply steam boilers.

8. No alteration, change of location or addition of any kind shall be made to any water meter, water cock or service pipe, connected in any way with the supply to any building or premises, without first obtaining a written permit from the Collector.

9. Where more than one meter is installed and maintained in the same premises each meter shall be considered a separate unit and the readings therefrom billed separately.

10. A complete statement in writing shall be made to the Collector by the person doing the work of all connections made with the water and sewerage system.

11. All hydrants or plugs placed in said Village for fire purposes are hereby declared to be public hydrants, and no person, except such as have been authorized by the Board of Trustees, shall open or draw water therefrom, or in any manner interfere with same except in case of fire.

12. The Superintendent and the Collector and other authorized persons shall have free access to any premises in which water is introduced for the purpose of examining the fixtures and pipes at any time between the hours of 7 o'clock A. M. and 6 o'clock P. M. of any day, and at any other time in the event of an emergency.

13. All connections with and extensions to the sewerage system shall be made in accordance with the ordinances, rules and regulations of the Village and the rules and regulations that may be promulgated by the State of Illinois or any of its Boards or Commissions having jurisdiction of this subject matter, as such ordinances, rules and regulations may be in effect from time to time.

Section 10. No person, firm or corporation shall engage in or work at the business of plumbing in the Village of Arlington Heights until he, they or it shall first have obtained a license so to do from the President and Board of Trustees of said Village and shall have paid a fee therefor of $10.00 to the Collector, which shall be the annual license fee for conducting the business aforesaid. No person, firm or corporation shall receive such license until satisfactory evidence has been given to the Collector of the responsibility and skill of the applicant in the business of plumbing.

Every person, firm or corporation making application for a license to engage in the plumbing business in said Village shall file with the Village Clerk a good and sufficient bond executed by a corporate surety company in good standing. Said bond shall be in the sum of $10,000.00 conditioned that the principal will save and keep harmless the Village of Arlington Heights from all accidents caused by any inferior or defective material furnished or any negligence, unskillfulness or incompetency in the performance of any work done by such person in said Village or by any employee, sub-contractor or any employee of such sub-contractor, and that the principal will conform to all conditions and regulations of said Village pertaining to the business of plumbing in accordance with the laws of the State of Illinois and the ordinances of said Village then existing or which may thereafter be passed. All such bonds shall expire on December 31st of each year and shall be renewed annually.

Section 11. The initial license fee to be paid by a person, firm or corporation engaged in the business of plumbing shall cover the unexpired portion of the year during which application for such license is made and expire on the 31st day of December of such year and such fee shall be paid annually thereafter in advance to the Collector for each calendar year as long as such license or renewal thereof shall continue or remain in effect. Any failure to pay said fee, when due, shall forfeit the license of such person, firm or corporation and the right to engage in the plumbing business in said Village.

No person shall, in any manner, obstruct the free access to any stop cock, meter, apparatus, appliance or appurtenance, connected with any water pipe, nor to any plumbing, plumbing fixtures, pipes and drains connected with the sewerage system and shall not refuse the free access thereto of the proper Village authorities. All fixtures, appliances and appurtenances, shall be at all times, kept in good condition, and water shall not be needlessly wasted.

Section 12. Any person, whether the owner, occupant or the agent of such owner or occupant or whether a plumber or an employee of the agent of a plumber who shall lay any water service pipe or sewer connection pipe or introduce into or about any building or grounds any water or sewer pipes or do any plumbing work in any building or on any grounds for the purpose of connecting any pipes or plumbing work with the pipes of the water system or the sewerage system or prepare them for such connections with a view of having such premises supplied with water from the Village and sewerage services without being licensed to perform such work and without first having obtained a permit for doing such work from the Superintendent, shall be punishable by a fine of $10.00 to $100.00 for each and every such offense. Any person who shall violate any of the provisions of any ordinance, rule or regulation of the Village respecting the water and sewerage system where a specific penalty is not provided shall be punishable by a fine of from $10.00 to $100.00.

Section 13. Any person, firm or corporation, being a regular consumer, may be permitted by the Board of Trustees to make special connections with the street mains, together with hydrants and house cocks, to be used in case of fire. For such permit, and for all water used for fire purposes, there will be no charge, but all such work in connection with the water system must be done by the Village and under the direction of the Superintendent of Water Works, and must at all times be open to inspection by the Village.

Section 14. In addition to the penalty provided for violations of the ordinances, rules and regulations of said Village pertaining to the water and sewer system, any offender may be denied the use of water from said system and the use of the sewer system and be deprived of any right to make connection with said water and sewer system, by the President and Board of Trustees.

All penalties imposed for violation of the ordinances, rules and regulations of the Village covering the water and sewerage system, except the penalty for late payment of bills provided for in Section 1 of this ordinance, shall be paid to the Village Clerk and by him shall be turned over to the Village Treasurer and shall be used in the construction and maintenance of the combined water works and sewerage system and for no other purpose whatever.

Section 15. It shall be the duty of the Superintendent and the police of the Village and all persons in the employ of the Village having police power to enforce the provisions of all ordinances, rules and regulations respecting the combined water works and sewerage system and to arrest or cause to be arrested all persons violating the same.

Section 16. Any person, firm or corporation to whom a license shall have been issued to engage in the plumbing business who shall be guilty of any violation of any of the provisions of any ordinance of the Village relating to the water works and sewerage system may have his permit revoked by the President and Board of Trustees.

Section 17. Any person who shall turn on the supply of water on any premises from which the supply has for any reason been cut off by the Village without first having obtained a permit so to do from the Collector shall be subject to a fine of not less than $5.00 nor more than $100.00 for each and every offense.

The Village reserves to itself through its President and Board of Trustees the right to shut off the water supply and sewerage facilities of any consumer at any time without preliminary notice and all consumers of water and users of the sewerage system shall be subject at all times to this reservation and right.

Section 18. All moneys received from water and sewer rates, assessments or rents, except fines and penalties, shall be kept in said separate fund designated as the "Water Works and Sewerage Fund" which fund shall be administered in accordance with the provisions of the ordinance referred to in Section 5 of this ordinance.

Section 19. Any person may be appointed to hold one or more positions connected with the water works and sewerage system except that the same person shall not be appointed to the office of Superintendent and Collector.

Section 20. The water rates and sewer rentals established by this ordinance shall become effective from and after May 1, 1952.

Section 21. This ordinance shall be known as Ordinance No. 807, and shall be in effect from and after its passage, approval and publication as provided by law.

Section 22. All ordinances, resolutions or parts thereof which may be in conflict with the provisions of this ordinance are hereby repealed.

PASSED this 27th day of March, 1952.

FORREST F. DAVIS,
Village Clerk.

APPROVED this 27th day of March, 1952.

ALBERT W. GOEDKE,
President.

TOWN OF WHEELING
OFFICE OF TOWN SUPERVISOR

The following is a statement by Gilbert J. Klehm, Supervisor of the Town of Wheeling, in the County and State aforesaid, of the amount of public funds received and expended by him during the fiscal year just closed, ending the 29th day of February, 1952, showing the amount of public funds on hand at the commencement of said fiscal year; the amount of public funds received, and from what sources received; the amount of public funds expended, and for what purposes expended, during the fiscal year ended as aforesaid.

The said Gilbert J. Klehm, being first duly sworn, doth depose and say, that the following statement by him subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated, the amount of public funds received, and the sources from which received, and the amount expended, and the purposes for which expended, as set forth in said statement.

GILBERT J. KLEHM,

Subscribed and sworn to before me this 21st day of March, 1952.
HAZEL ERNST,
(SEAL) Notary Public.

Women of the Moose hold rummage sale

Women of the Moose, Des Plaines chapter, will hold their annual spring rummage sale at the Moose hall April 4 from 9 a. m. to 4 p. m.

Social service night was held March 27. Jane Johnson, social service chairman, was in charge of the meeting. Nina Peterson entertained members with her songs and guitar.

In a closed initiation three new members, Kay Wilson, Hazel Dooce and Virginia Val Pool, were initiated into the Women of the Moose. After the meeting refreshments were served by members of the social committee, Mrs. E. Doolittle, Mrs. C. Miske, Mrs. M. Stockton, Mrs. E. Dahm, Mrs. J. Sherry, Mrs. Struthridge, Mrs M. Hartung, Mrs. A. Datillo, Mrs. J. Derringer, Mrs. H. Cully and Mrs. M. Ekvall.

The organization will meet April 17 instead of April 10 for academy of friendship night. Guest officers will be present at this open meeting in charge of Marge Stockton.

Katherine Richter has received her degree to the college of regents. Rose Reis, Edith Peterson, Dora Rypkema, Iva Crowfoot and Arlene Datillo received their degrees to the academy of friendship.

Present talent show awards at assembly

Winners of the Starboard Revue talent show were announced March 25 during an assembly program at Arlington Height high school. Joan Lundstrom general cnairman of the show named the following winners:

Class—Senior, which gave its version of "Tiger Rag."

Large Group—Girls' club, with its hillbilly interpretation of "The Martins and the Coys."

Free Lance—Nita Glow, dramatic reading of Edgar Allan Poe's "The Tell-Tale Heart."

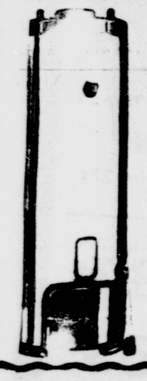

Winners will have their names engraved on the talent show trophy, which is placed in the trophy case. LeRoy Frederickson, president of the senior class, accepted the trophy for the seniors.

SHOPPING with SHARON

The little lady in your family will look her best Easter Sunday and all through the summer in dresses now being featured at Gieseke's Department store. Ice cream colors in cute styles and materials that are new, crease resistant and require little ironing make these favorites among mothers too. Sizes 1-3, 3-6x and 7-14.

Blouses are more important than ever this spring, and I must admit I was definitely taken by that nylon linen with the Peter Pan collar and red embossed squares . . . one of a collection of nylon linens at $5.98.

Another important item at Gieseke's are the boucle blouses to be worn with suits now and all through the summer. They wash beautifully and need no ironing. One style has small daisies in a triangle at the neck . . . others range from dressy styles with pearl and rhinestone trim to sporty numbers with Peter Pan collars. Priced from $3.98 to $8.98 . . . perfect for those planning vacations now.

• • •

With the advent of spring come thoughts of cleaning, redecorating and refurnishing—in other words we like to add a new look to our homes as well as ourselves. Arlington Furniture Mart had you in mind when they put on display two new bedroom sets. One is the beautiful modern Sun N' Sand set in oak by Mengel; the other a traditional early American set in solid cherry by Willett.

Perhaps you're planning a new recreation room or adding a porch as a relaxation spot. Even if you're planning to refurnish either, you'll want to take a look at the Rattan Peel furniture at Arlington Furniture Mart. An assortment of chairs, cocktail tables and bridge tables is available in this livable furniture. A rug of rush hemp will complete your room.

New boudoir lamps have been added to the stock. The colonial brass base lamps would be perfect for the cherry bedroom furniture. These lamps are also available in modern designs. Stop in soon and take a look at the lovely pieces at your Arlington Furniture Mart.

• • •

When you think of Easter, you think of the Easter bunny and of chocolate Easter bunnies. Every youngster will be delighted with the chocolate Easter bunnies and eggs at Arlington Heights Pharmacy. The hand rolled and hand dipped eggs and bunnies made by Mrs. Stevens come in attractive Easter wrappings. All sizes of bunnies and eggs and even baskets of Easter candy in Mrs. Stevens' famous candies are available now.

Stuffed animals from the Pharmacy are bound to be a hit Easter Sunday morning. Among them are bunnies, black lambs, chickens and an adorable, cuddly sleeping bunny.

Even the older folks are not forgotton here, for Whitman's are featuring a box of Easter chocolates and bon bons attractively and appropriately wrapped.

• • •

Something new has been added . . . The Bounty Fair on Northwest hwy. in Palatine has not only undergone a change of appearance but also a change of gift items. The John Shanklins of Arlington Heights, new proprietors of this attractive gift shop, have introduced the perfect gifts for those who seem to have everything. The beautifully packed preserves, jellies and breakfast toppings, all Rancho Anita Products, are delicacies everyone will enjoy. The party pair includes steak and canape butter and meat relish, and there's also a brandy snuffer filled with stuffed rum almonds, sherried pecans or brandied walnuts. All Rancho Anita products are made of undiluted citrus juices and freshly ground herbs and spices. No preservative is added.

• • •

It's trite, but oh, so true . . . "In spring a young man's fancy turns to thoughts of love." And diamonds are an expression of that sentiment. So girls, if you're at the engagement stage or if you've been married for some time, give him a hint about the type of gem you like best.

Flaherty Jewelers are franchised dealers for Orange Blossom and Keepsake diamonds. Orange Blossom features the guaranteed perfect stone. A variety of settings come in gold and platinum. One lovely Keepsake diamond has a channel setting and a registered perfect stone.

Perhaps you have a diamond in an old setting . . . why not dress it up for spring and have it remounted at Flaherty's.

Mr. Flaherty suggested that you come in and have your diamond checked at no charge. It's always wise to make sure that your diamond is snuggly anchored in its setting.

Ring cleaner at Flaherty's will make all your gems sparkle. Just insert your rings in the solution and brush with a soft brush, or if you like they'll clean them for you.

We've all heard that accessories add glamour to every woman's wardrobe. But so often we forget how easy it is to completely change the appearance of an outfit with simple, inexpensive accessories. A couple of flowers in different sizes, especially attractive, this season, scarfs, jewelry, belts, gloves and bags—all these accessories can make a world of difference in your spring wardrobe.

Pearce's at the corner of Bothwell and Chicago ave. in Palatine are featuring a wide selection of accessories to complement your spring and summer wardrobe. Highlighting the jewelry collection are the nylon iridescent beads at $1. Nylon and cotton gloves, wide belts in patent leather, gold and multi colors . . . faille, leather and patent leather handbags in cute shapes . . . small and large pin on and tack on flowers . . . plaited, print and solid scarfs—these will give you an idea of the variety of accessory changes at Pearce's. White linen and print handkerchiefs make lovely little gift remembrances.

• • •

You just can't help yourself . . . you're bound to fall in love with the little grandfather clocks at the Bounty Fair on Northwest hwy. in Palatine. These little wooden clocks in light and dark wood are made just for heirloom watches . . . a beautiful setting for that watch you have hiding in some drawer and just $3.95. Another decorative piece for your home is the great big wooden key featuring six brass hooks for your family keys.

• • •

Little sprouts of green grass are just beginning to show up in lawns, so it won't be long until the time when you will be needing that lawn mower and all equipment necessary to make your lawn the best in the neighborhood. Power or hand lawn mowers and lawn sweepers with the new features are now available at **Winkelman's Tire and Battery Shop.** Moto-Mowers and Jacobsen mowers are featured.

Bicycle weather has arrived and your youngsters will love a Schwinn built bicycle from Winkelman's, where there's a variety of colors and styles to choose from.

• • •

With Easter shopping and preparations keeping housewives and us working girls so busy, Wall Washerette on Northwest hwy. really offers a helping hand. You know, you can just leave your wash there and pick it up all clean and dry the same day . . . no time wasted but hours saved in a busy day.

Something new has been added too . . . the new water processor takes out minerals the water softener can't get. The result is that your clothes come out cleaner and brighter. Mrs. Larkin was telling me that people who knew nothing about the new water processor had been remarking about how much brighter and whiter their clothes were when washed at Wala Washerette.

THERE ARE SEVERAL HAPPY WOMEN in our midst who have called on Marcia Johnson's help with that decorating problem. . . . Her years with Colby's helped groom her for this, so if you are having trouble co-ordinating your color and furnishing ideas, read on. . . . Just recently she helped a local woman with her brand new home. . . . If you don't know where to start, you need a counselor and guide. . . . From your jumbled notes and ideas, Marcia Johnson will bring forth the PLAN that you want. . . . Call MARCIA JOHNSON at Palatine 953.

• • •

YOU MAY FEEL HURRIED and beset with so many things undone about the house, particularly now that Easter is just around the corner. . . . Here's where the Wala Washerette will act as an extra "hand," so you can sail into those postponed tasks. . . . Just take the week's wash over to this new washerette . . . . You can service your own wash, or they will . . . An Ivory base soap and soft water turns out a brilliantly clean wash at THE WALA WASHERETTE, 822 W. Northwest Hwy., Arl. Hts.

• • •

SATURDAY WHEN I MADE A HURRIED trip into Palatine, I encountered Margaret Mankenberg going through the new and deliriously wonderful wallpaper books at the Nickels' shop. . . . I was looking for a paper to use in a kitchen corner. . . . When I looked at the new and yummy papers, it was hard to resist the urge to do every room. . . . Margaret agreed heartily with this. . . SO-O-O, my suggestion for you home decorators is to scan ALL the beautiful new books. . . . A new line of kitchen cabinet accessories has arrived here. . . . Stretch that space, use every square inch of your cabinets and closets with this new accessory line, displayed spang in the middle of the store at . . . PALATINE PAINT AND GLASS CO., 11 N. Bothwell st.

• • •

HAVE YOU VISITED SHIRLEY SHANKLIN'S Bounty Fair, the shop filled with gifts you can't find everywhere. . . . Her new FRAMED TILES will make your kitchen smile . . . Make a memo of these items: lovely glass cocktail SHAKER; Shrimp Bowl; Silver Salad Server, a beautiful knife and fork revealing beautiful craftsmanship. . . . You must come in and browse in this bright shop. . . . Shirley invites you to the BOUNTY FAIR, 35 N. Northwest hwy. Palatine 1096.

• • •

HINTS

Put your frozen meat patties or chops in a plastic bag, tightly closed, and set in warm water if you are in a hurry to thaw it. . . . Better than a hunk of cloth is a clean blackboard eraser for wiping steam from your car window or windshield. Keep in glove compartment. . . . A plastic spoon is better than a silver one for measuring medicine. A set of these spoons may be kept in your medicine chest. Saves your silver ones, which medicine often tarnishes. . . . Ann Batchelder gives this Swedish touch for griddle cakes: cook two cups canned blueberries with juice, adding sugar to taste. Add a dab of cornstarch to give it a jammy consistency.

Notice for Bids

NOTICE IS HEREBY GIVEN that the President and Board of Trustees of the Village of Arlington Heights, Illinois will receive sealed proposals for the purchase of a new motor driven street sweeper until Monday evening, April 21, 1952, 8:00 o'clock P. M., at which time said bids will be opened and read.

Specifications for the street sweeper are on file in the Village Clerk's office and will be furnished to interested persons upon application therefor.

All proposals should be plainly marked "SEALED BID" and addressed to Village Clerk, Arlington Heights, Illinois.

By order of the President and Board of Trustees.

Forrest F. Davis,
Village Clerk

PUT THE FREEZE ON LIVING COSTS!

Rent a Frozen Food Locker!

Stop excessive spending for food by renting a frozen food locker and using it regularly! You can save an average of 9c on every pound of meat you store, if you buy your meats from us *wholesale* . . . and even more if you have us process your own hogs, cattle, and poultry.

Save still more by quick-freezing fresh fruits and vegetables in season. By this method you not only prevent waste of growing-season surpluses, but also enjoy better-tasting, more flavorful foods the year 'round!

Come in and let us show you how you can live far better at far less cost by renting a frozen food locker!

no miserable mondays . . .

when you have Automatic Laundry Appliances!

You'll forget what "blue Monday" means . . . when you have automatic appliances to take the work out of washday! Then, you'll just toss clothes into the washer . . . and they'll be sudsed clean, rinsed, and spun. When the washer automatically turns itself off, you'll simply put the clothes into the dryer . . . where they'll fluff-dry automatically! And all that's left is sit-down ironing . . . finished in no time at all!

You see, no more up-to-your-elbows in hot water . . . no more lifting heavy, steaming clothes. And you won't have to worry about "good drying" weather . . . you'll just be a step away from the sunshine in your dryer. Best of all, you can wash any hour of the day or night you like . . . and never, never have that "blue Monday" feeling when you've finished!

See the new automatic laundry appliances at our nearest store or your dealer's

Speech, dramatic, debate students win honors

Students who won a first, second, or third place rating in the speech district contests held previously, along with the debate squad and a play cast represented Arlington Heights township high school in the Sectional Speech and Dramatics contest held March 29 at Elgin High school.

They were accompanied by their speech and debate coach, Clayton Mott, and their dramatics coach, Miss Sylvia Moller.

The local students placed seventh out of the twenty-one schools which participated. Dan Walton placed fifth in extempore speaking, Richard Carlson placed third in radio speaking, Leigh Petersen rated sixth in verse reading, Bill Bowman and Barbara Ewert both placed eighth in original oratory and in monologue, and Blyth Morrow placed ninth in oratory. Sue Henning received eighth in humorous reading, and Judy Peterson an eighth in serious reading.

The play cast which presented James Barrie's "The Old Lady Shows Her Medals," received a third-place certificate.

The affirmative debate team was rated an "A" team in two debates and a "B" team in their other; the negative debate team was rated an "A" team in all three of their debates.

"Our Aim: To Fear God, Tell The Truth, and Make Money." —H. C. Paddock, 1898-1935

Happenings 10, 20, 30, 40 and 50 years ago this week

Fifty years ago

MARCH 29, 1902

Confirmands at Palatine Lutheran church were John Kreft, Henry Garms, William Goetz, Fred Langhorst, Fred Gieseke, William Heidemann, Emma Engelking, Mollie Senne, Martha Schwolow, Bertha Schultz, Emma Nolting.

Anna Hattendorf and William C. Beisterfeld of Roselle and Schaumburg are married.

Franzen Bros. intend to establish a bank in Roselle.

Fred Katz lost to Gothlieb Foss the championship in sole games.

Candidates for Bloomingdale village officials are: F. W. Kobusch for president; H. A. Summer for village cerk; Christian Hoff, John Bagge, William Gathman for village trustees; John Gardner for police magistrate; William C. Fox for village constable.

North Northfield is quite a business place. We have a store, postoffice, two churches, a carpenter, two ministers, a school teacher, one or more inhabitants and two dressmakers.

Fred Henges, Everdings Corners, can now talk with the "Hello Girls" along the Des Plaines telephone line, having been hitched on to Elk Grove wire this week.

Since all the village officials of Arlington Heights live on the south side, it is only fair that they should place the water standpipe on the north side.

Forty years ago

MARCH 22, 1912

William Busse, candidate for county commissioner, is in favor of good government and is against allowing Lorimer to control Cook county funds and offices.

Why not elect some ladies as members of the Arlington Hts. board of education?

Wall Street and the trustees who own or control most of the metropolitan papers and magazines, oppose Teddy Roosevelt for president because they can't boss or wind him around their fingers.

It is said that a lot of Democrats will go to the polls April 9 and ask for a Republican ballot so that they can vote for the Lorimer crowd. Do the regular Republicans want to let the Democrats say who shall be their candidates?

L. W. Roehler advertises a 1912 Auburn car for $1400.

William Busse was no more than a German country farmer and later a storekeeper when elected county commissioner. He knew no more than the average German American citizen, but he has studied the conditions in Cook county so carefully and worked so hard for the betterment of county affairs, that he has gained the confidence and respect of Chicago men.

Des Plaines postmaster was sentenced to Leavenworth penitentiary and fined $170.00 by Judge Landis because he hired a clerk for $45.00 a month and charged the government $75.00.

Mrs. John Umbdenstock has purchased the Wilson Bakery at Palatine.

Bloomingdale Democrats nominate for town offices William Randecker, town clerk; Nick Kiock, supervisor; Henry Grupe, assessor; Fred Hillman, clerk. Republicans nominate Henry Botterman, town clerk; Henry Hattendorf, supervisor; Herman Wellner, assessor; H. C. Harmening, clerk.

E. H. Dieke, Elk Grove, has a big pile of lumber on his place. Neighbors are guessing whether he intends to build a barn or saloon. Some prefer a half way station so they won't have to go so far for booze.

Confirmands at Elk Grove St. John's Church are Willie Weide, Henry Busse, Raymond Oehlerking, Edwin Deeke, Lois Linnemann, Arthur Kruse, Edwin Goebbert, Herman Winkelmann, Emma Thake, Lilly Buchholz, Carol Busse, Alma Mueller, Lilly Mensching, Gertie Busse, Laura Thone, Emma Glade, Rosa Holste.

The Alpha club cleared $32.00 from their concert toward buying a piano for the new Arlington Heights Presbyterian church.

Twenty-three children confirmed at St. Peter's church, Arlington Heights: Martha Vahrenwald, Elsie Adam, Ida Doehring, Sophie Garms, Amanda Felz, Alma Schoenbeck, Laura Clausing, Lura Jahnke, Helen Winkelmann, Martha Schraeder, Alma Scharringhausen, Adele Meyer, Clara Weide, Alma Rascher, Herman Redeker, Martin Oltroge, Henry Hogreve, Edwin Engelking, Erwin Goedke, John Bauer, Arthur Weise, Edward Koerber, Herman Meyer, Fred Koerber, William Engelking, Edward Erber, Raymond Friese.

Thirty years ago

MARCH 31, 1922

Arlington Heights high school bond election wins six to one. Vote was 696 to 118, which clears the way for a high school building.

The Broncho, the pacing queen of the world for ten years, owned by the Dean Stables, Palatine, died at the age of 24 years.

More and more it is being recognized that the administration of public affairs is a business which if it is to be a success, must be administered by successful businessmen. The day of the barroom politician is a thing of the past.

Two Fords, driven by Herman Wente and W. C. Schweitzer, met and locked wheels in Palatine Friday evening. The road was wide enough, but both drivers wanted the center of it.

The effect of the autos upon the blacksmith business is best illustrated by the experience of Dan Bergman, Palatine, who we found Tuesday afternoon waiting for his team to be shod. It was the first time in a year that he had come to Palatine by team. His shoeing bill, before the arrival of tractors and autos, was about $75 a year. The past year it was only $15.

Dr. Riggins loaded his furniture in a car and left Bensenville for good Wednesday.

At a meeting held Monday evening in Roselle, petitions were put into circulation to dissolve the corporation of the village of Bloomingdale which included both Bloomingdale and Roselle village.

Twenty years ago

MARCH 25, 1932

Democrats of Elk Grove organize. Give support to Homer J. Byrd.

George Schneberger not a candidate for re-election to Arlington Heights high school board. Place to be taken by George M. Kost.

William Busse, Mt. Prospect, has been made campaign chairman of the national Republican party of Cook county with headquarters at Great Northern Hotel.

"Beat Crowe crowd," urges William Busse.

Robert Reed, Civil War veteran, holds open house for his 93rd birthday.

George E. Palmer Independent candidate for Arlington Heights village trustee.

Ten years ago

MARCH 27, 1942

Scarsdale housecleaning begins soon.

Robert Goedke, 19, enlisted in army.

Forty miles an hour new speed limit in Illinois.

Arlington Concrete Products means to find out the relative strength of gun powder and army rifle on one of their 12-inch haydite blocks filled with stone. Elroy Harris will be behind the 30 calibre army rifle—nobody will be behind the haydite blocks. Paul Taege says that it will be easier and quicker to build a barricade of haydite blocks and fill in with sand than to use sand bags.

N. A. Carlson retired from the presidency of Arlington Heights elementary schools.

Air raid wardens and auxiliary police begin training.

Mrs. Fred W. Muller celebrates 90th birthday. She came to Arlington Heights as the bride of Fred W. Muller in 1873.

Village of Mount Prospect wins suit which prohibits a railroad coal yard facing the highway.

Mr. and Mrs. Henry Krumweide of Bensenville killed by train.

TALES of the STREET

—T. C. HART

● **WILLIAM G. STRATTON**

Next Tuesday is the date for the primary election and at that election the republican party will be called upon to nominate a candidate for governor. Three good and capable candidates are in the field, but the one who stands out as the most probable winner next Tuesday and as the one most likely to be able to turn Illinois back into the republican column at the national election next November, is William G. Stratton, present state treasurer.

Mr. Stratton has served the state as state treasurer upon two different occasions. He has also served Illinois as congressman at large for two terms. As a congressman he gained valuable experience and knowledge of national affairs, as state treasurer he had a ringside seat as to how the state government is operated.

Mr. Stratton comes from a family which has made a distinctive mark upon the records for public service in the history of Illinois. His father, the late William J. Stratton, was one of the best secretaries of state in Illinois history and was almost unbeatable in an election. The family background is steeped in the traditions of real Americanism, something not always found in the seekers of public office today.

"Young Bill" Stratton has the experience in public life and the background of true American traditions. He is well equipped with "what it takes" to make a real public servant; he is friendly, he is humble, he's a real fellow, and he's a real American.

Nominated for governor on the republican ticket next Tuesday, William G. Stratton can win in November and he can carry the state for the national ticket and put Illinois back where she traditionally belongs in the column of republican states.

A vote for William G. Stratton next Tuesday is a vote for saneness in government, for capable and economical management of government affairs. It is a vote for a friendly human "one of the homefolks" sort of candidates, a man who is being backed for the job of governor not simply because some political machine wants him, but because he is the choice of the people themselves, the men and women of the farms, the small towns, the crossroads, hamlets, as well as the people of the cities.

In William G. Stratton, the republicans have a "people's choice" candidate if there ever was one, a man who cannot only win next Tuesday, but who can win next November and carry the national ticket with him.

This column strongly recommends a vote for William G. Stratton for governor.

● **THE PRIMARY**

Primary electoins as a rule are rather quiet affairs in this area, usually somewhere about 25% of the vote coming out for a primary election. This year should hang up a better record. With a hot contest for governor in the republican party and for state's attorney of Cook county in the democratic ranks, a good vote should turn out. And besides his interest in the county and state affairs, the voters have a chance to vote in a presidential popularity contest.

On the republican ballot will be the names of Senator Robert A. Taft, Harold E. Stassen and a politically unknown, Riley Alvin Bender.

On the democratic ballot appears the name of the crime crusading senator from Tennessee, Estes Kefauver. It seems certain that Senator Taft will carry the republican support in this popularity contest as he is being supported by every major candidate for governor on the republican ballot.

On the democratic ballot the regular democratic organization seems to have turned thumbs down on Senator Kefauver and are just not paying any attention to the popularity contest on their ballot.

The balance of the democratic ballot is pretty much of a hand picked machine affair with little opposition for any of the offices outside of state's attorney where John S. Boyle, present state's attorney, is being opposed by the machine candidate, John S. Gutknecht, and for attorney general where the incumbent Ivan Elliott has two opponents.

With enough contests in both parties to cause considerable interest, a good sized vote should go to the polls next Tuesday as the voters of both parties select their standard bearers for the big election next November.

A primary is the place to select candidates and everyone interested in good government has a chance to have his say at the primary. Vote.

● **WHERE TO VOTE**

For the information of the voters of Palatine township, here is where to vote.

Precinct 1. Polling place, Pepper block, all territory west of Plum Grove ave. and north of Chicago ave.

Precinct 2. Village hall, all territory west of Plum Grove ave. and south of Chicago ave.

Precinct 3. Inverness office (4 silos) all territory west of Quintens rd.

Precinct 4. Bedurske's stand, Quintens and Dundee rds., all territory outside of village north of Chicago ave., and east of Quintens rd.

Precinct 5. Gehring's farm, rte. 53 (near woods) all territory outside of village south of Chicago ave., and east of Quintens rd.

Precinct 6. Masonic hall, Plum Grove and Chicago aves., all territory south of Slade st. and east of Plum Grove ave.

Precinct 7. McIntosh office, Northwest hwy. and Chicago ave., all of Palanois park.

Precinct 8. District 15. Oak st. school, all territory north of Slade st. and east of Plum Grove ave.

(Precincts 6 and 8 have as their east boundaries rte. 53 (N. W. hwy.) as all of Palanois park is in Precinct 7.

These are the precincts and polling places. Make use of this list—Vote.

● **CLEAN UP WEEK**

The local fire department is heartily in favor of clean up week, but they don't favor carelessness in that clean up, and leaf burning programs that cause them to have to answer a call every few minutes to put out some fire that has got out of hand through someone's neglect.

Fire losses in the nation reached an all time high during 1951, mounting to the staggering total of $731,405,000. A lot of this damage could have been prevented by a little caution and a few safety measures. A fertile source of fires is in supermarkets and a book is being published on the dangers of fires in supermarkets.

In some localities more volunteer firemen are needed to combat the ever increasing danger from fires. Some of the chief sources of costly fires are careless campers who toss cigarette butts around and cause costly fires. Brush burning causes many fires.

Education of the children in the danger of fires and what to do in case of one, is another important step in fire prevention. Keeping refuse and waste material cleaned up is always a help in preventing fires.

The local fire boys are all for clean up week, but in cleaning up, don't get so enthusiastic that you have to call out the fire department to help you pour water on your enthusiasm. Be moderate in building those fires.

● **LOST AGAIN**

Palatine seems to have the greatest proclivity for getting "lost" of any town on earth. We got lost in the big drift when all our cards went astray someplace and we had to have a re-registration with a lot of pomp and ceremony.

Then came the census and we got lost again with all of our census figures gone somewhere but where they should have gone. And now comes the payoff. We are lost politically, both parties just washed out by some mysterious trick of fate. On the specimen ballots for the primary both democratic and republican ballots, showing what territory the ballots are good for, the name of Palatine fails to appear.

Palatine is in the 7th Senatorial and the 13th Congressional district. On the official specimen ballots for both parties is the legend: For use in 7th Senatorial, 13th Congressional, outside the sanitary district.

And then appear the names of the towns of Barrington, Elk Grove, Hanover, Leyden, Northfield, Schaumburg, and Wheeling. Not a word about Palatine. We just aren't there. But don't worry—Palatine is in that district, and Palatine is going to vote or know the reason why.

There will be official ballots at the polling places next Tuesday, so even though we do live in that lost town of Palatine, we are going to vote—they just can't count us out of the world's activities even if they do keep losing us all the time. Your ballot will be there—Vote.

● **LOTS OF BUILDING**

Palatine township assessor, Robert Horn, has just made an interesting report on the building that has been going on in Palatine township during 1951.

A check of the building permits issued by the village of Palatine and by the Cook county authorities shows the following. In the village 184 permits were taken out representing a cost of $1,273,404.00. In the area outside the village, the county had issued permits for 153 constructions at a total cost of $1,453,402.00 making a total for the entire township of 337 building permits for a total cost of $2,726,806.00.

From this report it can be seen that the growth in the area outside the village is almost as great as that of the village itself, in fact, the cost of the construction for the 153 units outside the village was $179,998.00 greater than the cost of the 184 units erected in the village

For many years the growth of the village and the outside area have been very close and for years the population of the two areas has been just as close. The population and growth of the village and outside area are keeping pace with each other on an almost 50-50 basis.

● **APRIL BLIZZARD**

Are we in for an April blizzard? Mrs. Fred Heims says that her Christmas cactus is sprouting new blooms just as if it were the middle of the winter and it was forecasting one of those big snow storms.

Does this late blooming of that weather predicting cactus presage another snow storm? Let's hope not, but in years past when that famous Hackbarth cactus plant used to bloom at this time of year it means a late snow storm.

Mrs. Heims says that if anything like that happens after her plant blooms she is going to throw the plant out on its ear and have nothing more to do with it.

Easter flower show in Chicago April 6-20

Thousands of spring flowers will stage a spectacular show at Garfield and Lincoln Park conservatories from April 6 to April 20 when the Chicago park district's 40th annual spring and Easter flower show is on exhibit. The conservatories will be open from 8 a. m. to 10 p. m.

THE FENCE POST

Letters to the Fence Post should be short and concise. All letters must be signed, though name will be withheld if desired. Address Fence Post, Paddock Publications, Inc., Arlington Heights, Ill.

Like California

We have just returned from a four months' visit with our daughter and son-in-law in California and feel the urge to make a few comments on our experience during the winter months.

We spent our vacation mostly at Ventura, about 70 miles up the coast toward San Francisco, from Los Angeles, a city of about 30,000 people nestled where the Sierra foothills meet the sea. The rather unusual location of Ventura makes it a very pleasant place to live, with a mean temperature of 68 degrees the year around.

It rather amused me to see the headlines regarding the floods in California this winter. There is, without a doubt, many a family who received a lot of harm from the torrents of rain which fell, and for those I have a lot of sympathy. Yet, as I read the papers and made comparisons, I thought how headlines enlarge things until people get the wrong viewpoint. True we had a lot of rain, but after all the damage is figured it still was a wonderful thing for California after several years of draught, when the water tables went down as much as 50 feet in some underground reservoirs.

With all the cattle raising, citrus and other farm products, which come out of the state of California, the water problem was getting serious.

Like every other place on this earth, one cannot hope to find Utopia, so those that go to California must accept the little drawbacks but learn to appreciate the magnificent things nature has created for man's pleasure and use.

Louis Kirchhoff
Mt. Prospect.

At Feehanville

After hearing rumors of all kinds, we decided to find out the facts concerning this Northwest sub-division which is in Mount Prospect but in Feehanville school district.

Last fall a petition was started to enable us, we honed, to send our children to Mt. Prospect schools. A group of volunteers have donated both time and money toward this end, but little did we realize that misleading information was changing the minds of some people. Henceforth this letter.

One week after the petition was started a school bus—which had been discussed for two years—went into effect in the Feehanville school district. Also, a planning commission was started and a new school discussed, after the petition was started.

Some people are trying to create sympathy for Feehanville by stating that if we take one-half of Northern Public Service property for tax value, Feehanville will not be able to finance the present school. This is not true. With one-half of Public Service's tax value Feehanville would total approximately $3 million tax valuation. This amounts to more valuation than they had before Public Service was built in 1947. Therefore, they could still build a new school. Why did they wait until the petition was started?

If we were allowed one-half of Public Service property tax value and our petition were approved, we would enter Mt. Prospect school district on a paying basis.

Mr. Etherton, representative of the superintendent of Cook county schools, made a public statement to the effect we would have to pay taxes to both Feehanville and Mt. Prospect if we are accepted by Mt. Prospect. Do the people know a protest was filed with Mr. Puffer, superintendent of Cook county schools, concerning Mr. Etherton's statement? It was definitely erroneous. We would not pay taxes to both districts.

A few people dislike the higher tax rate of Mt. Prospect.

Tax rate for $100 assessed value:

	1950	1951
Mt. Prospect	$1.24	$1.34
Feehanvile	.25	.51

We can see what our children will receive for 83 more. Once $170,000.00 bond issue is applied it will greatly increase the Feehanville tax rate.

Until two years ago Feehanville had outside toilets. Considering that this community is so close to the second largest city in the U.S. this seems disgraceful. The children have very few modern facilities of any kind, and very few of the parents seem interested. There are 64 children in Feehanville school There are 30 members of the PTA representing 22 families with children in school. There are 14 PTA members who do not have children there. Attendance at the PTA meetings usually numbers 20 to 30 members. Comparing this with Mt. Prospect which has 743 children and a 100% enrollment of parents in the PTA, it is easy to see which is the most progressive school and interested in their children.

Over 90% of the people in this subdivision are in favor of the Mt. Prospect school district and have signed the petition, but there are other people in the petition area who are not in favor of it. Out of a possible 240 signatures, 165 were obtained on the petition.

May we stress—we live in Mt. Prospect, we trade with the townspeople, we attend and support the local churches and we are active in local organizations. We would like our children educated in Mt. Prospect schools. We hope these facts will help the people decide.

Julia and Milo Schroeder
512 N. Emerson St.
Mt. Prospect

Once republic

Texas is the only state that was a recognized independent republic before annexation by the U. S.

Fair play

In your last week's Herald there appeared two front page stories about Arlington Heights lawbreakers.

One was a story about a young boy who had stolen a car to "take a spin." His full name was printed and his name appeared four different times in the story. This is as it should be, and I cannot criticize your paper for doing it even though that boy is my own son!

Another story on the front page of the same paper tells a story of other local lawbreakers—SHOPLIFTERS! Referring to the shoplifters, your story says, "IT IS LARCENY!" Here is the big difference in the two stories. In the shoplifter story, no names were mentioned. Why? Please tell me why! Is it because the shoplifters are people of greater means than myself? Your article calls the shoplifters some of the "best people in Arlington Hts." Best by whose standards? It calls the shoplifters people of "good standing in the community." I am not a man of wealth. I have worked hard all my life as a machinist maintenance man and custodian. I work seven days a week. My son was guilty of a larceny, but no one tried to shield him, and no one tried to keep his name out of your paper.

Who is trying so very hard to withhold prosecution of the shoplifters, and why are they trying so hard to keep their names out of the paper? Is it because you only publish names of lawbreakers who come from poor families? Who prevents you from publishing the names of petty thieves and shoplifters if they are local business people and members of our more "prominent" families.

Does Arlington Heights have its own system of democracy for the privileged classes only? If it is the policy of your paper to print the names of local lawbreakers, then it is o.k. with me but print ALL of them. I don't like my son's name smeared all over your front page and then have some of our so-called "best people" shielded. They, too, are plenty old enough to know better, and should suffer the consequences of their thefts the same as my son.

Fred Taillon
661 N. Wilke rd.,
Arlington Heights, Ill.

Up to women

As the primaries come closer, keep in mind that you and I are a part of a great country — the grand United States of America! Let us preserve our freedom by going to our respective polling places and vote.

No doubt, you know what your freedom means—that of worshipping God as you please and moving about freely—you are allowed privacy in your home—in case trouble arises you can demand trial by jury, you enjoy Freedom of Speech and many other freedoms too numerous to mention.

Economically speaking you again enjoy your freedom — you have the privilege of owning your own home—go into business, if you should so choose, you are also allowed to bargain with your employees, work, contract, and in these grand United States of America you also share a voice in its governmental plannings.

Wonderful, you say? Yes! Let us get out and protect this freedom which is so near and dear to our hearts—April 8th is the date—Polls open from 6 a. m. to 5 p. m.—don't let your country down in this crucial hour!

Pass along this information to your friends—be pluggers, not gripers. The count shows that we women are in the majority—over 1,000,000—so it is up to us women to try and help set our government straight.

Wheeling Township
Regular Republican
Woman's Club

Request for action

The bond issue for School district No. 26 was favorably voted in on March 8. Since it appears that the petitions which were filed to hinder in the approval of the bonds do not conform with the requirements of such petitions, the Trustees of Schools can now make an immediate ruling and the bonds can then be issued.

The people in District No. 26 expect the trustees of schools of Wheeling township to take action at once in order to facilitate in the starting of the building of the addition to the school house. There can be no justification for any further delays in the action the trustees have to take. We, as residents of School District 26, are anxious to begin building as soon as possible.

The only delay now would be the failure of the trustees of schools to make an immediate decision. It had been hoped that the trustees would have ruled prior to this time but some of the members were ill and others out of town.

In any event, since the school trustees are meeting next week, April 7, we can look forward to their ruling out, on that date, the petitions which were filed to delay the action of the Board of directors of school district No. 26 in erecting the addition to the Feehanville school.

The bonding company stands ready to take up the bonds and to cooperate with the district in every possible way. The architect's plans are prepared and waiting the go-ahead. The trustees need but act and we hope that in the exercise of their duty as trustees to further education and the facilities for it, that they do so at once.

Marguerite Broberg.
School Dist. 26

In the Ozarks

Although I now live many hundred miles away "to my sorrow" I still read the Fence Post with great interest; especially now since the controversy of Roth Mfg. Co.

I would like to say "Amen and Amen" to the writers of letters signed "Alarmed" and "A heavy tax payer" in the March 14th issue. And to the objectors I would like to tell them a little of what is happening where we now live.

There is very little work, wages are starvation, the lowest possible and cut-throat prices for everything you buy. There's almost more business than people in this town—every one tries to get into a little business, because there is no work. The reason there is no work is because the business men will not allow industry to come in, though many firms have tried to locate out here. These selfish business men here in the Ozarks want to keep wages down—"so no industry and very little work."

The young folks have no future out here at all. As soon as they graduate from high school most of them have to leave their parents' home to get jobs in other states (many are in Illinois right now). Unions cannot get in, because the working people fear to sign up with the Unions. They know they'll lose their jobs. This happened out here three weeks ago. There's always plenty of people waiting for that miserable underpaid job. Many of the married men are working 200 and 300 miles away. Their families are left here on account of housing conditions.

The schools are deplorable and the school lunches too. The scholars are fed a tasteless chili three times a week, plus a day of beans thrown in for good measure. Why don't they carry their lunch? Unlike your lovely schools—there are three students to each locker in which they, (the three), keep their wraps and books, plus gym clothes.

If the boys go out for a sport, they must buy all the equipment themselves and cram that into the overstuffed locker, too. In the meantime I've never seen a group of people more hated than are these "well fed, well housed, well clothed, well cared for business men."

I well remember the days when there was no work at all available in Arlington Heights, get up early to catch a train, then an hour's ride or more, then the over-crowded street cars, and after a hard day's work the long journey home again. After paying train and street car fare, how much of your wages were left, not mentioning the wear and tear of your already tired nerves?

A recent resident
of Arlington Heights
homesick for industry,
progress and schools.

P. S.: There is a lot of advertising going on about farms in the Ozarks. Wish I could warn the people about coming out here, to take this rock, snake brush, poison weed infested country — the soil is thin, weak, needs oodles of minerals and fertilizer every year before you can raise anything at all. You can well imagine our disgust after being raised on that rich, deep, black soil around Arlington Heights and Bensenville.

Red Cross

All section Chairmen of Scarsdale and Estates, I wish to thank all the kind, generous people who made our part in the Red Cross drive a success. To the wonderful volunteers, Mesdames C. Squier, J. Lee, T. Larson, E. Hadland, E. Dovale, C. Ewert, G. Glow, L. Swanson, M. Cleaver, I. Swope, R. Webb, O. Lisec, T. Ocasek, O. Haag, T. Olson, W. Swanson, C. Page, R. Raveling, R. Berg, H. Klatt, D. Clifford, W. Milligan, E. Stauffacher, P. Collins, R. Malcomson, R. Waters, J. Faner, E. Layden and Walter Meyer, I again say thank you for your cooperation and civic spirit.

Lucille A. Sanders,
Arlington Heights.

FRIDAY, APRIL 4, 1952

JUST AROUND THE CORNER

from PATTY McARDLE

Dear Peg:

Do you have one of those gay, smart, parasols to add to your Easter outfit this year? Well, dear, judging from the springtime fashions I saw Wednesday, you might as well not have an "Easter bonnet" as to have no matching parasol to carry — rain or shine!

The fashion show and tea, given by our Kappa Alpha Theta Almunae club, was a new venture for our group, since our annual benefit has heretofore been a dance and entertainment. I'm delighted to say that it was a great success, due to the attractive outfits provided by Dore Modes and the very friendly cooperation of Miss Perrigo and her associates of the Ambassador East. The entire proceeds from our show, "Kite-Time Kapers," will be spent on apparatus and the many extra things not provided by the State for the patients of the Illinois Surgical Institute and Crippled Children's Hospital School.

No sooner had we all been seated—a capacity crowd filling both the "Parade" and the "Pump Room" — were served pretty, delicate, French pastry and coffee or tea, than the glistening beams of the spotlights fell across the aisles and the exciting display of silks and shantungs, crinolines and cottons began.

Really, Peg, don't you agree that this year's unusual fabrics and quite feminine styles are of the loveliest we have seen? One of the first dresses to be shown—a billowy, full-skirted, pure silk struck my fancy. The black patent leather belt and shoes, and velvet band of the white straw "sailor" were so smart with the black and white check of the material. And, of course, the bright red parasol added that last sparkling touch to the outfit.

For many of us who prefer the straight line in our clothes, there was a pale rose, silk shantung sheath which revealed bare shoulders when the tiny jacket was removed. The softness of the color and the simplicity of design created a perfect background for the dark, natural beauty of the model.

Among the Camille hats, much in evidence, were the large, straw "picture hats"—a black one being shown with a crinoline underskirted "cotton." The paisley pattern of the material was dark, burnt orange and black — a unique and striking color combination.

Of course, navy blue frosted with white accessories was very popular in the show, as was the sprinkling of vivid red, which added the "spice" to the grey, black, and white ensembles.

We were all delightfully surprised when several times during the show a waiter pushed a two tier cart through attractively decorated with strings of candy and lollipops. On the two trays were lovely, square, antique-looking candy jars filled with candy that matched the display of shoes and purses—red and white peppermint with the red shoes, and strings of licorice with the black patent leather. This clever idea of our friends at O'Connor and Goldberg was beautifully done and quite fascinated the audience.

Well, Peg, after such a dazzling afternoon, I decided that at the end of May when I hang up my maternity clothes for awhile, I'm going right out and buy a dress, just like one of those fluffy, full-skirted, pinched waist creations I saw!

My love,
Patty.

ILLINI CLUB 'FATHERS AND SONS' BANQUET NEXT WEEK IN CHICAGO

Continuing a fine tradition, the Illini club of Chicago is giving its 4th annual "fathers and sons" luncheon Saturday, April 12, at the Century room of the LaSalle hotel, Chicago.

As a special attraction, the Illini Big 10 basketball championship team and their fine coach, Harry Combes, will be honored guests.

This is also a unique opportunity, not only for alumni but also any fathers whose sons are interested in the university, to bring their sons or other high school seniors planning on going to college, and informally meet leaders from the athletic military, teaching, and administrative staffs of the university who are making a special trip from Champaign for this occasion.

Can You Tell Me...

Why Paint Scales From a Cement Floor?

Enclosed are paint scales which came from a cement floor I painted about a month ago I used a rubber cement paint. Could you tell what caused it to scale? I put on two coats and it had been painted before.

If the previous paint on the cement floor, about which you wrote, was in good condition when you repainted it, the new paint probably peeled from one of two causes. If the floor had even been waxed and the wax was not thoroughly removed, this would cause the new paint to peel. If the floor was washed before repainting and the soap was not thoroughly rinsed off before the floor was allowed to dry, this too would cause peeling.

May we help solve your decorating problems?

Custom rates announced for farm machinery

Cook county farmers estimate that custom rates for spring plowing in this area this year will be $3.65 an acre, compared with $3.50 in 1951, with the farmer furnishing the fuels, reports farm adviser Carl F. Mees.

Farmers say the other custom rates for power machinery are expected to be slightly higher than last year.

A report on custom rates was issued this year by the University of Illinois college of agriculture. It gives farmers' estimates for using power-drawn machinery in 34 field operations

OTHER RATES for this year in this area include: discing $1.65 per acre, drilling grain $1.65 per acre, planting corn $1.60 per acre, cultivating corn $1.50 per acre.

Information on custom rates farmers charged or paid in 1951, and those they expect to charge or pay in 1952, was obtained from more than 850 farmers in all 10 type-of-farming areas in Illinois.

The report was prepared by R. H. Wilcox, university agricultural economist. A copy of the report is available at the office of your county farm adviser

Swine grower's day set for April 10 at Urbana

Practical aspects of feeding artificial milk to pigs will highlight the Illinois Swine Growers' day, scheduled for April 10 at the University of Illinois, Urbana.

S. W. Terrill, head of the swine division of the University of Illinois College of Agriculture, says the program will center around what's new in swine feeding.

Supplementing high-protein corn, results of creep-feeding experiments, protein studies and research results with antibiotics will also be featured.

Robert Buck, master hog producer from Ainsworth, Ia., will tell about hog-raising in Washington county, Ia. Damon Catron, head of the swine division at Iowa State college, will discuss new developments in swine feeding there.

In the only shift away from feeding on the program, L. E. Johnson, Bureau of Animal Industry of the U. S. Department of Agriculture, will tell about new milestones in animal breeding research.

Everyone who wants to view the experiments now under way at the college will have a chance to tour the swine farm from 8 to 9:30 a.m. All other sessions will be held in the auditorium.

Record cow

With 508 pounds of butterfat and 12,260 pounds of milk testing 4.1% to her credit, Eldonon Mistress Freckles, registered Holstein-Freisian cow owned by D. W. Johnson, A. L. Mickel and R. H. Chrisman, Holbart Farm, Bartlett, has completed a 340-day production test in official Advanced Registry.

She was milked two times daily, and was 5 years 1 month of age when she began her testing period.

Milk payments

Cook-DuPage county dairy farmers received $3,349.35 for milk delivered to Bowman dairy company receiving stations during the month of February. Monthly figures are sent to this newspaper as soon as they are compiled at Bowman's general office.

Farmers Develop Short-cuts to Handle Feed for Stock, Poultry

By IRA MILLER
Farm Electrification Bureau

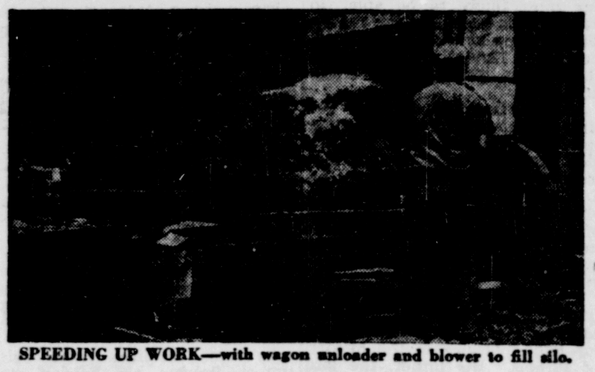

Feed handling is one of farming's toughest chores. Not only does it consume lots of energy, but it takes plenty of manpower, too. This is true, particularly, when it comes to feeding beef cattle. A farmer with 300 steers on his hands will find that they may eat as much as 4 tons of hay and grain a day if they are to grow sleek and fat. Poultry don't eat as much, nor is the job of feeding them quite such a heavy chore, but it's a big enough headache when several thousand birds are involved.

Farmers handle their feeding tasks in various ways, and some short-cuts have been developed. Here are a few of them:

A beef cattle feeder in Ohio drops his cribbed corn by gravity onto a conveyor dragline which carries it to an adjoining feed preparation room. There it drops into a grinder where it is ground with baled soybean hay, and moved by an auger conveyor into the feeding area.

One New York farmer backs a truck with ground grain into his 3-story bank-type barn; tilts up the front end, and watches the grain flow out the end gate through a floor chute into storage bins on the second floor. Grain drops by gravity through chutes into feed carts on the ground floor where his cattle are housed.

There's a Minnesota farmer whose silage is unloaded automatically from his silo onto a conveyor, which carries it along a 100-foot manger. On an Arizona farm, a conveyor system raises silage from the bottom of a trench silo into a feed truck. In the feed lot, the silage is moved effortlessly into bins, the truck being equipped with a conventional electrically operated unloading mechanism.

SPEEDING UP WORK—with wagon unloader and blower to fill silo.

Poultry farmers have similar mechanical helpers available. A Macon, Georgia, farmer feeds 18,000 chickens in his 50 x 240 foot broiler house the easy way. He dumps feed into a central hopper, where a slow-turning blade stirs it onto an endless conveyor chain located in a metal trough. The feed travels a total distance of 950 feet to and from the hopper. A ½ hp. motor supplies the power for the whole system. Movement of the chain attracts the chicks, so they eat more —and grow faster. This farmer's system is typical of that used by many poultrymen who have decided that hand-feeding of poultry is one job they can avoid—profitably so.

LAW on the FARM

Illinois entry requirements for sheep

For the information of Illinois sheep breeders and feeders, there are reproduced below the regulations of the Illinois division of livestock industry on sheep brought into the state.

General entry requirements

All sheep entering Illinois, except for immediate slaughter, and except for feeding and grazing purposes upon special permit from the division of livestock industry, must be accompanied by an official interstate health certificate showing that the animals have been inspected and found free from all infectious, contagious, or communicable diseases and that they have not been recently exposed to scabies. Such certificate must be signed by an approved, accredited veterinarian or by a veterinarian of the bureau of animal industry, and a copy of the health certificate bearing the approval of the livestock sanitary official of the state of origin must be filed with the Illinois division of livestock industry.

Sheep exposed to scabies

Sheep which have been recently exposed to scabies may enter Illinois if they are accompanied by an official interstate health certificate showing that they have been inspected and found free from all infectious, contagious or communicable diseases; that they have been dipped twice 10 days apart in a dip specified by the bureau of animal industry or the livestock sanitary official of the state of origin; and that upon veterinary examination within 10 days of importation they were found free from scabies. A copy of the health certificate bearing the approval of the livestock sanitary official of the state of origin must be filed within the Illinois division of livestock industry.

Sheep for feeding and grazing

Sheep for feeding and grazing purposes brought into the state under special permit from the division of livestock industry shall be placed under quarantine until ready for market and must be inspected by a qualified veterinarian, at the expense of the owner, within ten days prior to marketing. If the sheep are found to be infested with scabies, they must be dipped, prior to being marketed, in a lime and sulphur solution at temperatures from 95 degrees to 105 degrees Fahrenheit, or in other dip specified by the division of livestock industry, or shipped to the stockyards for slaughter in a vehicle displaying a placard, "Scabies Sheep Consigned to Yards for Slaughter."

Exhibition requirement

All out-of-state sheep must meet Illinois entry requirements

Illinois sheep for exhibition must be accompanied by a certificate of health issued by a licensed veterinarian showing that they were inspected and found free from scabies infestation or any contagious, infectious or communicable disease within 90 days of exhibition, and that they have not been recently exposed to scabies.

Scabies-infested sheep

All sheep within the state known to be infested with, or exposed to, sheep scab mites are required to be dipped twice at 10-day intervals in a lime and sulphur solution at temperatures from 95 degrees to 105 degrees Fahrenheit, or in other dip specified by the division of livestock industry. Failure by the owner or his agent to comply with this regulation will result in a quarantine of the affected animals and premises and will subject the owner to the penalties provided by law for failure to comply with state regulations.

Further information about the application of these rules may be obtained from the division of livestock industry, Springfield, or from your county veterinarian.

Sugar beet price outlook brighter

Prospects for significantly higher sugar beet returns in 1952 are greatly improved by recent sharp sugar price increases.

Raws have made a net gain of 60 cents per hundredweight since Jan. 1 and refined 25 cents. The activity reflects the effect of the lowered sugar import quotas set by the federal government at the turn of the year, which act as a price stimulus.

In setting the 1952 sugar import quotas, U. S. Secretary of Agriculture Brannan said " . . it now is clearly evident that costs of producing sugar beets and sugar cane as evidenced by the index of prices farmers pay and other data have risen sufficiently that significant and sustained increases in the prices of raw and refined sugar are necessary to fairly and equitably maintain and protect the domestic sugar industry."

No indeminities for ridding of brucellosis

A group of Illinois dairy farmers who met with leaders in the dairy industry Wednesday decided they didn't want indemnities paid them for ridding their herds of brucellosis.

This was the sentiment expressed at a meeting in the Illinois Agricutural Association's building where a panel of experts answered questions directed to them from local dairy herdsmen.

Comprising the panel were Roy A. Yung, state diretcor of agriculture; Dr. Roy A. Thompson, superintendent of the Illinois livestock division; Robert Graham, dean of the UI college of veterinary medicine; Enos G. Huffer, milk sanitation for the department of health; Dr. N H. Howlett, inspector in charge of U. S. bureau of animal industry; and Judson P. Mason, IAA director of dairy marketing.

SATISFACTORY progress toward ridding Illinois of brucellosis by 1955 was reported. With further cooperation and an extensive educational program, the dairy leaders said the 1955 deadline could be met.

The IAA, the state-wide farm bureau organization with more than 188,000 farm families as members, is cooperating with agricultural and health officials in the drive to stamp out brucellosis. Bang's disease is communicable to humans in the form of undulant fever.

Several ways by which dairymen can get a Bang's free herd were discussed by members of the group. Some expressed their views that infected cattle should not be brought into Illinois from neighboring states either by dealers or farmers.

A FEW OTHERS thought there should be an acros-the-board ruling which would affect hog and sheep-raisers since these two livestock producers, under the present set-up, are not required to rid their livestock of brucellosis.

Dr. Thomas pointed out that if the clean-up was across the board for hogs, sheep and beef cattle, the program would cost millions of dollars and would require many employees to administer the program. He added that if this broader program were adopted, indemnities would have to be paid farmers for their condemned animals.

Yung suggested to the group that perhaps it would be a good thing if livestock dealers were licensed. This would permit agricultural officials to know whether or not some dealers were trafficking in infected animals.

A McHENRY county veterinarian, who spoke to the group, pointed out that the man who buys a lot of cattle has the most trouble with brucellosis. He supplied figures which revealed that dairymen who built up their own herds had relatively few cows infected with brucellosis.

Judson P. Mason, IAA director of dairy marketing, emphasized that the greatest need in the state-wide drive to eliminate Bang's disease, was uniformity in practice between the inspection and testing agencies.

Milk inspection now is done under the supervision of the department of health while the department of agriculture is responsible for testing.

Jerry Spottswood invites other dealers for field demonstration

Jerry Spottswood, Ferguson tractor dealer of Palatine, has invited other dealers in farm implements to join with him in a field demonstration day the end of April. New tractors and equipment would be shown farmers of this area enabling them to gain first hand information regarding the various makes and sizes in line with work accomplished.

The Ferguson dealership in Palatine, the Jerry O. Spottswood company, is located at 23 E. Chicago ave., Palatine. Dealers are urged to contact Jerry at his office.

25 Years Distributing Maintenance Equipment

Changing Transport of Milk From Farmers

A century or more ago farmers brought milk to city homes in cans hanging from yokes on their shoulders. Today the distribution of milk in the United States involves about 190,000 motor trucks alone, not to mention the extensive use of railroad transport.

AUCTION SALE

On account of the death of my husband, I will sell at public auction located on Elmhurst Road and Route 58 (Golf rd.), 1 mile south of Mount Prospect, on

Saturday, April 5, at 12:30

MACHINERY

1½ ton International truck and body; McD 10-20 tractor, good cond.; McD 7 ft. tractor disc; McD 2-14 tractor plow; McD corn binder with bundle carrier; McD manure spreader; McD 6 ft. grain binder; McD hay loader; McD 5 ft. mower; steel wheel wagon and rack; 10 ft. hay rake; JD corn planter with fert. attach.; 7 ft. Tiger grain drill; sulky cultivator; 14" hand plow; small cement mixer; circle saw and rig; grain wagon; 2-sec. harrow; beet lifter; fanning mill.

Corn sheller; 2 h.p. gas engine; grinding wheel; 800 lb. scale; 2 hand sprayers; vegetable duster; set of extension ladders; lawn mower; Planet Jr. seeder; electric chick brooder; garden hose and reel; hay fork and rope; 5 rolls snow fence; binder twine; 4 rolls hog wire; farm gates; 2 1-horse cutlivators; 140 grain bags; 30 feed bags; bundle bale wire; 6 50-gal. oil drums and faucets; shovels, forks, hoes, rakes, and many other articles. Machinery all in good condition.

HOUSEHOLD

3 coal heaters; China cabinet; 2 double beds and springs; 1 single bed and spring; radio table; rockers, tables, chairs; 25 stone crocks, 1- to 10-gal.; fruit jars; jugs; 4 wash tubs; copper boiler; several old dressers and many other household items.

HAY, GRAIN and WOOD

900 bu. extra fancy corn in cribs, hand picked; 250 bu. Clinton oats; 50 bales clean straw; 50 bales hay; 2 stacks corn stalks; about 10 cords (clean) cut stove wood; fire place logs, about 75; 6 to 8 in. fence posts, 5 to 10 ft. long.

HORSES and POULTRY

Team of black farm horses, wt. 2800 lbs., 12 years old; 80 High Line chickens, 30 Leghorns, laying very good.

Urge farmers to vote against fair trade law

Farm bureau members throughout Illinois are urged to write their congressmen asking them to vote against pending fair trade legislation. The appeal to farmers was made by Charles B. Shuman, Sullivan, president of the Illinois Agricultural Association, at an annual spring meeting of some 1,000 farm bureau leaders.

The bill now before congress, Shuman explained, would not only reestablish authority for manufacturers to control retail prices and marketing margins, but would also establish a right of private damages for anyone injured by a violation of a fair trade program and would give the federal trade commission a responsibility for enforcing fair trade programs.

Shuman said the farm bureau opposes the bill because it restores the federal government's support to a fixed price system and thus eliminates competition.

"ENACTMENT of this bill in fact means a subsidy to inefficient operators at the expense of the consumer," Shuman said "Our opposition to the bill is consistent with farm bureau's stand in opposing federal subsidies for agriculture and in opposing high, rigid price supports for agricultural products."

Shuman said the farm bureau is not opposed to enforcement of fair trade pricing by manufacturers themselves, but is against such compulsory pricing enforced by the federal government.

"It is one thing for a manufacturer to withhold his products from a retailer who does not sell at prices set forth in a contract, but it is another matter to have the federal government make such contracts compulsory and fine a retailer who violates them," Shuman said.

SHUMAN ALSO announced that the association is planning to launch an intensive campaign through its county farm bureau opposing any extension of price and wage controls when present laws expire June 30.

Shuman charged that price controls result in reduced production, less efficient processing and distribution, poorer quality of products, and black markets.

The association president cited the current situation in the soybean meal market as the result of price ceilings. OPS, he said, established a ceiling of $74 per ton on straight soybean meal early in February, 1951, but the ceiling did not apply to feed mixtures. As a result processors added some common salt and ground limestone to the straight meal in order to sell it as feed mixture at $105 per ton, Shuman reported. And straight soybean meal has disappeared from the market, he added.

COUNTY FARM bureau leaders also were asked to intensify their local campaigns to get farmers and all groups to vote in the April 8 primary. Slogan of the campaign, Shuman said, is "Vote your choice, but vote, April 8."

Cash In On Your Scrap Before Spring Planting, Farmers Urged

Now is the time to cash in on your old iron and steel scrap, the Steel Industry Scrap Mobilization Committee urges all farmers.

"By turning in your scrap before spring planting you will be helping the nation and yourselves," the Committee says.

During the past winter months in many parts of the country scrap iron and steel has been covered by snow. Lying idle on farmer's junk heaps, much of this critically needed metal has been rusting away.

Farm scrap is urgently needed to keep steel mills and foundries pouring out steel for civilian and military needs. Most steel is made from equal parts of pig iron and scrap steel. Therefore, every pound of scrap sent to the mills helps make two pounds of new steel.

Last year the steel industry and foundries required 33,822,000 gross tons of scrap iron and steel. It is expected that an even greater amount will be needed in 1952 in order to meet defense needs and civilian requirements.

"Look around your land for old tools, worn-out parts of tractors, trucks, cultivators and other implements," the Committee asks farmers. "Search for broken tools and discarded pieces of metal that are cluttering up your farm."

Farmers are urged to take their scrap to town and sell it to the scrap dealer. If the scrap is unusually bulky, making transportation difficult, the scrap dealer or the local farm agent can be asked to work out arrangements to move it.

Farms always have been an excellent source of scrap and farmers have a big stake in the present scrap drive. In many communities drives already have been organized. If there is one in your town, participate in it. If one hasn't been set up, get your scrap to market anyway. The important thing is to keep the scrap flowing to the mills so production of steel will not fall.

Order plantation trees now from state nurseries

State nurseries still have a few trees for farm plantations this spring.

But Farm Adviser Carl F. Mees says that you'd better get your order in right away if you're planning to plant this year.

For central and northern Illinois, best planting dates are between April 1 and May 10.

Time for planting trees is just as soon as the ground is dry enough to walk on in the spring, or to support a tractor if you plan to use a tree planter.

SEEDLINGS you can still get from the state nurseries include black locust, cottonwood, osage orange, tulip poplar, jack, loblolly, pitch, shortleaf and Virginia pine; and black walnut seed. White pine transplants are also available.

Forest tree species already gone for this season include ash, red gum, sycamore, red cedar, red pine and Scotch pine. But you may still be able to get these species from one of the several commercial nurseries that grow forest trees.

TREES BOUGHT from state nurseries can be cut and sold later for Christmas trees, posts, poles and logs, but they cannot be resold with roots attached nor can they be used for nursery or ornamental purposes.

You can get price lists and order blanks at your county farm adviser's office. He also has a supply of circular 567, "Forest planting on Illinois farms," which tells which species to use on various soils and for various purposes, how many trees to order, and how to plant and care for the trees.

Steel production

About 105 million tons of steel were produced in the U.S. in 1951.

Clean up entire farmstead before spring work

Before the busy spring work season, one of the most sensible jobs you can do is to extend spring housecleaning to your whole farm. It's for your own safety.

Studies from the Illinois Rural Safety Council show that, next to poor judgment, disorder is the largest single cause of injuries. Rural safety specialists in the Illinois College of Agriculture say that various forms of trash are responsible for hospitalizing one out of every farm accident victims.

So indoors and outdoors, get rid of trash, paper, scattered boxes and boards, rags and rubbish. They're serious fire hazards and ideal breeding places for rats.

Tear down and dispose of broken, wobbly steps which can cripple someone for life.

Remove old, tottery buildings on your farmstead. They certainly don't make your place look any prettier, and they are often the cause of serious injuries.

Throw out unmarked bottles of poison, and don't take chances even on clearly marked poisons. Be absolutely sure they're out of reach of your children and animals.

Study ways to milk better and easier

A well-designed milking room with loose housing can save nearly one-third of the time and labor spent on each cow in a stall barn.

That's what tests have actually shown on Illinois dairy farms, says Thayer Cleaver, USDA agricultural engineer on the staff at the Illinois college of agriculture.

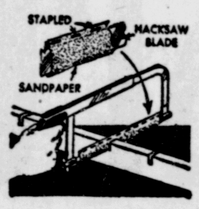

Coatings for plastics

Recently developed coatings for plastics have unusual properties of hardness, flexibility and adhesion. Because of their toughness, plastics are widely used for consumer items. Many of the toys and items which were made for Christmas and which will receive intensive use are made of this material.

To Sand Narrow Slots . . .

AN EASY way to sand narrow slots cut into wood is reported by *Popular Mechanics* magazine. The sandpaper simply is fastened around a hacksaw

blade. First remove the blade from the saw. Then fold the sandpaper over the blade so that the teeth face *up*. Use staples to fasten the sandpaper. The blade then is inserted in the reverse position so the teeth will not cut the paper.

Prepare now to have good summer lawn

At the first sign that gardening weather is here, the wise home owner will spend a few week ends checking his gardening supplies and preparing his lawn for the really hot months ahead.

It takes little time to inspect all gardening equipment to be sure it's in good working order, and a thorough check now may save many minutes and even hours later.

The outdoor work might very well be started by raking established lawns with a leaf rake to scratch up the surface of the ground and remove dead leaves and grass. Avoid using a heavy steel-toothed rake; it may damage grass roots.

THEN THE lawn may be fertilized. If grass is healthy and in good condition, the home owner may need to apply only a nitrogen fertilizer. But if the lawn is thin and weedy, it probably needs a complete plant food.

If there is any doubt about what fertilizer to use on a lawn, it is advisable to take a few samples of earth from it and have them analyzed. State universities provide this service for a small charge.

Generally, established lawns should be fertilized at the rate of 3 or 4 pounds to every 100 square feet. For this, it is best to use a spreader — hand sowing often results in applying too much fertilizer and burning out grass.

After fertilizing, water the lawn thoroughly. Plenty of water will carry plant food down to grass roots where it is most needed. Early fertilizing is important to make grass as healthy as possible before crab grass makes an appearance.

WHEN CRAB GRASS and other weeds do begin to pop up, take quick action. Buy commercial weed killers and apply them according to manufacturers' directions. An inexpensive and convenient way to spray such chemicals is to use a galavnized steel sprinkling can. The weed killers may be mixed and sprayed from the same can.

A sprinkling can is also particularly conventient for watering small sections of lawns which have been re-seeded. Such "spot watering" prevents applying too much water and washing away seeds.

Allow about one week between fertilizing and re-seeding. Fertilize first; then use as much seed as necessary. Well established lawns need about 2 pounds of seed for every 1,000 square feet; new lawns, about twice that amount.

After that, use a light-weight roller to press in seed and sod that has been pushed up by the past winter weather. It pays to remember that a roller is not designed to level a lawn.

License plates

Secretary of State Edward J. Barrett said the number of 1952 passenger automobile license plates sold as of March 1, was 1,908,481, an increase of 400,924 over the 1,507,557 issued at the same time last year. Passenger plates for 1952, he said, are now in the 1,900,000 series in Chicago and Cook county and in the 2,200,000 series in downstate.

Feehanville School

The questions are coming in from all sides: "When can we start on the new school?" A meeting was held Tuesday evening to discuss the status of the petition. We hope we may have a report for next week's issue.

In an interview with Ben Howard, president of the Forest River Community club, he said, "Let's get rolling so as to keep our independence in our own school district where our children can get the education you would like them to have and where we, as parents and taxpayers, can have closer contact with the school."

In a letter in the Fence Post of this issue, Mrs. Harold Broberg, an officer of the PTA, has expressed very clearly the difficulty the board of directors of the school district are having in clearing the title to the Bonds.

Weldon Gerstung and Patricia Zapatka are now on the sick list.

MRS. JOS. REMSING Ph. VAnderbilt 4-2462

Forest River

Mr. and Mrs. James Brewer extend their grateful thanks to all who supported the party last Tuesday evening in their honor. Jim's foot is getting along as well as can be expected, if no further complications set in.

Word was received earlier this week of the unexpected death of Mrs. Richard Kohlhaas Sr., the daughter-in-law of Mrs. Nick Schram, a former resident of Forest River. Mrs. Schram has been making her home with the Kohlhaas family since the death last year of her husband. Mrs. Schram has not been well.

All members of the Ladies Auxiliary are urged to attend the meeting April 9 at the club house at 1:30 p. m. Many important matters are to be presented that will need the membership's approval before final decisions can be made.

Remember neighbors, you have a steady date for the first Saturday of each month at the club house. Until further notice the Community club and the Fire department will sponsor a social for the benefit of the building fund on the first Saturday. The next one will be on April at 8 p. m.

The next meeting of the Community club will be April 11, at 8:30 p. m.

Lynn Martens was again on the sick list this week. Other youngsters on the sick list this last week are Weldon Gerstung, Betty Ann Brewer, Vicki Biba, Michael O'Boyle, and Johnny Erickson.

Sympathies to Rudy Gerstung in the loss of his dad last week. Mr. Gerstung Sr. was laid to rest Saturday.

Forest River church plans a singspiration

The young people of the Forest River church are inviting young people from various northwest towns to a singspiration in the church Sunday evening, April 6, at 9:30 p. m., after the evening service. There will be special vocal and instrumental numbers as well as congregational singing. Light refreshments will be served following the musical.

Easter Sunday, the Sunday school will present their Easter program at 10:30 a. m.

April 20 will mark the seventh anniversary of the Forest River church. At the evening service, starting at 7:30, Rev. Wm. Wyatt will present the new sound movie "Each in His Own Tongue," produced by the Wycliff Bible translators.

MARGARET WALLOR Ph. Arlington Heights 7107-R

Wilson Community

The Wilson school will hold an election April 12 to elect a new member to the school board. This will take place at the schoolhouse, and the polls will be open from 6 p. m. until 9 p.m. Nominations may be made only at a half hour caucus between 6 and 6:30 p. m. A person must have resided in the state for one year, in the county for 90 days and in the school district for 30 days immediately preceding the school election to be qualified to vote at such election.

The PTA will meet April 4 instead of the regular date due to Good Friday. Mrs. Magnussen's room will furnish the entertainment for the evening. Election of officers will be held following the business meeting and the eighth grade will have another bake sale to raise money for their proposed trip to Springfield.

The new bicycle rack in the school yard has been purchased with money earned by the A-chievement club.

The Pack meeting of the Cub Scouts held March 25 was very well attended and the boys put on an excellent show for their parents. They wish to thank Mrs. Joe Steiger for the paintings of the wolf, lion and tiger, representing the three divisions of the Cub Scouts.

The Wheeling Doers 4-H club held a meeting March 28, and Carolyn Fick gave a talk on selecting a project for 4-H work. Melvin Meyer demonstrated how to make a rope halter. The yearly awards of seals and pins were given to all members. Refreshments were served by Mrs. Henning and Mrs. Wemlinger.

Mavis Prehn will be confirmed Palm Sunday at St. John's Evangelical church.

There are a number of cases of measles in the district at the present time. Bonnie, Ronnie and Linda Schwantz are taking turns, and Ronnie returned to school this week, but his two sisters are very ill with the disease. Donna Mae Smart, Carol Lynn Klehm, Mayrene Schroeder and Andy Wallor are also absent from school on account of measles.

Mrs. Arthur Schroeder returned home from the hospital March 29 and although she still feels quite weak, she is recovering nicely from the operation.

CHRISTINE BOBER Reporters CATHERINE MILLER
Arlington Heights 7222-R Bensenville 34-W-2

Elk Grove Community

Red Cross drive ended

The Junior Red Cross drive ended April 1. We wish to thank all pupils who contributed to this worthy cause.

Eighth grade club

The Eighth grade club met March 25. They discussed the party for graduation and voted to send Mr. Winkle a plant to brighten his stay at the hospital.

First grade news

During the past two weeks, the first grade celebrated birthdays of Fred Ortiz, Michael Hightower and George Bugala. The first grade has seven new children enrolled.

Move to Chicago

Mr. and Mrs. Walter Bugala and their three children have recently moved to Chicago. Mary is in fifth grade, Joan, in third and George in first.

Spelling contest

A written spelling contest, which included Elk Grove school and Mount Prospect school and Forest View took place March 28 ae the Elk Grove school. Susi Carter and Dickie Hejduk were our contestants. Susi won first place.

Home from hospital

Mr. Winkle, our principal has returned home from the hospital to recuperate further from his recent appendectomy.

Notice to parents

There is still a great deal of measles and chicken pox in this area. Children who are recovering from chicken pox should stay out of school until all pox are gone. This is about a two week period. Children who have measles should stay out approximately the same length of time. It is not only for the protection of other students but for your own child, too, to keep them home until they are really well.

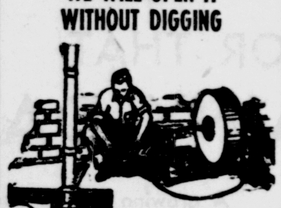

Bits o' business

Tape recording machine sales continue climbing as more and more uses are found for them. It has been estimated that last year sales climbed 50 per cent to $20 million and some in the industry feel a similar increase will come this year.

Pine Gate Highlands

Association news

The next meeting of Pinegate Community association is Friday, April 4, at 8 p. m., in Eino Seppala's basement. The group hopes to have someone there from Public Utilities to talk about gas service for the subdivision, and all those interested are urged to attend.

The building and zoning bureau of Cook county has notified the association that further action is being taken relative to a violation of building restrictions in the subdivision.

Perhaps residents have noticed the special type aerials or antenna on the side of George Flenner's house on State rd. George is a "radio ham operator" and one of the best. He is a Lieutenant in the Army signal corps reserve, and is a member in the military amateur radio system or MARS, as it is commonly known in radio circles. He is also a member of several other "ham" radio networks, among them being the metropolitan and commuter networks. The commuter network as its name implies, covers the various towns along the North Western railroad from Park Ridge to Crystal Lake. Like all registered "hams" he has a licensed station and his call letter is W9LTA. The letters mean William 9 Love Tare Able.

Charles J. Rapp, president of the association, is also a reserve officer, and has had the privilege of being present on two recent occasions when George has been on the air, and reports that it is a thrilling experience even in these advanced times to "sit" in on these broadcasts. Flenner comes by his hobby naturally as he is an RCA man, and this, combined with his service in the U.S. signal corps, has resulted in his being an excellent "ham."

Personal notes

This reporter had a birthday March 24, and her husband Charles Rapp, took her to the Ontario House for dinner, then to the opening of "The Ice Capades" at the arena. They attended the wrestling exhibition in Arlington Heights Saturday night in the company of Dr. and Mrs. L. R. Barnum of Barrington.

Long Grove Items

Mr. and Mrs. William Mell, have returned home after a winter's vacation in Florida.

Mr. and Mrs. Ed Sedlar, Milwaukee, spent the week end with Mr. and Mrs. Ralph Sedlar and Sunday were all dinner guests in the Fred Sedlar home in Mundelein.

Mrs. August LaMarche and Annette were shopping in Waukegan Saturday afternoon.

Mrs. Charles Wacks and Mrs. Carl Meis entered several paintings at the Barrington art show, last week.

Mr. William Park has entered some of his hand-wrought silver at the Palatine art show this week.

The Long Grove firemen were called out Sunday morning to a grass fire on Rand rd.

Mrs. Elmina Schley and daughter, Mabel of Libertyville attended Long Grove church Sunday morning and later had dinner with Mrs. Emma Kruger.

The 1952 confirmation class will be confirmed Palm Sunday at the Long Grove church. A group of new members will also be received into the fellowship of the church.

Since this is Family Sunday there will be no Sunday school.

New Ideas In Homes

THE ASBURY has a large utility room with three closets and a cabinet substitutes for a basement in this plan. It also houses the heating and laundry equipment.

A galley-type kitchen with cabinets on opposite walls allows for a large cross-lighted dining space in the kitchen. In addition, there is a double glazed picture window and fireplace in the living room

Wardrobe closets in the bedrooms, three closets in the utility room, linen cabinet and coat closet provide for storage needs.

The first floor consists of an insulated slab on gravel fill. Exterior finish is asphalt shingle, with siding and a touch of brick in the front.

Overall dimensions are 44 feet by 27 feet 6 inches. Area is 1,392 square feet, cubage 16,356.

For further information about THE ASBURY, write the Small House Planning Bureau, St. Cloud, Minn.

At DeKalb

Dale Bowman, son of Mr. and Mrs. Donald Bowman, York rd., Bensenville, has been elected secretary of the varsity club at Northern Illinois state teachers' college for the coming year.

The varsity club is made up of athletes from the college who have won major letters in intercollegiate sports.

A junior at Northern, Bowman is a graduate of Bensenville community high school.

At Lake Forest

Donald W. Peterson, son of Mr. and Mrs. Norman Peterson, Prospect Heights, was listed on the first semester honor roll at Lake Forest college. Donald is a junior at Lake Forest, and a member of Phi Pi Epsilon social fraternity.

Lake Forest, a co-educational college with a regular enrollment of 800 students, lists 145 students on the first semester honor roll.

At Coe

Verne Busse, sophomore from Arlington Heights, has been initiated into the Clan of C, lettermen's club at Coe college in Cedar Rapids.

Busse was awarded a letter for cross country last fall at Coe, and was a member of a two-mile relay team which placed second in the second annual Chicago-Midwest conference indoor track meet early this month at the University of Chicago.

He is the son of Mr. and Mrs. Verne Busse, 900 N. State rd.

At Wittenberg

Apha Nu Kappa Delta announces the initiation of Nancy Lou Dallia of Mt. Prospect into Kappa Delta sorority at the chapter house in Springfield, Ohio, March 29. The entire chapter attended Fourth Lutheran church together the following morning. Following the service the new initiates were honored at the annual Kappa Delta white rose banquet.

Miss Dallia, daughter of Mr. and Mrs. Arthur F. Dallia, Sr., is a freshman at Wittenberg college, where she is majoring in physical education. Besides being a member of Kappa Delta sorority, Miss Dallia is a member of the A capella choir and the paper and yearbooks staffs.

Miss Dallia was graduated from the Arlington Ieights township high school in 1951. She participated in the high school band and choir, was editor of the newspaper, a member of the yearbook staff, the girls' athletic association, Quill and Scroll, National Thespians, Pep club, and the honor roll.

At Lawrence

James T. Brown Jr., 102 N. Wille st., Mt. Prospect, a sophomore at Lawrence college, Appleton, Wis., spent his spring together with several other Lawrence boys at the Roaring Fork hotel, Aspen, Colo. He is a member of the Lawrence ski club.

Jim has been named rushing chairman of his fraternity, Delta Tau Delta. His mother has just recently been elected to the office of president of the Chicago area mothers' club of Delta Tau Deltas attending Lawrence college.

At Coe

Miss Gloria Rasch, daughter of William Rasch of Palatine, has been selected as one of the 10 outstanding senior women in student balloting at Coe college in Cedar Rapids, Ia.

She was named in a preliminary vote before choosing the outstanding man and woman from the class who will be honored May 1 at a banquet of the Young Men's bureau of the Cedar Rapids Chamber of Commerce.

A member of Chi Omega social sorority, Miss Rasch was a candidate last year for Drake relays queen at Des Moines, Ia. She is president of Chi Delta, senior women's honorary, and has been active in music and athletics at Coe.

At Passavant

Miss Harriet Heuser, Route 1, Arlington Heights, is one of 35 students who has completed the first six months of her course at the James Ward Thorne school of nursing of Passavant Memorial hospital and Northwestern university. In recognition of their accomplishment, these students were honored at capping services at Thorne Hall, Northwestern, Sunday, March 30.

At Carleton

Roberta Skelton, junior from Mt. Prospect, is head of the costume committee for the next Carleton players' production, "The Glass Menagerie" by Tennessee Williams.

"The Glass Menagerie" will be the fourth production of this year's contemporary American drama cycle at Carleton which will be produced April 12, 14, 15 and 16 in Nourse Little Theatre on the campus.

A graduate of Arlington Hts township high school, Roberta is the daughter of Mr. and Mrs. Arthur Skelton, 408 Hi-Lusi ave., Mt. Prospect.

At DeKalb

The honor roll for winter quarter at Northern Illinois state teachers college was announced by the registrar's office last week. The list included 314 undergraduate students from 113 communities and six states.

To be included on the honor roll, the student must have an overall average of "B" or better for the twelve-week period.

Included on the list are Donald E. Dewey of Arlington Heights, Geraldine M. Polivka and Jacqueline M. Rands of Bensenville, and Eleanor K. Niehaus of Wood Dale.

Docs say OK, so Park Ridge adds fluoride to city water supply

By a vote of 8 to 4, the Park Ridge city council passed an ordinance calling for the addition of fluorides to the water supply of Park Ridge. Aldermen Morrow, Rickman, Auer and Maynard voted against the ordinance. Aldermen Johnson and Chase were absent.

The ordinance had previously been tabled by the council, pending a recommendation from local dentists and doctors. City Clerk Richards read the following statement from 14 dentists and physicians: "The dentists and physicians of Park Ridge decided to favor the addition of fluorine to the city water supply with the following understanding: (1) If it be undertaken as an experiment; (2) That the publicity to the public not be misleading; (3) The reduction of caries, if any, may be expected to be most evident in young children or children who received fluorine during prenatal life."

At Orchestra Hall

William Kapell, brilliant American pianist, will make his eighth consecutive seasonal appearance as soloist with the Chicago Symphony Orchestra at this week's concerts at Orchestra Hall, under the baton of Rafael Kubelik.

At the mid-week concerts, Thursday evening and Friday afternoon, April 10 and 11, Kapell will share the solo spotlight with Uta Graf, noted European soprano, who will be making her debut with the orchestra here.

Kapell will perform the Rachmaninoff second piano concerto, (C Minor, Opus 18).

The Tuesday afternoon, April 8, audience will be attending the concert which concludes this subscription series for the season.

GOLFERS GET SET FOR SEASON START

Palatine veterans carrying track hopes of Coach Dick Welty include, left to right, Paul Schrage and Bob Ward in the dashes and relays, and Burton Nesset in the hurdles and high jump. Opening meet is slated for Thursday, April 3, at Arlington, weather and soggy track permitting.

Bison ball drills begin; 12 veterans

by BUD BOOTH

Coach Tom Meneguin expects to have a veteran squad representing Bensenville high school in Northwest conference baseball this spring. Some 12 lettermen from the 1951 team, which finished third in the league with four wins and three losses, were among those that turned out for the opening practice session Wednesday afternoon.

The Bison mound staff will include five holdovers from last year's varsity, Jim Karrigan, Ken Wilke, Howie Petersen, Cliff Modorich and Dave Sloan. Wilke also plays shortstop, Petersen first base and Modorich an outfield position. Marlyn Merholtz is the veteran available for catching duties.

OTHER LETTER winners back for more action are: Joe Kratochvil, first base; Dale Schmykewich and Joe Jankers, second; Lester Biefeld, third, and John Griffone, outfield. Coach Meneguin also reports that he has high hopes for several youngsters up from the sophomore class. It appears that if nothing else, at least one outfield spot may have to be filled by one of these rookies.

No practice games have yet been set for the BCHS nine, but several are expected to be played before the team opens in league competition April 29 at Grant. Other conference games scheduled for the Bisons are the following:

May 2, Palatine there; May 6, Northbrook here; May 20, Barrington here; May 23, Antioch here, and May 27, Ela-Vernon here. The Antioch game had previously been slated June 3.

Golf tourney date set

Paddock Publications' third annual Inter-League golf handicap will be held at Mt. Prospect country club Sunday, August 17.

MAC SAYS

BY G. A. McELROY

It is time to think of spring sports and high school boys are out practicing whenever the weather permits for track, baseball, and golf. However, basketball keeps popping up in the news with the Olympic eliminations, the Globe Trotter-College All-Star series which hits game number seven at Chicago Stadium Saturday night, and the discussion of new cage rules for 1952-53.

More free throws to shoot in basketball

Rather revolutionary changes are being made on a national scale but whether they will be adopted for Illinois high school ball is not as yet certain. The new rules will stop the taking of the ball out of bounds and declining free throws. Illinois used this change this year. A new rule will make all fouls carry two free throws in the final three minutes and overtimes regardless of whether the player is shooting for the basket.

The greatest change is that which gives a foul shooter a second try if he misses on a single free throw at any time in the game. This is a greater penalty for fouling as most fouls will thus mean points for the opponents as players usually can hit 50% of their charity attempts. There is much discussion of whether a player should be allowed six fouls but have a technical and added free throw assessed for all fouls over five.

Rule makers favor offense and crowd appeal

It seems that in basketball, like football, the rule makers are favoring the offense in order to make for a more open type of game with more scoring. The fans seem to like high scoring and an open game which is easier to see and understand. As a result most of the coaching is on offense. The result is great improvement in individual offense techniques and a great increase in field goal shooting percentages. We won't venture an opinion of whether this is best for the game. We always did contend that a team well grounded in defensive fundamentals has the best chance of consistent success because basket shooting will vary more than defense from game to game.

Ahearn says 'stick to fundamentals and the simple stuff to win in basketball'

We were much interested in a statement from Russ Ahearn, coach of Hebron's popular state champs. He stated Hebron just made a simple game out of basketball. They had a simple pattern of play and just concentrated on the simple things, the fundamentals of shooting, ball handling, dribbling, rebounds, defense, etc. He thinks most coaches spend too much time on complicated plays and scrimmaging and we think he has the key to matter of basketball coaching right there. This, along with good training and conditioning makes for championship basketball.

Palatine Relays April 26

It appears that at least 30 schools, a record entry, will compete in the 20th annual Palatine Relays April 26. This year for the first time "A" and "B" classes will completely separate the meet in all respects. Formerly boys from both large and small schools competed in the field events against each other. Now all events are on a classified basis.

Schools over 500 enrollment are "A." This will be the last year that Palatine will compete in class "B" as the addition of Northbrook students will sky rocket the enrollment over 700 for 1953. Also, this will be the first year that Naperville will compete in "B" class. They ought to be a leading competitor for the "B" crown taken the past two years by Mooseheart.

Wauconda, Barrington, and Palatine are expected to rank high in the "B" division this year to add to local interest in the meet. Arlington is defending champ with two in a row in the "A" division and they will be tough again this year.

Northbrook remains member of conference on inactive basis

Northbrook will remain an unofficial member of the Northwest conference though they will not have a school for several years. This leaves a spot open for Northbrook when they do get a building. No other school would be considered for membership and the conference will operate for the time being with seven members. Most of Northbrook's students will attend Palatine until their own school is ready.

This means that in sports the two schools are joining forces and this applies to both players and coaches as Bill Lutz and Clarence Gallagher have signed contracts to teach at Palatine next year, along with three other teachers.

Antioch membership in Northwest in question

Antioch's place in the Northwest conference is in jeopardy as a result of troubles in the school resulting in the principal leaving after the faculty signed a petition against him. The community is torn by turmoil between opposing factions and just what the board and faculty had to do with all this is not clearly known. Anyway, a committee of Northwest conference principals has

(Continued on next page)

Heights golfers plan 21 meets; to open April 17

Twenty-one meets are on tap for Arlington Heights high school golfers this spring with the initial match two weeks away. Opener is a tentative meet with Bensenville April 17, with a Palatine match following April 21.

Eleven home meets, nine traveling matches, plus district and conference meets are included.

Just where the West Suburban league event will be held is not known at this writing, but Glenbard may be host. Planned for Coach Curtis Larsen's boys in addition to the league schedule are matches with Bensenville, Palatine, Waukegan, Joliet, Niles, Leyden, and DeKalb.

COMPLETE slate includes:

Thursday, April 17, Bensenville, here (?).
Monday, April 21, Palatine, here.
Thursday, April 24, Waukegan, there, varsity and frosh-soph.
Friday, April 25, Joliet, here.
Monday, April 28, Riverside, here.
Tuesday, April 29, Niles, there.
Thursday, May 1, Maine, here.
Friday, May 2, Palatine, there.
Monday, May 5, York, there.
Tuesday, May 6, Leyden, here.
Friday, Saturday, May 9-10, district meet.
Monday, May 12, LaGrange, here.
Tuesday, May 13, Niles, here.
Thursday, May 15, Hinsdale, there.
Friday, May 16, State meet.
Monday, May 19, Glenbard, there.
Tuesday, May 20, Waukegan, here.
Wednesday, May 21, DeKalb, here.
Friday, May 23, Downers Grove, here.
Monday, May 26, Conference meet, Glenbard (?).
Tuesday, May 27, Bensenville, there.
Thursday, May 29, Leyden, there.

Arlington splits with Hinsdale on local track

Arlington track squads split their first dual meet of the season Tuesday at Heights with Hinsdale copping the varsity, 77-40, and Arlington taking the frosh-soph event, 72½-31½. Glenbard, originally scheduled to make it a triangular, failed to show.

Arlington made a clean sweep of the discus and took the 880 and shot. Hinsdale swept the broad jump, two relays, and eight firsts. Several of the events were particularly weak, with the frosh-soph division just about equalling or surpassing the records of their older brethern.

The younger division saw the Cardinals taking first in nine events. Standouts locally were Werner and Ellis.

VARSITY

HH: Won by Skubich H, Moyer H 2nd, Borgardt A 3rd, time :15.6.

High jump: Won by Oles H, Ellis A 2nd, Johnson H, Burkhardt H and Hain H tied for 3rd, ht. 5'.

Golf Ball Spin

In a well-hit drive, the back-spin of a golf ball will be from 3000 to 5000 revolutions per minute, depending on how the ball is hit. Using an iron with a relatively high degree of loft, the back-spin may run up to as high as 8000 RPM.

With the sleeper

Gagne whips Van Schacht in Heights wrestling show

The villains, the actors, the wrestlers were out in force Saturday night in the Arlington Hts. high school gym and about 2,500 fans ate it up in the Lions club sponsored wrestling show.

There was Villain No. 1—Fred Van Schacht, definitely a "crowd hater" from the moment he stepped into the ring with an arrogance that would have done justice to any Hollywood character man.

There was champ Verne Gagne, winning with his famous sleeper hold as the crowd went wild in the climax to the full evening's entertainment. Van Schacht walked out of the ring holding his neck, and didn't let go until long after showering.

RING "EXPERTS" definitely labeled this contest a rough affair with up-and-coming Gagne showing to advantage over the 39 year old Van Schacht.

Opener was the tag team affair with four great showmen in "always shifty" Rudy Kay and Al Williams opposing Art Bull and crowd pleaser Farmer Don Marlin. The overall-clad "boy" put forth with his famous mule kick twice, but suffered revenge when Rudy Kay often stamped on his barefoot toes.

Actually, this contest was more of a match between Kay and the referee, the latter winning after a split on pins when all four men piled into the ring. Both teams were disqualified and the match labled "no go."

MOST INTERESTING match of the night was the tussle between Billy Goelz of Fox Lake and the Great Balbo of Wheeling. The two grapplers put on a fine display of wrestling holds, aggression and gymnastics in what is known to the trade as "clean" wrestling.

After a split in pins, match was ruled a draw, but fans went home appreciating the well-fought match after the opening theatricals.

All in all, it was an evening well spent with just as much enjoyment coming to this writer watching enthusiasm of fans as well as the wrestlers.

Arlington sports menu

Thursday, April 3—Varsity and frosh-soph track, Palatine, here, 4:00.

Monday, April 7—Varsity baseball, Hinsdale, here, 4:00.

Tuesday, April 8—Varsity and frosh-soph track, Downers Grove, there, 4:00.

Wednesday, April 9—Varsity baseball, Niles, there, 4:00.

Thursday, April 10—Varsity baseball, Maine, there, 4:00.

4 tennis vets at Arlington

Fifteen matches are scheduled for this year's tennis squad at Arlington Heights high school with the opening net work still two weeks away.

The Cardinals open in a varsity meet at Crystal Lake April 17 in one of four non-conference matches. Five days later West Suburban league play starts with Heights playing host to Riverside.

Four lettermen are back for Coach Ray DeGreeff's squad among the 12 boys out for the varsity. They include Tom Bowersox, Ray Holmes, Charles Knapp and Alan Ross.

Thus far just six boys have shown an inclination for frosh-soph tennis, with seven boys needed for the team. When initial cuts are made from the large number of boys out for baseball some will turn to tennis, it is felt.

TO DATE Coach DeGreeff has had his hopefuls practicing stroking, getting their arms and legs in shape. Intra squad matches will start next week to determine positions on the teams. As of Monday of this week most promising boys appear to be Bowersox and Rodney Peltier.

One thing is certain—there's plenty of room for improvement. Heights netmen ranked last in the league last year in their first season of tennis competition.

Complete schedule will be released next week.

Palatine has 22 meets; Antioch first April 19

Palatine township high school has 22 golf events on a heavy schedule of meets which Principal G. A. McElroy has lined up for the team. The season opens at Antioch Saturday, April 19, and from then on it is a match just about every other day until the close of school. Schools on the schedule include Antioch, Barrington, Bensenville, and Northbrook of the Northwest conference; New Trier, Highland Park, Niles, and Proviso of the Suburban league; Arlington Heights and LaGrange of the West Suburban league; Leyden of the South Suburban league; and Crystal Lake and McHenry of the North Suburban.

Harold Klapp and Dick Roof are seniors lost by graduation, while Chuck Briggs, number one man and a sophomore last year, has moved to Denver, Colo. Heading the list of returning lettermen are Tom Smith and Richard "Tinker" Meyer, both of whom have shot under 80 on occasions. Check James and Ray Metzler are varsity lettermen who shoot between 80 and 90. Meyer won the Northwest conference individual first place last year as a freshman and Palatine took their second championship in a row. Palatine had a 14-0 record in 1950 and a 14-7 season last year.

CHIEF CONTENDERS for other places on the golf team will be Peter Abramson and Gerry McElroy, sophomores, who won minor awards last year and who were scoring around the 90 mark last summer.

Golf schedule:
Sat. Apr. 19—Antioch (there)
Mon. Apr. 21—Arlintgon Hts. (there)
Wed. 23—McHenry (there)
Fri. Apr. 25—Niles (there)
Mon. Apr. 28—Barr. (there)
Tue. Apr. 29 — Crystal Lake (there)
Wed. Apr. 30—Leyden (there)
Fri. May 2—Arlington & Proviso (here)
Mon. May 5—NB (there)
Wed. May 7—New Trier & LaGrange (here)
Thur. May 8—Bens. (there)
Sat. May 10—State District
Mon. May 12—Antioch & McHenry (here)

Boxer show April 6

The mid-west Boxer club is holding an all Boxer match show on Palm Sunday, April 6, at Mills Motors, 436 Mannheim road, between Washington blvd. and St. Charles rd. The judge will be the well-known Boxer authority, Mrs. Audrey Harridge of Clinaude Kennels, Glenview. There will be classes for Boxers from 2 months of age on up and there will be ribbons and four prizes in all ten classes and for Best Puppy, Best Grown Dog and Best in Match.

Registration will be from 12:30 to 2 p. m. and on obedience demonstration will take place from 1 to 2 p. m., at which time judging will begin.

The Bob Liljebergs of Roanne Boxer Kennels, Palatine, will be on hand to root for the Roanne Boxers—who always do so very well at the shows. Both Mr. and Mrs. Liljeberg are Boxer judges themselves.

Hinsdale first

Two outfield jobs still open as Arlington aims for opener

There are two big problems for baseball coach Wally Grace at Arlington Heights high school with both of them in the outfield. With Hans Schmidt already selected for the number one outfield spot, probably in left, the local mentor is casting around for two other outfielders.

Opening game for the Cardinals is against Hinsdale Monday, April 7, at Recreation Park, weather permitting. Game time is 4 p. m.

Six boys are out for Wally's open spots, including Herbert Rickets, Leon Nolte, and Bob Chamberlain, and three juniors, Wayne Hesch, Herbert Gorder, and Denny Straus.

OTHER POSITIONS already cinched can easily start with catching. Jim Intravartolo, unanimous choice last year for all-league center, is back again for another season of backstopping, his last for AHTHS. Rickert is rated number two boy, with Charles Verret bringing up the rear.

On the mound are two right-handers, both seniors, Bob Simmons and Tom Meyer. Of five boys trying for the third spot are two southpaws holding the inside track with Coach Grace.

The portsiders are junior Tom Reed and senior Harry Munn, last year's first baseman. Other candidates include senior Forrest Laude and two juniors, Herb Wickstrom and Ronnie Markow.

THE INFIELD is set for the Hinsdale game. Three seniors include Gene Dassonville at first, Ronnie Grace at second, and Bill Lynk at short. Junior John Eakins rates at third with junior Bob Thompson picked utility infielder.

Two boys striving for the reserve first base spot are junior Jerry Moreth, who has the edge, and senior Erick Wenzlaff. Wayne Hesch is next in line at second.

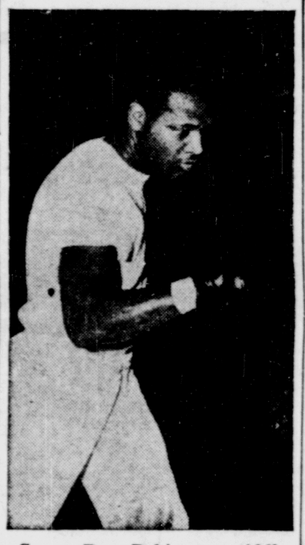

INITIAL CUTS were slated to be made by Coach Grace Thursday of this week. Batting order for the opener has not been determined.

Hinsdale offers tough opposition as an opener for the Cardinals. They split with Heights last year, losing at Recreation Park, 8-4, but winning on their home field, 5-4. All but one of the boys used in both of those games are back for Hinsdale.

THREE GAMES are scheduled for the Arlington nine next week, but weather will probably decide at least one of them. After the Hinsdale affair Monday the locals travel to Niles Wednesday and go to Maine Thursday.

Other league games Monday include Maine at Glenbard, LaGrange at Downers and York at Riverside.

Sugar's not so sweet

Sugar Ray Robinson, middleweight champ, plows into heavy bag as he trains for April 16 championship bout at the Chicago Stadium with Rocky Graziano. Robinson won his 160 pound crown here in Chicago last year from Jake LaMotta.

Robinson has been called the greatest boxer in history, pound for pound. He already is champion in two divisions, the welterweight and middleweight and is considering trying for the light heavy championship. Only two others ever won three championships, Henry Armstrong and Bob Fitzsimmons.

There will be no television of the championship bout here in Chicago.

How West Sugurban league baseball finished in '51

Palatine vs Arlington in track Thursday

Palatine cindermen will try for their first track victory of the year when they meet the Arlington Heights Cardinals at Arlington, April 3.

The Pirates have twelve returning lettermen, which include Ward, Schrage, and Jessee in the 100 and 220 yard dashes, Senne in the 440, Herrmann and Vogt in the 880 and mile run, Nesset and Buenzow in the high and low hurdles, Zoellick and Buenzow in the high jump, Schrage and Ward in the broad jump, Metzler in the pole vault, Hillisheim and Gunder in the shot put, and Grever throwing the discus.

Other boys expected to compete in meets this year will be, Hess and Abrahamson in the 440, Abramson, Reeves and Gephart in the 880, Abramson in the mile, Stenzil and Busch in the high hurdles, Stenzel and Schwingel in the low hurdles, Rehusch in the high jump, Michaelis in the broad jump, Charlie and Eddie Hartmann in the pole vault, Burden in the shot put, and Burden and Busch in the discus.

Wednesday, the ninth of April, the Pirates will oppose Barrington there, and on the following Tuesday, April 15, Libertyville will be at Palatine.

Corned beef dinner for sportsmen April 14 to honor Bishop Sheil

Sports writers and other staff members of Chicago's metropolitan newspapers, along with other prominent figures of the sports world, including radio and TV sports commentators, are sponsoring their 20th annual sportsmen's dinner, given in honor of Bishop Bernard J. Sheil, in recognition of his having founded the Catholic Youth Organization.

The event, popularly known as the "corned beef and cabbage dinner" will take place in the grand ballroom of the Palmer house, Monday night, April 14.

ARLINGTON ROLLER RINK
1006 W. NORTHWEST HWY. ARLINGTON HEIGHTS 2322

Middle distance boys carrying hopes of Coach Russ Attis and the Arlington Heights high school track squad include, left to right, Neil Barr, George Keithley and Donald Albright. First meet was slated for Tuesday of this week with Hinsdale and Glenbard.

Park Ridge golf range opens for new season

Park Ridge golf range, 742 N. Northwest Highway, Park Ridge, opened this week for its seventh year of promoting golf in the greater northwest area. Biff and Chuck Pancratz, golf professionals, have returned from their southern tour of tournament play for the opening of their range.

Free golf instructions will be a weekly feature every Monday evening from 7 to 8 o'clock. The rudiments of the game will be explained and demonstrated by qualified PGA golf instructors.

With a complete new supply of liquid center balls, automatic and grass tees, first quality clubs and an ultra-modern lighting system, the Park Ridge golf range offers golfers unexcelled facilities.

The Park Ridge miniature golf course, adjacent to Park Ridge golf range, is also open to all.

Large turnout for varsity tennis at Glenbard

Like all the other spring sports teams, the tennis squad at Glenbard is having a tough time getting in any practice, and the other spring sports—the racqueteers—will have a host of boys to give them a boost.

Coach Ralph Magor is particularly happy about the large turnout for the varsity netters. Twenty players have already signed up, including eight seniors and 12 juniors.

However, the frosh-soph team is lacking in depth in that only five sophomores and two freshmen have turned out for the first few practice sessions.

MAKING HIS BID for the top spot of the squad, John McClennan, junior, has shown outstanding ability with a tennis racket and will most likely be one of the singles. McClennan is a steady player who demonstrates all-around experience.

Another strong contender for one of the top single divisions is John Wise. Wise, a late starter because of basketball, is a powerful player once he is in form, plays a good game with strong shots, but Coach Magor is worried about the consistency of Wise's game.

Also a top candidate for a single spot is Dick Rusch. Although he plays in streaks, Coach Magor will probably make use of him, for he plays a "nice court game" and is a steady contestant.

SWITCHING OVER to the doubles teams, Bill Whittle and Bruce Ford will enter their fourth year as a team and should give the tennis squad plenty of strength.

Both are even players and use strategy to account for most of their potency. Both are very adept at the net game and play steady. During their sophomore year, the pair walked off with the frosh-soph's doubles championship.

Another strong contender doubles team is Bill Hunt and Bob Johnson. Hunt and Johnson captured second place in the frosh-soph tournament last year.

Four non-conference meets and ten conference events will round out the tennis slate.

Here is the complete schedule for the tennis team:

April 3—Wheaton at Glenbard.
April 10—Glenbard at Blue Island.
April 14—West Aurora at Glenbard.
April 18—Elgin at Glenbard.
April 22—Lyons at Glenbard.
April 24—Glenbard at Downers Grove.
April 29—Hinsdale at Glenbard.
May 1—Glenbard at York.
May 3—District meet.
May 6—Glenbard at Maine.
May 8—Riverside at Glenbard.
May 10—Conference frosh-soph tournament.
May 13—Glenbard at Arlington Heights.
May 16-17—State Finals.
May 21-22—Conference varsity tournament.

Vote in the Primary April 8

Globetrotters at Stadium Saturday against All-Stars

Hail record of Harlem cagers over 25 years

Basketball's most spectacular post-season competition will come to Chicago Stadium Saturday night, April 5, when the famous Harlem Globetrotters play the 1952 college All-Americans in the eighth game of their coast-to-coast "world series."

The college All-Americans include Carl McNulty of Purdue, Sam Miranda of Indiana, Leroy Leslie of Notre Dame, Nick Kladis of Loyola, Jim Iverson of Kansas State, Ray Sonnenberg of St. Louis, Mark Workman of West Virginia and several other stars of the recently completed college season.

The big series began last Sunday in New York where the teams played two games in a span of eight hours and drew more than 30,000 spectators to Madison Square Garden.

THIS IS the silver anniversary season of the most famous and most travelled organization in basketball . . . the Harlem Globetrotters.

They are from Chicago, not Harlem . . . But there is no question about the Globetrotter label.

Just take their silver anniversary season as an example: Opening Oct. 19, 1951, in Chicago, they played 161 regular season games prior to the start of the World Series tour. Thus by April 13 they will have completed 176 games.

FIVE DAYS later they open in Rio de Janeiro for a five-week tour of South America . . . On June 2 they open a European invasion in London. By August they will have reached Turkey and Israel in the Middle East. So what's the best way home? . . . The Globetrotter way: Singapore, the Philippines, Hong Kong, Japan, Guam, Kwajalein, Hawaii . . . And San Francisco by October 7, 1952. That ends the season . . . 354 days after it began.

This will be their second invasion of South America, their third in Europe and North Africa . . . and their first 'round the world trip for any basketball squad.

THEY'VE PIONEERED basketball in more places than almost every body else put together, including outdoor basketball in American baseball parks, a test last summer when they drew 47,026 in six appearances.

Nobody really knows how far they've travelled by flivver and bus, dog sled and streamliner . . . airplane and ship . . . in the 25 years since first they started in the Savoy ballroom on the south side of Chicago . . But it's been a long, long trail, and it wound upward, all the way, to the pinnacle of the sports world.

Here is their complete, authentic won-lost record for the 25 years:

	W	L	Pct.		W	L	Pct.
27-28	101	6	.944	40-41	146	12	.924
28-29	145	13	.918	41-42	135	18	.882
29-30	151	13	.921	42-43	139	16	.897
30-31	137	14	.907	43-44	141	13	.916
31-32	145	11	.929	44-45	146	14	.913
32-33	147	10	.936	45-46	152	13	.921
33-34	152	2	.987	46-47	154	3	.981
34-35	141	14	.910	47-48	152	5	.968
35-36	153	9	.944	48-49	146	5	.967
36-37	149	11	.931	49-50	237	10	.960
37-38	145	12	.924	50-51	334	6	.982
38-39	148	13	.919	51-52*	158	3	.981
39-40	159	8	.952	*Through March 28			
TOTALS					4,066	255	.941

Cards run at Oak Park; open meets this week

Arlington's trackmen ran indoors Saturday in the midst of the Oak Park Relays. LaGrange repeated in the winner's circle with 45 points. The locals came within 6/10 of a second of garnering two points in the 8 lap relay.

For Coach Attis, Chris Kent and Dave Borgardt ran the high hurdles, the former making the quarterfinals. In the lows was Borgardt. Carroll Werner and George Keithley were entered in the 50 yard dash, with the latter making the quarterfinals.

Dick Winterbauer tossed the shot 44'6" and Werner broad jumped 18'. Running in the 4 lap relay were Louis Barkhausen, Tom Theis, Werner and Keithley.

ARLINGTON'S BIG effort of the meet was forthcoming in the sprint medley, 8 lap relay. The local foursome of Keithley, Barkhausen, Tom Theis and Roger Ragland ran the course in 3:28.9. Laps run were 2, 1, 1, 4.

Three meet records were broken and one was set. The LaGrange foursome of Tom Racine, Dave Sackett, Ken Segner and George Drake raced the 16 lap course in 7:15.5. Former mark was 7:17.

Calvin Boyd of Oak Park bettered his own fieldhouse mark and a 16 year old high jump record by going 6'5½".

Clarence Jonas of Bloom won the second heat of the mile in 4:34, beating the former mark of Warren Druetzler of LaGrange by .3. Druetzler, by the way, won the Banker's Mile the same night in the Chicago Relays.

OTHER SCHOOLS of the West Suburban league gaining points in the meet were York, sixth, 21½; Maine, seventh, 15; and Hinsdale, 11th, 10. Neither Arlington or Riverside scored any points.

Interesting sidelight on the meet is that Bloom, which edged LaGrange by 1½ points the week before in the Naperville Relays, was a poor tenth this time with 12 scores.

Hinsdale plans novel holiday tournament

Hinsdale township high school has now completed plans for a two-day holiday basketball festival January 2 and 3, 1953. Three top-ranking northern Illinois teams have accepted invitations to participate with the host school in this experimental two-day affair. The games have been carded as follows:

January 2—7:15 p. m. Freeport vs. Hinsdale. 8:45 p. m. Morton vs. Elgin.

January 3—7:15 p. m. Elgin vs. Hinsdale. 8:45 p. m. Freeport vs. Morton.

All games are to be played in the spacious Hinsdale gymnasium which will seat approximately 4500. The holiday festival will replace the 16-team Christmas tournament that Hinsdale had sponsored in 1950 and 1951. Morton of Cicero and Hinsdale are acting as host schools competing with Freeport and Elgin of the Big Eight conference.

The festival is unlike tournament play in that winners do not necessarily compete against each other but rather all four teams are scheduled in advance.

Globetrotter in city

William "Pops" Gates is one of the famous Harlem Globetrotters who will oppose the 1952 college All-Americans in a word series of basketball game at Chicago Stadium Saturday, April 5.

Uncle Whiskers to win in Graziano, Robinson fight

The International boxing club put 19,740 seats on sale this week for the Ray Robinson-Rocky Graziano middleweight championship fight which will be held April 16 at the Chicago Stadium. Tickets will be sold at the Stadium box office and at Bond's, State and Jackson.

There will be 8,900 seats at $20, 3,500 at $10, 3,177 at $7.50, and 3,518 at $5. In the event of a sell-out the fight will gross $260,885.

The IBC has scaled the prices much lower on this fight than was the case the last time Graziano fought for the championship at the Chicago Stadium against Tony Zale in 1947. The fight grossed $422,000, the largest indoor gate of all time.

THE FINANCIAL picture is not as rosy as the gross figures indicate. In the event of a sell-out and the realization of the $260,885 figure, Uncle Sam steps in first for his 20% which amounts to $33,000. Then the city of Chicago gets 3% before other taxes or $8,000. The state of Illinois takes a $26,000 bite. Rocky figures to get in the neighborhood of $65,000. Robinson's cut would be $78,000. The rental takes another 10% or $26,000. These figures add up to about $235,000, leaving the promoter with about $25,000. Out of that he must pay traveling expenses, preliminary fights, ushers, and salaries, printing of tickets, ring officials, advertising, etc.

Actually Uncle Whiskers will be the only winner financially no matter who holds the middleweight crowd after the fight. The purses of each fighter will put them in a larger income bracket which will enhance the U. S. Treasury far beyond the $33,000 original bite.

Mac Says —

(Continued from preceding page) been looking into the case and has threatened possible expulsion of Antioch if the matter is not cleared up.

A committee of representatives from the state department, North Central association, and state association of school boards has checked with the Antioch board of education and has ruled it is their responsibility to clean up the mess. This will mean an investigation of the actions of faculty members to determine which faculty members have violated ethics of the teaching profession as evident from the various things that have happened. When this has been done the standing of Antioch in the conference will again be on a clear basis, it is hoped.

York netmen win

York, one of the favored tennis teams in the West Suburban conference, shut out the invading Glenbard club last Friday afternoon in a practice meet, 5-0, as the local crew failed to capture a single match. The York meet was hastily called last Thursday after the Wheaton-Glenbard fracas was postponed.

The Hilltoppers' two doubles teams put up the top battles for Glenbard netters as they tumbled by 6-4 scores in their sets. In the single divisions, the Bards were soundly beaten.

Vote in the Primary April 8

ARLINGTON COUNTRY CLUB
Invites You For The 1952 Season

This is the time of the year when all golfers start thinking about Summer and all the fine golfing weather and golfing times ahead. Yes, it's the time to check over all the clubs and equipment.

Arlington Country Club (formerly known as Curtiss Farms) is now open and in very good shape . . . So this is the time to make your seasonal reservations if you want to be sure of playing on week-ends. Clubs, companies and other relatively small leagues are most cordially invited.

Rates for the truly fine and sporty course are as follows . . . Weekdays $1.00 . . . Twilight (4 p. m.) $.50 . . . Saturdays $2.00 . . . Twilight (4 p. m.) $1.00 . . . Sundays and Holidays $2.50 . . . Twilight (4 p. m.) $1.00 . . . Seasonal Playing Privileges $65, Man and Wife $95.

Help Wanted

HELP WANTED — LATHE hand. Progressive company wishes to employ an older man as a lathe hand in a tool room, someone who prefers to work close to home and avoid the daily grind of driving into the city each day. Pleasant working conditions, vacation with pay, free hospitalization, bonuses, and paid holidays. Apply at Precision Extrusions, 190 E. Green ave., Bensenville. Call Bensenville 98. (4-4

THE PRINT SUIT, in a sleek fabric such as the rayon surah in a close tie pattern, shown above, comes into its own for spring. Here, it is double-breasted with a wide notch collar and wide gored skirt.

In the future

A finger licker for office personnel doing paper work is made of aluminum and sponges and fits on the wrist. It is sold complete with a special antiseptic liquid which coats the finger for "long-lasting adhesive action," the producer says . . . A telephone dial lighter automatically illuminates the telephone when the receiver is lifted. The device can also be set to give a continuous soft light . . . Plant and factory managers will be interested in a new, inexpensive salt tablet dispenser. The manufacturer claims the transparent container encourages workers to take the pills . . . The craze for matched clothes such as handkerchiefs and ties has slipped over into another field. A wallpaper firm and a pottery maker have joined to make their products with matching designs . . . A company which claims to have designed a non-jamming zipper will probably do almost as well as if it had built a better mousetrap.

Lessons In . . . . English

Words Often Misused

Do not say, "The reason why I came is that I wanted to see her." When "that" is used, "why" is redundant. Say, "The reason I came is that I wanted to see her."

Distinguish between "immunity" and "impunity." "Immunity" refers to resistance to a disease. "Impunity" means exemption from punishment. Thus, "Vaccination develops an immunity to smallpox." "The child misbehaved with impunity."

Do not say, "Irregardless of this, we shall go." There is no such word as "irregardless." Say, "Regardless of this."

In the best usage, "scholar" is applied to a learned person, "pupil" to one in an elementary school, and "student" to one who is attending a college or university.

Do not say, "He spends the major portion of his time in the office." It is better to say, "the greater part of his time."

Do not say, "We are going to try and stop them." Say, "try to stop them."

Words Often Mispronounced

Bade. Pronounce the a as in bad, not as in aid.

Illusive. Pronounce the u as in use, not as in rude.

Machination. Pronounce mak-i-na-shun, first a as in at, second a as in ate, accent third syllable.

Columnar (pertaining to a column). Pronounce kolum-ner, o as in no unstressed, u as in lumber, with accent on second syllable.

Error and err. Pronounce the noun with the e as in bet. Pronounce the verb as ur, u as in fur.

Quay. Pronounce as though spelled key.

Words Often Misspelled

Hinder (verb); hindrance (noun). Outrageous; eous, not ious. Remit, one t; remittance, two t's. Mischievous; not vious. Lovable, va; moveable, vea. Vignette, though pronounced vinyet.

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Variant (adjective); different from others of its kind or class. "Men's minds are as variant as their faces."

Exculpate; to exonerate; acquit; absolve from guilt. (Accent first syllable). "The situation was such that it was necessary either to exculpate, or press charges."

Impeccability; sinlessness. (Pronounce second syllable as peck, accent follows the l). "The impeccability of the minister was not questioned."

Prudential; proceeding from prudence; exercising prudence. "The man is noted for his prudential conduct."

Reluctantly; unwilling. "He reluctantly submitted to their demands."

Austere; rigorous; stern; severe or strict. (Pronounce as-ter, a as in ah, e as in here, accent second syllable). "The British mode of life at present is austere."
